### 3. SETUP AND ASSEMBLY

---

The MalTec Folding Camping Table is designed for quick and easy setup without the need for additional tools.

#### 1. Unfolding the Table:

- Place the folded table case on a flat surface.
- Release the latches on the side of the case.
- Carefully unfold the table halves.
- Extend the table legs from their folded position.
- Ensure all leg locking mechanisms are fully engaged to secure the table in its open position.

#### 2. Adjusting Table Height:

- The table offers three adjustable height levels: 70 cm, 60 cm, and 54 cm.
- To adjust, press the spring-loaded buttons on each leg and slide the leg extension to the desired height.
- Ensure the button clicks securely into place at the chosen height for all four legs.

## 4. OPERATING INSTRUCTIONS

---

The MalTec Folding Camping Table and Chairs set is designed for versatile outdoor use.

- **Versatile Use:** This set is suitable for various outdoor activities such as camping, picnics, beach trips, garden use, barbecues, and other outdoor gatherings.
- **Load Capacity:** Adhere strictly to the maximum load capacities: 20 kg for the table and 80 kg for each chair. Distribute weight evenly on the table surface.
- **Stability:** Always ensure the table and chairs are placed on a firm, level surface to maintain stability and prevent accidents.

## 5. MAINTENANCE AND CARE

---

Proper maintenance will extend the lifespan of your MalTec Camping Table and Chairs.

- **Cleaning:** To clean the table surface and chair fabric, simply wipe with a damp cloth. Avoid using harsh chemical detergents, as these may damage the materials.
- **Storage:** When not in use, fold the table and chairs into their compact case form. Store in a dry place, away from direct sunlight and extreme temperatures, to prevent material degradation.
- **Inspection:** Periodically check all locking mechanisms, hinges, and frame components for any signs of wear or damage. Do not use if any parts are compromised.

## 6. TROUBLESHOOTING

---

This section addresses common issues you might encounter.

- **Table/Chair Instability:** Ensure all legs are fully extended and their locking mechanisms are engaged. Verify the product is on a flat, even surface. Uneven ground can cause instability.
- **Difficulty Folding/Unfolding:** Check for any obstructions in the hinges or locking mechanisms. Ensure no debris is preventing smooth operation. Do not force components.
- **Damaged Parts:** If any part of the table or chairs appears damaged, do not use the product. Contact customer support for assistance.
