Glo Teeth Whitening Gel Pods

GLO Science Teeth Whitening Gel Pods Instruction Manual

Model: Teeth Whitening Gel Pods

INTRODUCTION

This manual provides essential instructions for the safe and effective use of GLO Science Teeth Whitening Gel Pods. These pods contain a 6% hydrogen peroxide formula designed for sensitivity-free teeth whitening, delivering a mint flavor experience. Each pack contains 5 gel pods.

SAFETY INFORMATION

Use as directed. Keep out of reach of children. For best results, use with GLO Science So Brilliant device. Do not ingest. If swallowed, seek immediate medical attention. Avoid contact with eyes. If contact occurs, rinse immediately with water. If irritation persists, seek medical attention. Not recommended for children under 12 years of age. If you are pregnant, nursing, or have any medical conditions, consult your dentist before use.

OPERATING INSTRUCTIONS

Follow these steps for effective application of the GLO Science Teeth Whitening Gel Pods:

1. **Prepare the Gel Pod:** Pop off the airtight cap from the gel pod.
2. **Apply Gel to Brush:** Squeeze a pea-sized amount of the whitening gel onto the brush tip.
3. **Brush onto Teeth:** Brush a thin, even layer of the gel onto the teeth that are visible when you smile. Ensure to target hard-to-reach spots for comprehensive coverage.
4. **Optional: Use with GLO Science So Brilliant Device:** For the most effective results, use the gel in conjunction with the GLO Science So Brilliant device.
5. **After Use:** Replace the cap tightly after each use to maintain freshness.

Why We Love It!

- ✓ No more slip-and-slide whitening
- ✓ Pro-grade 6% hydrogen peroxide whitens without the sensitivity sting
- ✓ Safe on enamel, crowns, and veneers
- ✓ Vegan, cruelty-free, gluten-free
- ✓ Made in the USA

MAINTENANCE

To ensure the longevity and effectiveness of your GLO Science Teeth Whitening Gel Pods:

- Always replace the cap tightly after each use to prevent the gel from drying out and to maintain its potency.
- The gel remains fresh for up to 7 days after opening. For optimal results, use within this timeframe.
- Store the pods in a cool, dry place away from direct sunlight.

INGREDIENTS

The GLO Whitening Gel Pods contain the following ingredients:

Distilled Water, Propanediol, Hydrogen Peroxide (6%), Potassium Nitrate, Glycerin (Vegetable), Carbomer, Disodium EDTA, Sodium Saccharin, Sodium Fluoride, Sodium Hydroxide, Menthol, Mentha Piperita Oil (Peppermint Oil).

Item Weight	0.06 Kilograms (2.08 ounces)
Package Dimensions	4.88 x 3.15 x 0.94 inches
Manufacturer	GLO Science, Inc.
First Available Date	April 14, 2025

TROUBLESHOOTING

If you encounter any issues while using the GLO Science Teeth Whitening Gel Pods, consider the following:

- Irritation:** If gum or tooth sensitivity occurs, discontinue use and consult your dentist. Ensure gel is applied only to the teeth and not to the gums.
- Insufficient Whitening:** Ensure consistent application as directed. For enhanced results, consider using the gel pods with the GLO Science So Brilliant device.
- Gel Consistency:** If the gel appears dry or difficult to dispense, ensure the cap was replaced tightly after previous use and that the product is within its freshness period (7 days after opening).

WARRANTY AND SUPPORT

For specific warranty information or product support, please refer to the official GLO Science website or contact GLO Science customer service directly. Contact details are typically available on the product packaging or the manufacturer's official online resources.
