

WLIVE 9 Drawer Dresser

WLIVE 9-Drawer Storage Dresser Instruction Manual

Model: B0F4T552NY

IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- **Anti-Tipping Device:** Always install the included anti-tipping device to prevent accidental tipping, especially in households with children. Securely fasten the dresser to a wall stud.
- **Weight Limits:** Do not overload drawers. Distribute weight evenly. The wooden top surface has a weight capacity; avoid placing excessively heavy items on it.
- **Assembly:** Assemble on a soft, clean surface to prevent scratches. Ensure all parts are correctly aligned and fasteners are tightened before use.
- **Children's Safety:** Do not allow children to climb on or play with the dresser. Keep small parts away from children during assembly.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Steel Frame Components
- Wooden Top Board
- Fabric Drawers (9 units)
- Drawer Handles
- Adjustable Plastic Feet
- Anti-Tipping Device
- Assembly Hardware (screws, wrench, etc.)

ASSEMBLY INSTRUCTIONS

Follow these steps for proper assembly. It is recommended to have two people for certain steps.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out and compare with the parts list to ensure everything is present.
2. **Assemble the Steel Frame:** Connect the vertical and horizontal steel frame components using the provided screws and tools. Ensure all connections are secure.
3. **Attach the Wooden Top:** Place the wooden top board onto the assembled steel frame and secure it with the designated screws.
4. **Install Adjustable Feet:** Screw the adjustable plastic feet into the bottom of the steel frame. Adjust them later to level the dresser on uneven surfaces.
5. **Prepare Fabric Drawers:** Unfold each fabric drawer and insert the bottom support panel to create a rigid structure. Attach the handles to the front of each drawer.
6. **Insert Drawers:** Slide the assembled fabric drawers into their respective slots within the steel frame.
7. **Install Anti-Tipping Device:** Attach the anti-tipping bracket to the back of the dresser's top frame. Secure the other end of the strap or bracket to a wall stud using appropriate hardware. This step is crucial for safety.

The WLIVE 9-Drawer Storage Dresser is designed for efficient organization in various rooms.

- **Drawer Use:** Gently pull and push the fabric drawers using the handles. Avoid forcing drawers open or closed.
- **Weight Distribution:** Distribute items evenly within the drawers to maintain balance and prevent strain on the frame. Avoid placing all heavy items in one drawer.
- **Top Surface:** The wooden top is suitable for lamps, clocks, books, or decorative items. Do not exceed the recommended weight capacity.

Image: Example of drawer capacity, showing how to organize items like socks, t-shirts, jeans, and other clothes in medium and large fabric bins.

CARE AND MAINTENANCE

Proper care will extend the life and appearance of your dresser.

- **Cleaning Fabric Drawers:** Spot clean fabric drawers with a damp cloth and mild soap. Allow to air dry completely. Do not machine wash or tumble dry.
- **Cleaning Wooden Top and Frame:** Wipe the wooden top and steel frame with a soft, dry or slightly damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Regular Checks:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary.
- **Avoid Moisture:** Keep the dresser away from excessive moisture or direct sunlight to prevent damage to the fabric and wood.

TROUBLESHOOTING

If you encounter issues, refer to these common solutions.

- **Dresser is Unstable/Wobbly:**

- Ensure all assembly screws are fully tightened.
- Adjust the plastic leveling feet at the bottom of the frame to compensate for uneven floors.
- Verify the anti-tipping device is correctly installed and securely anchored to the wall.
- **Drawers Do Not Slide Smoothly:**
 - Check that the fabric drawers are fully unfolded and the bottom support panel is correctly inserted.
 - Ensure no items are obstructing the drawer's movement within the frame.
 - Verify the steel frame is assembled squarely and not twisted.
- **Missing Parts:** If any parts were missing upon unboxing, refer to the 'Warranty and Support' section to contact customer service for replacements.
