OLIGHT Sphere C Bundle Oclip Pro

OLIGHT Sphere C Smart Night Light & Oclip Pro EDC Flashlight User Manual

Model: Sphere C Bundle Oclip Pro

1. INTRODUCTION

Thank you for purchasing the OLIGHT Sphere C Smart Night Light and Oclip Pro EDC Flashlight bundle. This manual provides detailed instructions for the safe and effective use of both products. Please read this manual thoroughly before operation and retain it for future reference.

2. PACKAGE CONTENTS

- OLIGHT Sphere C Smart Night Light
- OLIGHT Oclip Pro EDC Flashlight
- User Manual

Note: USB-C charging cables are not included in the package.

3. SAFETY INFORMATION

- Do not look directly into the light source when the Oclip Pro is active to avoid eye injury.
- Keep both devices away from water and extreme temperatures.
- Do not disassemble or modify the devices, as this will void the warranty and may cause damage.
- Keep out of reach of children.
- Use only compatible charging cables and power sources.

4. PRODUCT OVERVIEW

4.1 OLIGHT Sphere C Smart Night Light

OLIGHT Sphere C Smart Night Light with Bluetooth connectivity, showing its vibrant color display and integration with a mobile application for control.

The Sphere C is a versatile smart night light designed to enhance your environment. It features a superior magnetic base for stable placement and easy charging. Control its various lighting modes and settings via a dedicated mobile application.

Smart Night Light

- 20+ Lighting Modes
- ⌚ Countdown Timer
- 🎵 Music Rhythm
- Up to 40 Hours of
█ Continuous Use at
Low Brightness
- ☀️ + Brightness Adjustment
- ⚡ USB-C Charging

Key features of the OLIGHT Sphere C Smart Night Light, including 20+ lighting modes, countdown timer, music rhythm, up to 40 hours of continuous use, brightness adjustment, and USB-C charging.

4.2 OLIGHT Oclip Pro EDC Flashlight

Various views of the OLIGHT Oclip Pro EDC Flashlight, highlighting its compact size and clip design.

The Oclip Pro is a compact and powerful Everyday Carry (EDC) flashlight. It offers three distinct lighting solutions: a floodlight for wide illumination, a spotlight for focused tasks, and a red light for preserving night vision. Its robust clip allows for versatile attachment.

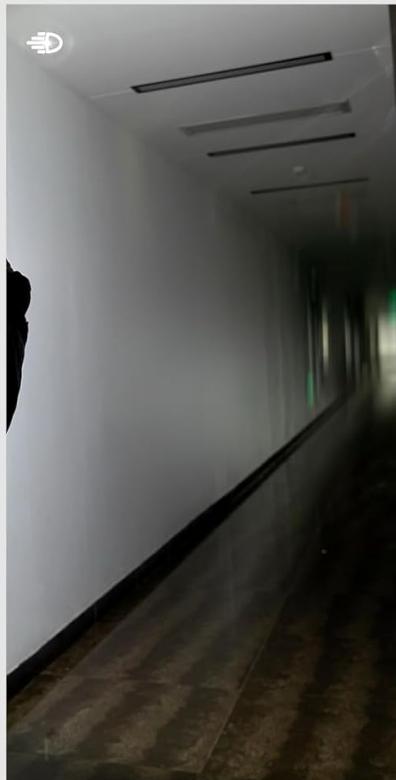

Why Oclip Pro?

Get the right light for the right task. Oclip Pro is an ultra-versatile light with **3 lighting options** and a **10,000-open-close-cycle tested** clip. From your work and everyday needs to critical situations, it boosts your productivity and safeguards your well-being when it matters most.

The OLIGHT Oclip Pro EDC Flashlight held in a hand, demonstrating its compact and portable design with a 14mm clip opening.

Pro Power in a Small Form

Floodlight for **daily routines**, spotlight for **focused tasks**, red light to preserve **night vision**.

Examples of OLIGHT Oclip Pro's lighting capabilities: floodlight for daily routines, spotlight for focused tasks, and red light for preserving night vision.

5. SETUP

5.1 Charging the Devices

Both the Sphere C and Oclip Pro are rechargeable via USB-C. Before first use, fully charge both devices.

- Connect a USB-C cable (not included) to the charging port on each device.
- Plug the other end of the cable into a USB power source (e.g., computer, wall adapter).
- The charging indicator will show the charging status (refer to specific device indicators for details).

Sphere C

Universal USB-C Charging

Charge it with your USB-C cables.

Note: The USB-C charging cable is not included in the package.

A hand plugging a USB-C cable into the OLIGHT Sphere C Smart Night Light for charging. Note: USB-C cable not included.

5.2 Connecting Sphere C to Mobile App

To unlock the full features of the Sphere C, download the official OLIGHT app from your device's app store and connect via Bluetooth.

1. Ensure Bluetooth is enabled on your smartphone.
2. Download and install the 'OLIGHT' app.
3. Open the app and follow the on-screen instructions to pair with your Sphere C.

6. OPERATING INSTRUCTIONS

6.1 OLIGHT Sphere C Smart Night Light

- **Power On/Off:** Press and hold the main button for 2 seconds.
- **Brightness Adjustment:** Use the mobile app for step-less dimming.
- **Mode Selection:** Access over 20 lighting modes, countdown timer, and music rhythm features through the OLIGHT mobile app.

- **Placement:** Utilize the magnetic base to attach the Sphere C to metal surfaces for convenient hands-free use.

6.2 OLIGHT Oclip Pro EDC Flashlight

- **Power On/Off:** Press the main button once.
- **Mode Switching:** Toggle the selector switch to cycle between the three lighting solutions: Floodlight (500 lumens), Spotlight (120-meter range), and Red Light (40/4 lumens).
- **Battery Indicator:** The battery indicator in the center of the switch will display the current battery level.
- **Clip Usage:** Use the integrated clip to attach the Oclip Pro to clothing, bags, or other objects for hands-free illumination.

7. MAINTENANCE

- **Cleaning:** Wipe the devices with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- **Storage:** Store the devices in a cool, dry place when not in use. If storing for extended periods, charge them every 3-6 months to maintain battery health.
- **Battery Care:** Avoid fully depleting the battery frequently to prolong its lifespan.

8. TROUBLESHOOTING

| Problem | Possible Cause | Solution |
|--------------------------------|--|---|
| Device not turning on | Low battery; Device malfunction | Charge the device fully; Contact customer support if issue persists. |
| Sphere C not connecting to app | Bluetooth off; App issue; Device too far | Ensure Bluetooth is on; Restart app/phone; Move closer to Sphere C; Re-pair device. |
| Oclip Pro light flickering | Low battery; Loose connection | Recharge the Oclip Pro; Ensure components are secure. |
