## ibasenice ARWT3040H09YNNYDQ8IB

# ibasenice Mobile Planter Tray User Manual

Model: ARWT3040H09YNNYDQ8IB | Brand: ibasenice

## INTRODUCTION

---

Thank you for choosing the ibasenice Mobile Planter Tray. This product is designed to provide a convenient and stable solution for moving your potted plants, both indoors and outdoors. Its durable construction and thoughtful features ensure ease of use and support for healthy plant growth. Please read this manual carefully to ensure proper setup, operation, and maintenance of your planter tray.

## PRODUCT OVERVIEW

---

The ibasenice Mobile Planter Tray is a robust and versatile plant caddy featuring a square design with integrated wheels and a water collection system. It is constructed from thickened PP material for durability.

- **Swivel Wheels with Brakes:** Equipped with four swivel wheels, two of which include locking brakes, allowing for smooth movement and secure positioning of your potted plants.
- **Water Collection Tray:** Features an integrated water collection tray and a pull-out drawer to manage excess water, preventing spills and supporting plant health.
- **Stable Support:** Provides a stable base for various pot sizes, making it easy to relocate plants as needed.
- **Durable Construction:** Made from thickened PP material, ensuring long-term use and resistance to damage.
- **Versatile Design:** Suitable for both indoor and outdoor environments, complementing diverse decor styles.

## SETUP

---

1. **Unpack the Tray:** Carefully remove the planter tray from its packaging. Inspect for any damage during transit.
2. **Position the Tray:** Place the planter tray on a flat, stable surface where you intend to keep your plant.
3. **Place Your Potted Plant:** Gently lift your potted plant and center it on the ibasenice Mobile Planter Tray. Ensure the pot sits securely within the tray's perimeter.
4. **Lock the Wheels (Optional):** If you do not intend to move the plant immediately, engage the brakes on the two locking wheels by pressing down on the lever located on each wheel. This will prevent unintended movement.

## OPERATING INSTRUCTIONS

---

1. **Moving the Plant:** To move your plant, first disengage the brakes on the locking wheels by lifting the levers. Gently push or pull the planter tray to its desired new location.
2. **Securing the Plant:** Once the plant is in its new position, engage the brakes on the two locking wheels to prevent the tray from rolling.
3. **Watering and Water Collection:** Water your plant as usual. Any excess water will collect in the integrated water collection tray. To empty the collected water, carefully pull out the drawer located on the side of the tray. Dispose of the water and slide the drawer back into place.

**EASY TO  
MOVE**

## MAINTENANCE

- **Cleaning the Tray:** Regularly clean the planter tray and the water collection drawer with a damp cloth to remove soil, dust, and water residue. Mild soap can be used for stubborn dirt. Rinse thoroughly.
- **Wheel Inspection:** Periodically check the wheels for any debris (e.g., hair, dirt) that might hinder smooth rolling. Clean the wheels as needed.
- **Material Care:** The thickened PP material is durable, but avoid using abrasive cleaners or harsh chemicals that could damage the surface.
- **Storage:** If storing the tray without a plant, ensure it is clean and dry. Store in a cool, dry place.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Wheels not rolling smoothly.	Debris (hair, dirt) caught in wheels; brakes engaged.	Check and clean wheels for debris. Ensure brakes are disengaged.

Problem	Possible Cause	Solution
Water overflowing from the tray.	Water collection drawer is full or not properly inserted.	Empty the water collection drawer. Ensure it is fully and correctly inserted after emptying. Avoid overwatering.
Tray unstable or wobbling.	Plant pot not centered; surface is uneven; brakes not engaged on an incline.	Ensure the plant pot is centered on the tray. Move the tray to a flat, even surface. Engage brakes when stationary, especially on slight inclines.

## SPECIFICATIONS

- **Model Number:** ARWT3040H09YNYDQ8IB
- **Brand:** ibasenice
- **Product Dimensions:** 11.81 x 11.81 x 3.94 inches (30 x 30 x 10 cm)
- **Item Weight:** 1.28 pounds (0.58 kg)
- **Material:** Thickened PP (Polypropylene)
- **Color:** Black
- **Inner Diameter of Water Tray:** Approximately 9.45 inches (24 cm)
