ESHINE Split Top Queen Adjustable Bed + 14" Gel Memory Foam Mattress

ESHINE Split Top Queen Adjustable Bed Frame with 14" Gel Memory Foam Mattress User Manual

Model: Split Top Queen Adjustable Bed + 14" Gel Memory Foam Mattress

Introduction

Thank you for choosing the ESHINE Split Top Queen Adjustable Bed Frame with 14" Gel Memory Foam Mattress. This manual provides essential information for the safe and efficient setup, operation, and maintenance of your new adjustable bed system. Please read all instructions carefully before assembly and use.

Safety Information

- Ensure all components are securely fastened before use.
- Keep children and pets away from moving parts during operation.
- Do not operate the bed if any part is damaged or malfunctioning. Contact customer support immediately.
- Avoid placing heavy objects on the adjustable sections of the bed.
- Ensure power cords are not pinched or damaged.

Package Contents

Before beginning assembly, verify that all parts are present:

- Adjustable Bed Frame (Split Top Queen)
- 14" Gel Memory Foam Mattress (Split Top Queen)
- Adjustable Legs (3.4", 8", 11.4" options)
- Wireless Remote Control
- Power Supply and Adapter
- Mattress Retainer Bar
- User Manual (this document)

Setup Instructions

Assembly of the ESHINE adjustable bed frame is designed to be straightforward. It is recommended to have two people for easier setup.

1. Unboxing and Layout

Place the box flat on the floor. Carefully open the box and remove all components. Ensure you have all parts and tools listed in the package contents section.

Video: ESHINE Installation Instructions. This video demonstrates the unboxing and initial setup steps for the adjustable bed frame.

2. Attaching the Legs

Attach the legs to the bed frame after it has been laid out and leveled. The legs are in two pieces (3.4" and 8" long) and can be combined or used separately to achieve heights of 3.4", 8", or 11.4".

Image: Adjustable Legs. This image shows the adjustable legs and other features like USB ports and massage icons.

3. Installing the Retainer Bar

Insert the mattress retainer bar ends into the quick-connect brackets located at the foot of the bed frame. This bar prevents the mattress from sliding during adjustments.

4. Connecting Power

Connect the power cords from the motor to the power adapter. Ensure all connections are secure. Plug the power adapter into a functioning electrical outlet. The LED under the base will flash for approximately 5 seconds to indicate power connection.

Image: Dual USB Ports. This image shows the dual USB charging ports integrated into the bed frame.

5. Placing the Mattress

Carefully place the 14" Gel Memory Foam Mattress onto the adjustable bed frame. The mattress arrives compressed and will expand fully within a few hours.

Operating Instructions

Your ESHINE adjustable bed system offers personalized comfort with its intuitive wireless remote control.

Wireless Remote Control

The wireless remote allows independent control of the head and foot sections for both sides of the split top queen bed. Familiarize yourself with the buttons:

Image: Wireless Remote Control. This image displays the wireless remote control with all its functions clearly labeled, including head/foot adjustments, massage, and memory presets.

- **Head Up/Down (Left/Right):** Adjusts the head section of each side independently.
- **Foot Up/Down:** Adjusts the foot section of each side independently.
- **Flat Button:** Returns the bed to a completely flat position.
- **Zero-G Preset Position (ZG):** Elevates the head and feet to a position that mimics weightlessness, reducing pressure on the back.
- **Memory Positions (M1, M2):** Save your favorite head and foot positions for quick recall.
- **Anti Snore:** Adjusts the head to a slight incline to help reduce snoring.
- **Massage On/Off:** Activates or deactivates the massage function.
- **Massage Mode Select (3 Modes):** Cycles through different massage patterns.
- **Head Massage (3 Intensities):** Adjusts the intensity of the head massage.
- **Foot Massage (3 Intensities):** Adjusts the intensity of the foot massage.
- **Under Bed LED On/Off:** Controls the integrated underbed night light.

Adjusting Positions

Use the dedicated buttons on the remote to raise or lower the head and foot sections to your desired comfort level. The split top design allows each user to customize their side independently.

EGOHOME Adjustable Bed Frame and 14 inch Mattress Set

Video: EGOHOME Adjustable Bed Frame and 14 inch Mattress Set. This video illustrates the adjustable features of a similar bed frame and mattress set, including head and foot elevation.

USB Charging Ports

Dual USB charging ports are located on both sides of the bed frame, allowing you to conveniently charge your electronic devices while relaxing.

Underbed Night Light

Activate the underbed night light using the remote control for soft illumination, providing safety and convenience during nighttime movements.

Maintenance

Bed Frame Care

- Regularly check all bolts and connections to ensure they are tight.
- Wipe the frame with a damp cloth to remove dust. Avoid harsh chemicals.
- Keep the motor and electrical components free from dust and moisture.

Mattress Care

- Rotate the mattress every 3-6 months to ensure even wear.
- Use a mattress protector to guard against spills and stains.
- Spot clean any stains with a mild detergent and water. Allow to air dry completely.

Troubleshooting

Problem	Possible Cause	Solution
Bed does not operate	Power cord disconnected; Remote batteries low/dead	Check power connections; Replace remote batteries.
Motor makes noise	Normal operation; Obstruction under bed	Some motor noise is normal; Check for obstructions and remove.
Remote not pairing	Pairing sequence not followed	Refer to remote pairing instructions in the full manual (if applicable).
