SAFETY INFORMATION

WARNING: This product can expose you to chemical Di(2-ethylhexyl)phthalate (DEHP) and Lead which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/furniture.

- Ensure all parts are present and undamaged before assembly.
- Do not overtighten screws during assembly.
- Do not stand on the stool.
- Do not exceed the maximum weight capacity of 300 lbs.
- Keep children away from the product during assembly.
- Regularly check all connections to ensure they remain tight.

PACKAGE CONTENTS

Please verify that all components listed below are included in your package:

- Integrated Backrest & Seat (2 units)
- Base with Footrest and Gas Lift (2 units)
- Assembly Hardware Kit (screws, washers, Allen wrench)
- Instruction Manual

ASSEMBLY INSTRUCTIONS

Assembly is straightforward and typically takes less than 10 minutes per stool. Follow these steps:

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Remove the protective cap from the top of the gas lift cylinder on the base.
3. Align the integrated backrest and seat unit with the top of the gas lift cylinder.
4. Carefully press the seat unit onto the gas lift cylinder until it is securely seated.
5. Ensure all connections are firm. No additional tools are typically required beyond what is provided.

OPERATING INSTRUCTIONS

Height Adjustment

To adjust the height of the bar stool:

- **To raise the seat:** While standing, pull the lever located under the seat upwards. The seat will automatically rise. Release the lever when the desired height is reached.
- **To lower the seat:** While seated, pull the lever located under the seat upwards. The seat will lower under your weight. Release the lever when the desired height is reached.

Swivel Function

The bar stool features a 360-degree swivel seat for easy movement and versatility. Simply rotate the seat in any direction as needed.

MAINTENANCE & CARE

Proper care will extend the life of your bar stools:

- **Cleaning:** The PU leather surface is water-resistant and easy to clean. Wipe spills immediately with a damp cloth. For general cleaning, use a soft cloth with a few drops of mild cleanser and then wipe dry. Avoid harsh chemicals or abrasive cleaners.
- **Inspection:** Periodically check all screws and connections to ensure they are tight. Retighten if

necessary.

- **Protection:** Avoid exposing the stools to direct sunlight or extreme temperatures, which can damage the PU leather.

TROUBLESHOOTING

| Problem | Possible Cause | Solution |
|-----------------------------------|-------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Stool is wobbly after assembly. | Screws are not fully tightened or parts are not properly aligned. | Ensure all screws are securely tightened. Disassemble and reassemble if necessary, ensuring proper alignment of components. |
| Height adjustment not working. | Protective cap on gas lift not removed, or gas lift is faulty. | Verify the protective cap has been removed from the gas lift. If the issue persists, contact customer support. |
| Stool makes noise when swiveling. | Lack of lubrication in the swivel mechanism. | Apply a small amount of silicone-based lubricant to the swivel mechanism under the seat. |

SPECIFICATIONS

Product Dimensions: 19.5"D x 17"W x 36.5"H

Color: Blue

Brand: Yaheetech

Size: Set of 2

Seat Height: 25 Inches (adjustable)

Seat Width: 17 Inches

Assembly Required: Yes

Number of Items: 2

Item Weight: 33.3 pounds (per set)

Manufacturer: Yaheetech

Item Model Number: YT60kd0004001

Country of Origin: Vietnam

Maximum Weight Capacity: 300 lbs
