SETUP

1. Charging the Speaker:

1. Locate the USB-C charging port on the side of the speaker, protected by a rubber flap.
2. Gently open the rubber flap.
3. Connect the provided USB-C cable to the speaker's charging port and the other end to a compatible USB power source (e.g., wall adapter, computer USB port).
4. The indicator light will illuminate to show charging status.
5. Once fully charged, the indicator light may change color or turn off. Close the rubber flap securely to maintain waterproofing.

2. Powering On/Off:

- To power on, press and hold the power button () for approximately two seconds. An audible tone will confirm power-on.
- To power off, press and hold the power button again for two seconds.

3. Bluetooth Pairing:

1. Ensure the speaker is powered on and in pairing mode (the Bluetooth indicator light will flash).
2. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
3. Select "4GO" from the list of devices.
4. Once connected, the Bluetooth indicator light will become solid, and an audible tone will confirm successful pairing.

IP67 Waterproof for Any Adventure

Take It to the Pool, Beach, or Even the Rain!

OPERATING INSTRUCTIONS

Button Functions:

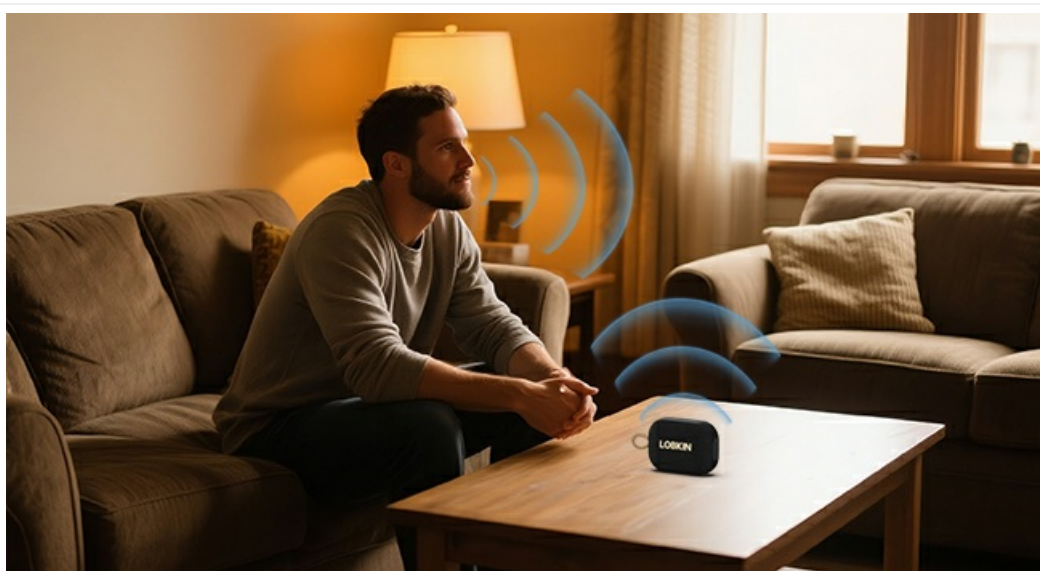

Image: A clear diagram illustrating the functions of each button on the LOBKIN 4GO speaker, including power, Bluetooth, volume, and playback controls.

- **Power Button ():** Press and hold for 2 seconds to power on/off.
- **Bluetooth Button ():** Single click to enter Bluetooth pairing mode.
- **Volume Down (-):** Single click to decrease volume. Long press for previous song.
- **Play/Pause ():** Single click to play or pause audio.
- **Volume Up (+):** Single click to increase volume. Long press for next song.

Wireless Stereo Pairing (TWS):

To achieve true wireless stereo sound, you can pair two LOBKIN 4GO speakers together:

1. Ensure both 4GO speakers are powered on and not connected to any other Bluetooth device.
2. Connect one speaker to your phone via Bluetooth as described in the "Bluetooth Pairing" section. This will be your primary speaker.
3. On both speakers, press and hold the Bluetooth button for 2 seconds. You will hear an indication tone.
4. The speakers will automatically search and pair with each other. Once paired, you will hear a confirmation tone, and the Bluetooth indicator on the secondary speaker will become solid.
5. You can now enjoy synchronized stereo audio from both speakers.

MAINTENANCE

- **Cleaning:** Use a soft, damp cloth to clean the speaker. Do not use harsh chemicals or abrasive cleaners.
- **Waterproofing:** Always ensure the rubber flap covering the charging port is securely closed when near water to maintain IP67 waterproof rating.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** For optimal battery life, avoid fully discharging the speaker frequently. Charge it regularly, even if not in use for extended periods.
