PeacefulHues PHO_0WLSPGLA-CXT-br-3I3o

PeacefulHues Small Liquor Cabinet with LED Light User Manual

Model: PHO_0WLSPGLA-CXT-br-3I3o

1. INTRODUCTION

Thank you for choosing the PeacefulHues Small Liquor Cabinet with LED Light. This manual provides essential information for the safe assembly, operation, and maintenance of your new cabinet. Please read these instructions carefully before beginning assembly and retain them for future reference.

This image displays the fully assembled PeacefulHues Small Liquor Cabinet, showcasing its compact corner design, integrated LED lighting, and storage capacity for various bottles and stemware.

2. IMPORTANT SAFETY INFORMATION

To ensure safe use and prevent damage, please observe the following:

- **Read All Instructions:** Familiarize yourself with all assembly steps and safety warnings before use.
- **Adult Assembly Required:** This product requires adult assembly. Keep small parts away from children during assembly.
- **Use Anti-Tip Device:** Always install the included anti-tip device to secure the cabinet to a wall. Failure to do so can result in serious injury or death from tipping furniture.
- **Weight Limits:** Do not exceed the recommended weight capacity for each shelf. Overloading can compromise stability and cause damage. Refer to the specifications section for details.

- **Stable Surface:** Place the cabinet on a level and stable surface. Use the adjustable feet to ensure stability on uneven floors.
- **Proper Tools:** Use appropriate tools for assembly as indicated in the instructions. Do not overtighten screws.
- **Electrical Safety:** When connecting the LED light, ensure the power source is appropriate and follow all electrical safety guidelines. Keep cords away from water and heat sources.

3. PACKAGE CONTENTS

Before assembly, verify that all parts are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Wooden Panels (various sizes for shelves, cabinet body, door)
- Metal Frame Components
- LED Light Strip with Power Adapter and Remote Control
- Detachable Wine Glass Holder
- Adjustable Feet
- Anti-Tip Hardware
- Assembly Hardware (screws, bolts, connectors, etc.)
- Assembly Tools (e.g., Allen wrench, if included)
- Instruction Manual

4. SETUP AND ASSEMBLY

Follow these steps carefully to assemble your PeacefulHues Liquor Cabinet. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

4.1. Preparation

- Clear a spacious area for assembly.
- Unpack all components and lay them out, comparing them with the parts list.
- Gather necessary tools (screwdriver, hammer if needed, and any included tools).

4.2. Assembly Steps

1. **Assemble the Metal Frame:** Connect the main metal frame components using the provided screws and connectors. Ensure all connections are secure but do not overtighten initially.
2. **Attach Wooden Panels:** Secure the wooden shelves and cabinet side panels to the metal frame. Pay attention to the orientation of each panel.
3. **Install Lower Cabinet Door:** Attach the hinges to the lower cabinet door and then to the main cabinet structure. Ensure the door opens and closes smoothly.
4. **Install Wine Glass Holder:** Attach the detachable wine glass holder to the designated area under the middle shelf.
5. **Attach Adjustable Feet:** Screw the adjustable feet into the bottom of the cabinet frame.

6. **Install LED Light Strip:** Carefully adhere the LED light strip to the designated area within the cabinet. Connect the power adapter.
7. **Final Tightening:** Once all components are in place, carefully tighten all screws and bolts.
8. **Install Anti-Tip Device:** Secure the anti-tip strap to the top rear of the cabinet and then to a wall stud using appropriate wall anchors. This step is crucial for safety.

5. OPERATING INSTRUCTIONS

5.1. LED Light Operation

The integrated LED light strip enhances the ambiance of your cabinet. Use the provided remote control to manage

its functions.

- **Power On/Off:** Press the power button on the remote to turn the LED light on or off.
- **Color Selection:** Use the color buttons on the remote to choose from various vibrant colors.
- **Brightness Adjustment:** Adjust the brightness levels using the designated buttons on the remote.
- **Flashing Modes:** Select from multiple flashing or dynamic modes to create different effects.

This image demonstrates the LED lighting feature, showing various color settings and how they can change the ambiance of the cabinet and the surrounding space.

The liquor cabinet is shown in a home environment, with its blue LED lighting activated, highlighting its aesthetic appeal and how it complements room decor.

5.2. General Usage

- **Storage:** Utilize the five tiers of storage space for bottles, glasses, and other bar accessories. The lower cabinet provides enclosed storage.
- **Glass Holder:** Hang wine glasses upside down in the detachable stemware holder for convenient access and dust protection.
- **Adjustable Shelves:** The cabinet features adjustable shelves to accommodate items of varying heights. Adjust as needed before placing heavy items.

The cabinet is shown with its mesh-fronted lower door open, illustrating the internal storage compartments suitable for larger bottles and accessories.

A detailed view of one of the cabinet's shelves, demonstrating its capacity and versatility for storing various items, not limited to beverages.

6. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your liquor cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Promptly wipe up any spills to prevent water stains, especially on the wooden surfaces. The cabinet features a water-resistant surface for easier cleaning.
- **Dusting:** Regularly dust the cabinet with a dry, soft cloth.
- **Stability Check:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary. Verify the anti-tip device is still securely attached.
- **LED Light Care:** Keep the LED light strip and power adapter dry. If the LED light malfunctions, contact

customer support; do not attempt to repair it yourself.

7. TROUBLESHOOTING

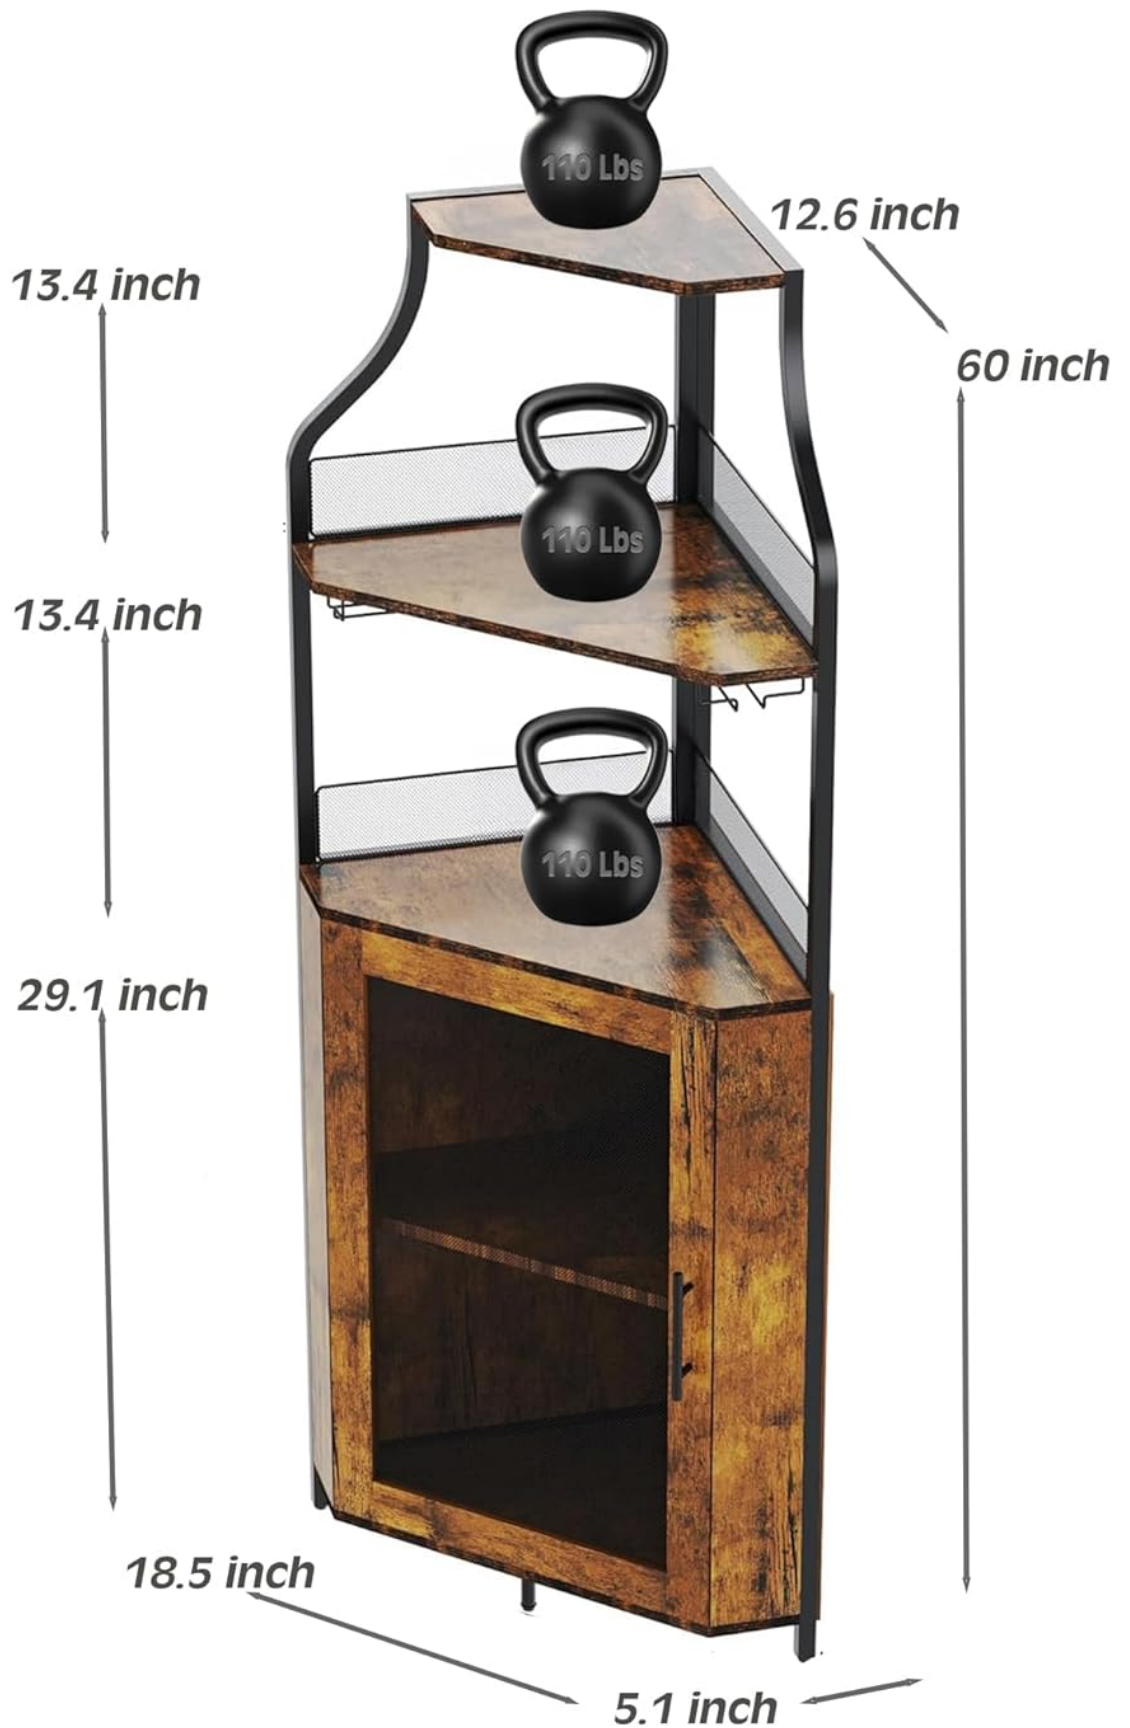

If you encounter any issues with your cabinet, refer to the following common problems and solutions:

| Problem | Possible Cause | Solution |
|---|---|--|
| Cabinet is wobbly or unstable. | Uneven floor; loose adjustable feet; loose assembly screws. | Adjust the leveling feet until the cabinet is stable. Check and tighten all assembly screws. Ensure the anti-tip device is properly installed. |
| LED light does not turn on. | Power adapter not connected; remote control battery dead; LED strip connection loose. | Ensure the power adapter is securely plugged into an outlet and the LED strip. Replace remote control batteries. Check the connection of the LED strip to the power adapter. |
| Parts missing or damaged during unboxing. | Packaging error or transit damage. | Do not proceed with assembly. Contact PeacefulHues customer support immediately with your purchase details. |
| Door does not close properly. | Hinges misaligned or loose. | Adjust or tighten the hinge screws until the door aligns and closes smoothly. |
