Key Features:

- **HD Smart Mirror:** Offers cold, natural, and warm light settings with touch control for accurate makeup application in various environments.
- **Advanced Rock Slab Countertop:** High surface hardness, scratch and wear-resistant, easy to clean, providing a luxurious and modern aesthetic.
- **Solid Wood Frame:** Constructed from high-quality solid wood for durability, stability, and a warm, natural appearance.
- **Soft Ambient LED Lighting:** Integrated LED light strips provide gentle, non-dazzling illumination for a relaxed dressing experience.
- **Petal Chair:** An elegant and comfortable flower-shaped chair with soft cushioning, serving as both a functional seat and decorative piece.

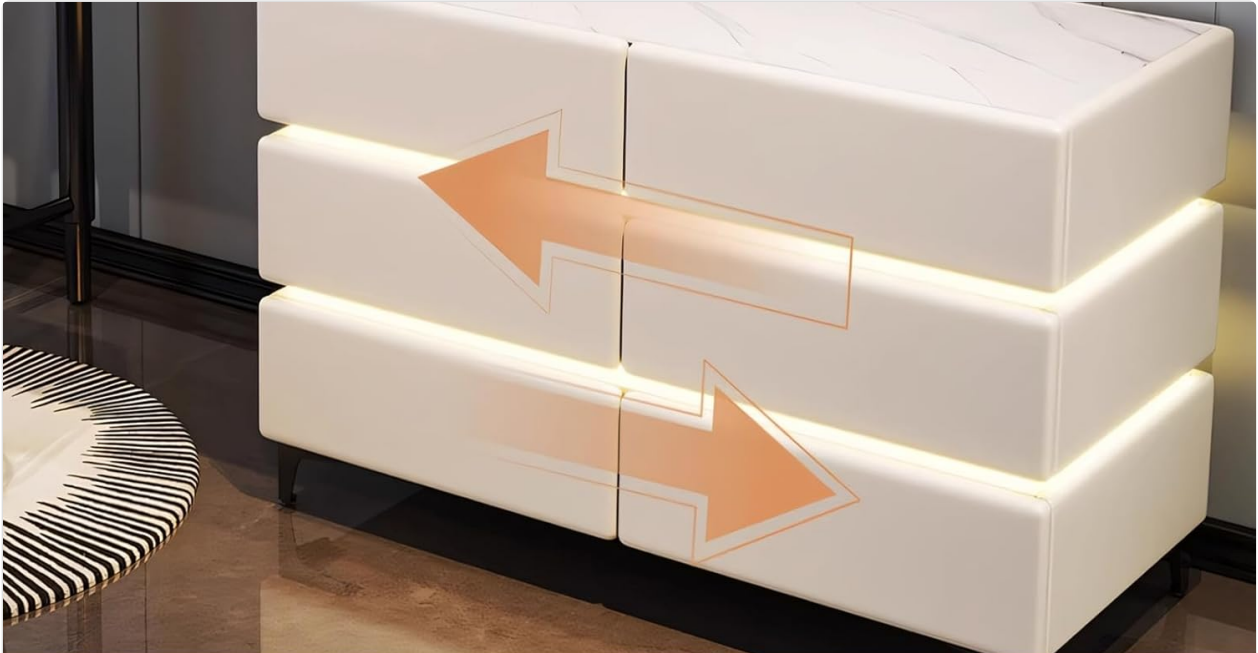

2. SETUP INSTRUCTIONS

2.1 Unpacking and Inspection

Carefully unpack all components and inspect for any damage. Ensure all parts listed in the packing list are present before beginning assembly. Keep packaging materials until assembly is complete and satisfactory.

2.2 Flexible Installation

The vanity desk and side cabinet are designed for flexible installation, allowing the side cabinet to be positioned on either the left or right side of the main desk unit. This provides adaptability to your room layout.

2.3 Assembly Steps

Follow the detailed assembly instructions provided in the separate assembly guide included with your product. Ensure all screws and fasteners are securely tightened. Do not overtighten.

2.4 Connecting Power

Once assembled, connect the power cord for the smart mirror and LED ambient lights to a suitable power outlet. Ensure the cable is not pinched or damaged.

3. OPERATING INSTRUCTIONS

3.1 Smart Mirror Operation

The HD smart mirror features touch controls for light adjustment.

- **Power On/Off:** Touch the power icon on the mirror surface to turn the light on or off.
- **Change Light Color:** Touch the color temperature icon to cycle through cold light, natural light, and warm light modes.

Image 3.1: The smart mirror's touch controls allow switching between White light, Natural Light, and Warm light settings.

- **Adjust Brightness:** Press and hold the brightness icon on the mirror surface to adjust the light intensity.

3.2 LED Ambient Light

The integrated LED ambient light strips provide soft illumination. These lights typically operate in conjunction with the main power supply and may have a separate switch or be controlled via the smart mirror's brightness function.

3.3 Storage Areas

The vanity desk includes various storage options:

- **Countertop Placement Area:** For frequently used items.
- **Three Drawer Storage Area:** Located under the main desk for smaller items.
- **Open Storage Area:** For easy access.
- **Large Drawer Storage Area:** In the side cabinet for more extensive storage needs.

4. MAINTENANCE

4.1 Rock Slab Countertop Care

The rock slab countertop is highly durable and resistant to heat and scratches. To maintain its appearance:

- **Cleaning:** Wipe spills immediately with a soft, damp cloth. For general cleaning, use a mild, non-abrasive cleaner. Avoid harsh chemicals or abrasive scrubbers.
- **Protection:** Although scratch-resistant, use coasters under hot items or heavy objects to prevent potential damage.

4.2 Solid Wood Frame Care

The solid wood frame requires minimal maintenance:

- **Cleaning:** Dust regularly with a soft, dry cloth. For deeper cleaning, use a wood-safe cleaner and wipe dry immediately.
- **Avoid Moisture:** Protect wood surfaces from excessive moisture and direct sunlight to prevent warping or fading.

4.3 Mirror and LED Lights

Clean the mirror surface with a soft, lint-free cloth and a glass cleaner. Avoid spraying cleaner directly onto the mirror's edges or electrical components. Do not attempt to disassemble the mirror or LED light strips.

5. TROUBLESHOOTING

If you encounter any issues with your LUTHXAY Makeup Vanity Desk, please refer to the following common troubleshooting tips:

Problem	Possible Cause	Solution
Mirror light not turning on	No power, loose connection, faulty switch	Check power outlet. Ensure power cord is securely plugged in. Gently touch the power icon on the mirror.
LED ambient lights not working	No power, loose connection	Verify power connection. Check for any visible damage to the light strips or wiring.
Drawers are stiff or difficult to open/close	Misalignment, debris in runners, overtightened screws	Ensure drawers are correctly aligned on their runners. Check for any obstructions. Loosen assembly screws slightly if overtightened.
Mirror light brightness/color not changing	Incorrect touch input, temporary glitch	Ensure you are touching the correct icons. Try turning the mirror off and on again.

If problems persist after attempting these solutions, please contact customer support.
