3. PRODUCT FEATURES

- **Mini Portable and Safe Design:** Made of soft, skin-friendly silicone, weighing only 3 grams per ear, with an ergonomic in-ear design for comfort and secure fit.
- **True Noise Blocking:** Achieves a noise suppression effect of 24 decibels, ideal for blocking ambient sounds.
- **Premium Stereo Sound and Clear Call:** Engineered with a 13mm dual chamber speaker driver unit for balanced sound with deep bass. Features ENC (Enhanced Noise Cancellation) technology for clear calls.
- **NEW Bluetooth 5.4 and One-Step Pairing:** Advanced Bluetooth 5.4 technology provides a fast, stable, and seamless connection with superior sound quality and strong signal up to 15m. Automatic connection to previously paired devices upon opening the charging case.
- **LED Power Display and Long Battery Life:** Charging case features an LED digital display to monitor charging status and remaining power. Earbuds offer 5-7 hours of listening time, with the case providing an additional 40 hours (total 47 hours). Supports USB-C fast charging.
- **Ergonomic Design and IPX7 Waterproof:** Soft silicone material and compact design ensure comfortable wear without earaches, even during extended use or side sleeping. IPX7 nano-coating technology makes them waterproof and sweatproof.
- **Touch Control and Wide Compatibility:** High-tech touch screen controls for calls, music playback, volume adjustment, song switching, and Siri activation. Compatible with most Bluetooth-enabled devices (iOS, Android, laptops, tablets, etc.).

What are our advantages?

- ① Comfortable and snug fit
- ② Bluetooth 5.4
- ③ 24/7 after-sales service
- ④ 30 days free warranty

4. SETUP

4.1. Charging the Earbuds and Case

1. Place the earbuds into the charging case. Ensure they are properly seated.
2. Connect the USB-C charging cable to the charging port on the case and to a power source.
3. The LED digital display on the case will show the charging status.

Manage your Sleep

It will automatically connect when the lid is opened.

Sleep mode

No power off alarm

No Low battery alarm

4.2. Pairing with Your Device

1. Open the lid of the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), go to Bluetooth settings.
3. Select "SU8" from the list of available devices to connect.
4. Once connected, you will hear an audio prompt, and the earbuds will be ready for use.

5. OPERATING INSTRUCTIONS

5.1. Touch Controls

The DUSONLAP SU8 earbuds feature intuitive touch controls for easy management of calls and music.

- **Answering Calls:** Double-tap either earbud.
- **Hanging Up Calls:** Double-tap either earbud.
- **Rejecting Calls:** Long press either earbud for 2 seconds.
- **Play/Pause Music:** Single-tap either earbud.
- **Adjust Volume:** Long press the right earbud to increase volume, long press the left earbud to decrease volume.
- **Switch Songs:** Triple-tap the right earbud for next track, triple-tap the left earbud for previous track.
- **Activate Voice Assistant (Siri):** Triple-tap either earbud.
- **Sleep Mode:** Quadruple-tap either earbud to activate sleep mode (no shutdown and low battery beep).

Adopting bluetooth rendering technology that produce stereo sound quality and crystal crisp treble.

6. MAINTENANCE

6.1. Cleaning

- Regularly clean the earbuds and charging case with a soft, dry cloth.
- Remove ear tips and clean them separately with mild soap and water if necessary. Ensure they are completely dry before reattaching.
- Avoid using harsh chemicals or abrasive materials.

6.2. Storage

- Store the earbuds in their charging case when not in use to protect them and keep them charged.
- Keep the device in a cool, dry place, away from extreme temperatures and direct sunlight.

6.3. Water Resistance

The earbuds are IPX7 waterproof, meaning they can withstand sweat and light rain. However, they are not designed for swimming or submersion in water. Ensure the charging port is dry before charging.

7. TROUBLESHOOTING

- Earbuds not pairing:** Ensure both earbuds are in the charging case, then open the lid to re-enter pairing mode. Check your device's Bluetooth settings and try reconnecting.
- No sound from one earbud:** Place both earbuds back in the case, close the lid, then open it again. This often resets the connection.
- Charging issues:** Verify the USB-C cable is securely connected to both the case and the power source.

Check the LED display for charging indicators. Ensure the charging contacts on the earbuds and case are clean.

- **Uncomfortable fit:** Experiment with different ear tip sizes provided to find the most comfortable and secure fit for your ear canal.
- **Low battery beep in sleep mode:** Ensure sleep mode is properly activated by quadruple-tapping an earbud. If the issue persists, the earbuds might be too low on battery to sustain sleep mode without a warning.
