HAKII HAKII LINK

HAKII LINK Open-Ear Wireless Earbuds User Manual

INTRODUCTION

This manual provides essential information for the safe and effective use of your HAKII LINK Open-Ear Wireless Earbuds. Designed for comfort and situational awareness, these earbuds feature Bluetooth 5.4 connectivity, IPX5 water resistance, and touch controls. Please read this manual thoroughly before use and retain it for future reference.

WHAT'S IN THE BOX

Verify that all items are present upon unboxing:

- HAKII LINK Earbuds
- Charging Case
- USB-C Charging Cable
- User Manual

Immersive 3D Audio On The Go

Music that moves with you, everywhere

PRODUCT OVERVIEW

The HAKII LINK Open-Ear Wireless Earbuds are designed for a comfortable, secure fit that allows you to remain aware of your surroundings while enjoying high-quality audio. Each earbud weighs approximately 7.5g, featuring a flexible titanium core and soft silicone grip for stability during various activities. The open-ear design, combined with AbTube Technology and 12mm Hi-Fi drivers, delivers clear audio with rich bass while minimizing sound leakage.

How to Wear

01

Big part

Small part

Make small part on ear, big part behind

02

Adjust downward to wear

03

Adjust for comfort and safety

SETUP

Pairing Your Earbuds

Follow these steps to pair your HAKII LINK earbuds with your Bluetooth device:

1. Ensure Bluetooth is enabled on your device (e.g., smartphone, tablet).
2. Open the charging case lid. The earbuds will automatically power on and enter pairing mode, indicated by a slow blinking white light on the case.
3. On your device, navigate to Bluetooth settings and select "HAKII LINK" from the list of available devices.
4. Once connected, the white light on the charging case will turn off, indicating successful pairing.

WEARING INSTRUCTIONS

Proper placement ensures optimal sound quality and comfort. The earbuds are designed to clip securely onto your earlobe.

1. Hold the earbud with the small part on your ear and the big part behind.
2. Align the earbud with the edge of your outer ear.
3. Gently insert the earbud into the ear canal.
4. Adjust the earbuds slightly up or down until they fit snugly and the sound is clear.

Sound Stays In, Stays Private

Our Hybrid 2-Way Driver System focuses audio directly into your ear. The isolated balanced armature near the ear canal effectively contains sound, especially critical mids and highs

Image: A visual display of the HAKII LINK earbuds and their charging case, emphasizing the battery life: 6 hours of use for the earbuds alone and an additional 18 hours of playtime provided by the charging case.

HAKII App

Enhance your experience with the HAKII App, available for download on your smartphone. The app allows for personalized settings and additional features:

- **Personalized EQ Modes:** Customize your audio with preset EQ modes or create your own sound profiles.
- **Multi-Device Switching:** Seamlessly switch between connected devices.
- **Find My Earbuds:** Locate misplaced earbuds.
- **Voice Control:** Enable or disable voice commands.
- **Remote Camera Control:** Access camera functions directly from the app.
- **White Noise:** Play various white noise sounds for relaxation or focus.
- **Touch Control Settings:** Assign custom actions to touch controls.
- **OTA Update:** Receive over-the-air firmware updates.

Unshakeable Comfort

We fused durable nickel-titanium with skin-soft silicone to create the ultimate clip-on earphone — secure enough for activity, comfortable enough for all day

Total Playtime (with Case)	Up to 24 Hours
Compatible Devices	Cellphones, Laptops, Tablets, Telephones, iPhone

MAINTENANCE

To ensure the longevity and optimal performance of your HAKII LINK earbuds, follow these maintenance guidelines:

- **Cleaning:** Regularly wipe the earbuds and charging case with a soft, dry cloth. Avoid using harsh chemicals or

abrasive materials.

- **Water Exposure:** While IPX5 water-resistant, avoid submerging the earbuds in water. Dry them thoroughly after exposure to sweat or rain before placing them back in the charging case.
- **Storage:** Store the earbuds in their charging case when not in use to protect them from dust and damage. Keep them in a cool, dry place away from extreme temperatures.
- **Charging:** Use the provided USB-C cable for charging. Avoid using damaged cables or chargers.

TROUBLESHOOTING

If you encounter issues with your HAKII LINK earbuds, try the following solutions:

- **No Power:** Ensure the earbuds and charging case are fully charged.
- **Pairing Issues:** Turn off and on your device's Bluetooth. Place the earbuds back in the case, close the lid, then open it again to re-enter pairing mode. If issues persist, try forgetting the device in your Bluetooth settings and re-pairing.
- **No Sound/Low Volume:** Check the volume levels on both your device and the earbuds. Ensure the earbuds are properly seated in your ears.
- **Intermittent Connection:** Ensure your device is within the Bluetooth range (10 meters) and there are no significant obstacles between the earbuds and your device.
- **Touch Control Unresponsive:** Ensure the touch area is clean and dry. Try restarting the earbuds by placing them in the case and taking them out again.

WARRANTY & SUPPORT

The HAKII LINK Open-Ear Wireless Earbuds come with a **1-year warranty** from the date of purchase. For warranty claims, technical support, or any inquiries, please contact HAKII_Official customer service through their official channels or the retailer where the product was purchased.
