SAIMAND YHD01

SAIMAND YHD01 Wireless USB Rechargeable Wall Sconces Instruction Manual

Model: YHD01 | Brand: SAIMAND

1. Introduction

Thank you for choosing the SAIMAND YHD01 Wireless USB Rechargeable Wall Sconces. This manual provides essential information for the safe and efficient use of your new wall lights. These 30-inch LED dimmable picture lamps are designed for versatility and convenience, featuring a powerful 8000mAh rechargeable battery, 360° rotation, and remote control functionality. Ideal for enhancing the ambiance of living rooms, bedrooms, hallways, and more, without the need for complex wiring.

2. What's Included

Your SAIMAND YHD01 package includes the following components:

- 2 x Wall Light Connectors (Base Units)
- 4 x Light Tubes (LED Strips)
- 2 x Mounting Light Pieces (Wall Mounts)
- 2 x Screw Packs (for installation)
- 2 x USB Charging Cables
- 2 x Remote Controls
- 1 x Pair of Gloves
- 1 x Instruction Manual

3. Setup & Installation

The SAIMAND YHD01 wall sconces are designed for easy, no-wiring installation, making them suitable for renters or DIY enthusiasts. All necessary parts are provided.

3.1 Assembly

1. Carefully unpack all components. It is recommended to wear the provided gloves to prevent fingerprints on the metal surfaces.

2. Connect the light tubes to the wall light connectors. Apply slight pressure and twist until they are securely in place. Ensure proper connection for functionality.

3.2 Mounting

The wall sconces can be mounted either vertically or horizontally.

1. Identify your desired mounting location. Use a level to ensure the mounting light pieces are straight.
2. Secure the mounting light pieces to the wall using the provided screws. The design allows for both vertical and horizontal hanging.
3. Align the back card slot of the assembled light unit with the notch of the mounted hanging board and gently hang it. Pull gently to test if it is buckled firmly.

3.3 Initial Charging

Before first use, fully charge the sconces. Each sconce features a powerful 8000mAh rechargeable battery. Fully charges in 5–7 hours via USB.

- Locate the USB charging port on the base unit.
- Connect the provided USB charging cable to the port and a suitable USB power adapter (not included).
- The indicator light will show charging status (e.g., red for charging, green for fully charged).

4. Operating Instructions

Your SAIMAND wall sconces can be operated via the remote control or the manual on/off button on the base unit.

4.1 Remote Control Functions

The wireless battery-powered wall lamp comes with a remote control for convenient operation. One remote can control both lights

in a pair.

- **Power On/Off:** Press the power button to turn the lights on or off.
- **Brightness Adjustment:** Use the brightness buttons (sun icons) to adjust the light intensity from 10% to 100%.
- **Color Temperature Adjustment:** Switch between Warm White (WW), Cool White (CW), and Neutral light settings.
- **Night Light Function:** Activate the night light mode for a soft, low-intensity light, ideal for not disturbing others.
- **Timer Setting:** Set a timer for 1, 2, or 4 hours, after which the lights will automatically turn off.

4.2 Manual Operation

A manual on/off button is located on the side of the base unit for direct control.

5. Product Features

- **360° Rotatable Lamp Tube:** The integrated LED strip can be rotated 360 degrees, allowing you to direct the light precisely where needed.
- **Eye-Caring LED:** The integrated LED strip delivers flicker-free, uniform light through a PC diffuser, providing a soft and comfortable illumination without straining your eyes. No bulb replacement is needed.
- **Premium Anti-Rust Metal Finish:** Features a sleek matte finish that is rust-resistant and scratch-proof, ensuring durability and a modern aesthetic.
- **Long-Lasting Battery:** The 8000mAh rechargeable battery provides up to 42 hours of light on the lowest setting, or 12 hours at full brightness.

6. Specifications

Attribute	Value
Brand	SAIMAND
Model Number	YHD01
Color	Black
Material	Aluminum, Metal, Polycarbonate
Style	Modern
Power Source	Battery Powered

Battery Capacity	8000mAh (Rechargeable)
Charging Time	5-7 hours via USB
Battery Life	Up to 42 hours (lowest setting), 12 hours (full brightness)
Light Source	LED
Brightness	150 Lumen
Wattage	5 watts
Voltage	4 Volts
Control Method	Remote Control, Manual Button
Special Features	Dimmable (10%-100%), Timer (1H, 2H, 4H), Night Light Function, 360° Rotation
Item Dimensions (L x W x H)	30"L x 4.72"W x 4.72"H
Item Weight	2.29 Kilograms (approx. 5 lbs)
Indoor/Outdoor Usage	Indoor

7. Maintenance

To ensure the longevity and optimal performance of your SAIMAND wall sconces, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe down the surfaces of the sconces. Avoid abrasive cleaners or solvents that could damage the finish.
- **Battery Care:** Recharge the batteries when the light output diminishes. Avoid completely draining the battery frequently to prolong its lifespan. If storing for an extended period, charge the battery to about 50% and recharge every few months.
- **Environmental Conditions:** These lights are designed for indoor use. Avoid exposing them to excessive moisture or extreme temperatures.

8. Troubleshooting

If you encounter any issues with your SAIMAND wall sconces, please refer to the following common solutions:

- **Light Not Turning On:**
  - Ensure the battery is fully charged.
  - Check if the light tubes are securely connected to the base unit.
  - Verify the remote control battery is functional.
- **Remote Control Not Working:**
  - Ensure the remote control battery is installed correctly and has power.
  - Point the remote directly at the light's sensor.
  - Note that one remote can control both lights in a pair.
- **Light Flickering:**
  - The battery might be low; recharge the unit.
  - Ensure the light tubes are firmly connected.

If these steps do not resolve the issue, please contact customer support.

9. Warranty & Support

SAIMAND provides a 1-year manufacturer's warranty for your wall sconces. If you encounter any quality problems (such as battery or bulb failure) within one year of purchase, please contact us.

- **Contact Us:** Send us a message through Amazon. Our dedicated customer service team guarantees a prompt response within 24 hours.
- **Replacement Policy:** We promise to replace your light for free if it falls under warranty conditions.
- **Installation Assistance:** If you need help with installation, send us a message. We'll guide you remotely until the light comes on!
