

WLIVE ASNG135BL

WLIVE ASNG135BL Black LED Dresser with 4 Drawers and Charging Station User Manual

Model: ASNG135BL

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your WLIVE ASNG135BL Black LED Dresser. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

IMPORTANT SAFETY INFORMATION

- Always follow assembly instructions carefully.
- Ensure all parts are securely fastened before use.
- Do not overload drawers or the top surface. The countertop can bear up to 66 lbs, and each drawer up to 22 lbs.
- Install the anti-tip device to prevent accidental tipping, especially in households with children or pets.
- Keep electrical components (charging station, LED lights) away from water.
- The electrical components are UL/ETL certified for safety.

SETUP AND ASSEMBLY

Assembly of the WLIVE ASNG135BL dresser is designed to be straightforward. All necessary tools, clearly marked screw positions, and pre-drilled holes are provided. One person can typically complete the assembly.

Assembly Steps:

1. **Unpack and Verify:** Carefully unpack all components and compare them against the parts list provided in the separate assembly guide. Report any missing or damaged parts immediately.

2. **Prepare Workspace:** Assemble the dresser on a soft, clean surface to prevent scratches.
3. **Follow Instructions:** Refer to the detailed assembly guide included in your package. Follow each step sequentially to ensure correct construction.
4. **Drawer Installation:** Ensure drawer rails are installed correctly for smooth operation.
5. **Anti-Tip Kit Installation:** For safety, it is crucial to install the included anti-tip device. Securely fasten the dresser to the wall using the provided hardware.

Figure 1: Anti-Tip Kit Installation. This image illustrates the correct method for attaching the anti-tip kit to the dresser and securing it to the wall, preventing accidental tipping.

Placement:

This dresser is suitable for various rooms including bedrooms, living rooms, hallways, and closets. Ensure the chosen location allows for proper access to drawers and the charging station.

OPERATING INSTRUCTIONS

LED Lighting System:

The integrated LED lights offer customizable ambiance. Control the lighting using the provided remote control

or a compatible smartphone application.

- **Color Selection:** Choose from over 6000 colors to match your preference.
- **Scene Modes:** Select from 12 pre-set scene modes for various atmospheres.
- **Brightness and Speed:** Adjust the brightness and transition speed of the lights.
- **Music Synchronization:** The lights can synchronize with music, providing dynamic lighting effects.

Figure 2: LED Light Control. This image displays the dresser with its LED lights active, alongside a smartphone illustrating the application interface used for controlling the light settings, including color, mode, and music sync.

Integrated Charging Station:

The dresser features a convenient charging station to power your electronic devices.

- **AC Outlets:** Two 125V/12A AC sockets are available for standard plugs.
- **USB Ports:** Two 5V/2A USB ports are provided for charging smaller devices.
- **Power Cord:** The charging station is powered by a 4.9-foot flexible cable.
- **Safety:** The electrical components are UL/ETL certified.

Figure 3: Charging Station Details. This close-up view highlights the integrated charging station on the dresser's top, featuring two AC power outlets and two USB ports, demonstrating its functionality with connected devices.

MAINTENANCE AND CARE

Cleaning:

The dresser is constructed from high-quality artificial wood, which is scratch-resistant and easy to clean.

- Wipe surfaces with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- Promptly clean up spills to prevent staining.

Drawer Care:

The drawers are equipped with smooth rails and strong metal handles.

- Periodically check drawer slides for smooth operation. If needed, a small amount of silicone lubricant can be applied.
- Ensure drawers are not overloaded to maintain smooth function and prevent damage.

- The extra support plate at the bottom of each drawer enhances load-bearing capacity.

TROUBLESHOOTING

Common Issues and Solutions:

- **Assembly Difficulties:** If you encounter issues during assembly, such as misaligned parts or stripped screws, double-check the assembly guide. Ensure all pieces are oriented correctly. Contact customer support if parts are defective or missing.
- **LED Lights Not Working:**
 - Ensure the power cord for the LED lights is securely plugged into a working outlet.
 - Check the connection of the LED strip to the power source.
 - Verify that the remote control or app is properly paired and has fresh batteries (if applicable).
- **Charging Station Not Functioning:**
 - Confirm the dresser's main power cord is plugged into a live electrical outlet.
 - Test the outlets and USB ports with different devices to isolate the issue.
 - Avoid exceeding the maximum power output for the charging station.
- **Drawers Not Sliding Smoothly:**
 - Ensure drawers are not overloaded.
 - Check that the drawer slides are clean and free of obstructions.
 - Verify that the drawer slides were installed correctly during assembly.
- **Dresser Instability:**
 - Confirm all assembly hardware is tightened.
 - Ensure the dresser is placed on a level surface.
 - Verify the anti-tip kit is correctly installed and secured to the wall.
