HOOBRO BF02HJ01

HOOBRO Plant Stand BF02HJ01 Instruction Manual

Model: BF02HJ01 | Brand: HOOBRO

1. INTRODUCTION

Thank you for choosing the HOOBRO Plant Stand BF02HJ01. This multi-tier plant stand is designed to organize and display your plants efficiently, adding a touch of rustic charm to your living space. This manual provides detailed instructions for assembly, usage, maintenance, and troubleshooting to ensure safe and optimal use of your product.

2. SAFETY INFORMATION

- Read all instructions carefully before assembly and use.
- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not exceed the maximum load capacity of 14.97 kg (33 lbs) for the entire stand. Distribute weight evenly across the shelves.
- Place the plant stand on a flat, stable, and level surface to prevent tipping.
- Avoid placing heavy items on the top shelves to maintain stability.
- Do not climb on or allow children to play on the plant stand.
- Use caution when moving the assembled stand to prevent damage or injury.

3. PACKAGE CONTENTS

Please check the package contents against the list below. If any parts are missing or damaged, please contact customer support.

- Metal Frame Components (various lengths and shapes)
- Round Shelf Panels (7 pieces)
- Screws and Fasteners
- Hex Key (Allen Wrench)
- Non-Slip Pads (for base)
- Instruction Manual

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required for this plant stand. Please follow these steps carefully. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Identify Components:** Unpack all parts and identify them using the provided parts list (if available). Separate the metal frame pieces, shelf panels, and hardware.
2. **Assemble Base Frame:** Begin by connecting the base metal frame pieces. Ensure they are aligned correctly before tightening screws.
3. **Attach Vertical Supports:** Secure the main vertical metal supports to the assembled base frame using the provided screws and hex key.
4. **Install Shelf Panels:** Attach the round shelf panels to the metal frame at their designated positions. Ensure each panel is securely fastened. The stand features 7 levels for plant display.

5. **Secure Metal Frame Connections:** Ensure all metal frame connections are firm and stable. The frame is designed for stability and load-bearing capacity.

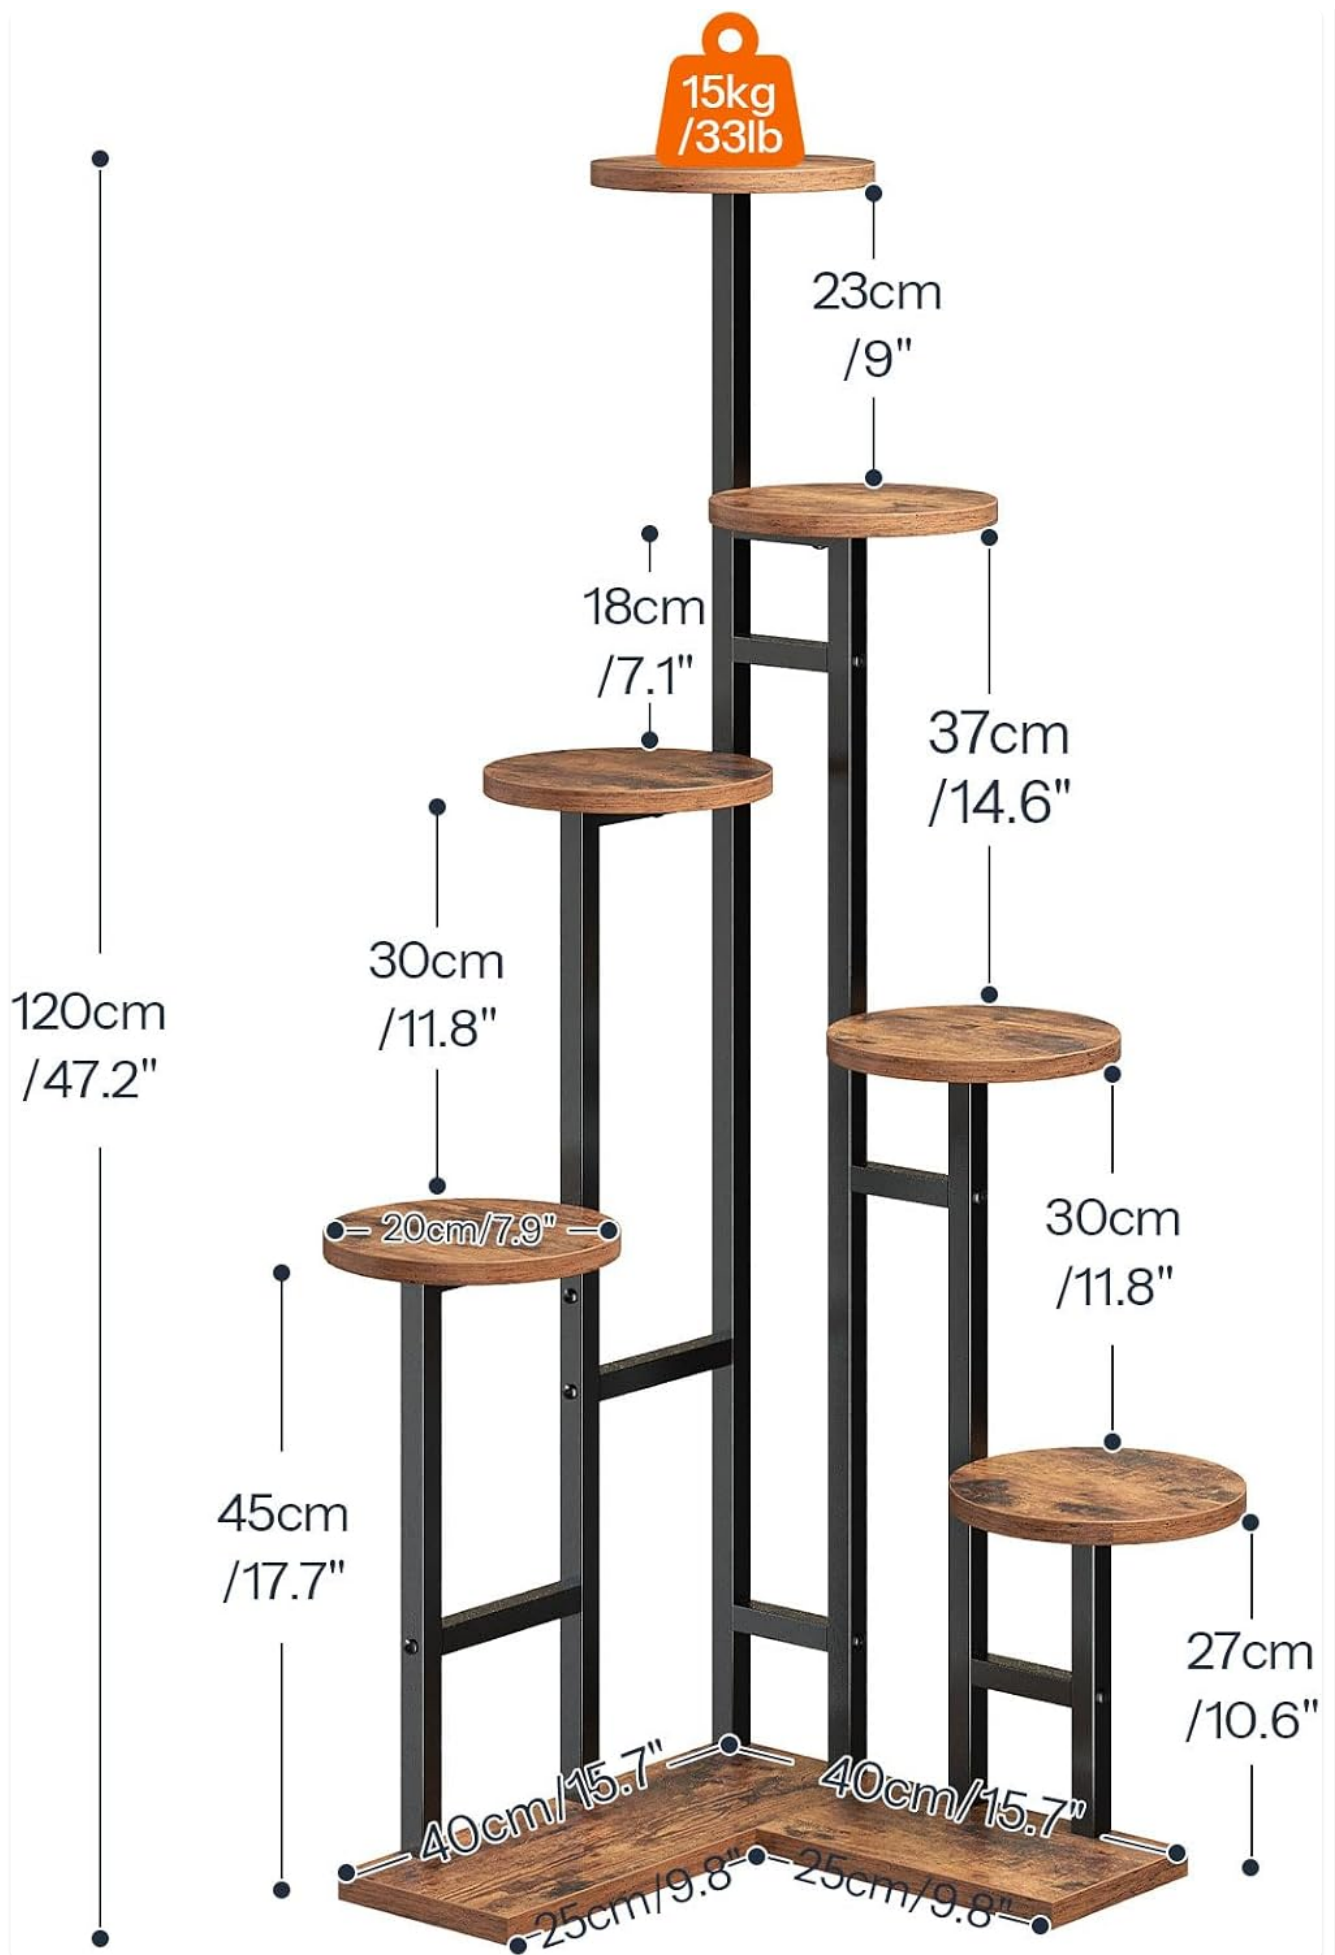

Image: A section of the black metal frame, illustrating its robust construction and connection points.

6. **Attach Non-Slip Pads:** Apply the non-slip pads to the bottom of the base frame to enhance stability and protect

your floor from scratches.

- 7. Final Check:** Once assembled, gently shake the stand to ensure all connections are secure and the stand is stable.

Sturdy Panels

Premium engineered wood for easy daily cleaning.

Image: The HOOBRO Plant Stand BF02HJ01, fully assembled and decorated with plants, situated in a corner of a room with a desk.

5. OPERATING INSTRUCTIONS

- **Placement:** Position the plant stand in a desired location on a flat, stable surface. The corner design is ideal for maximizing space.
- **Loading Plants:** Carefully place potted plants onto the shelves. Distribute the weight as evenly as possible.
- **Weight Capacity:** Do not exceed the individual shelf capacity or the total stand capacity of 14.97 kg (33 lbs).
- **Watering:** When watering plants, ensure that excess water does not drip onto the shelves or floor. Consider using drip trays under pots to protect the engineered wood panels.

Metal Frame

Sturdy and stable with excellent load-bearing capacity.

6. MAINTENANCE

- **Cleaning:** Wipe the plant stand with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Immediately wipe up any water spills or moisture to prevent damage to the engineered wood panels.
- **Tightening:** Periodically check all screws and connections and re-tighten them as needed to maintain stability.
- **Environmental Conditions:** While suitable for indoor use, avoid prolonged exposure to direct sunlight or high humidity, which can affect the material's longevity.

7. TROUBLESHOOTING

- **Stand is Wobbly:**
 - Ensure all screws are fully tightened.
 - Verify the stand is placed on a flat and level surface.
 - Check if non-slip pads are properly attached to all base points.
- **Parts Missing/Damaged:**
 - Review the package contents list.
 - Contact HOOBRO customer support for assistance.
- **Difficulty Assembling:**
 - Re-read the assembly instructions carefully.
 - Ensure components are oriented correctly as shown in diagrams.
 - Do not overtighten screws until all parts are loosely fitted.
