## WLIVE ASNG136

# WLIVE Fluted 5-Drawer Dresser Instruction Manual

Model: ASNG136 | Brand: WLIVE

## 1. INTRODUCTION

---

Thank you for choosing the WLIVE Fluted 5-Drawer Dresser. This dresser features a unique wavy grooved panel design, golden metal handles, and stable eight-shaped table legs, offering both aesthetic appeal and practical storage. With five spacious drawers, it is designed to help organize your bedroom, living room, hallway, or closet. This manual provides essential information for safe assembly, proper use, and maintenance of your new dresser.

## 2. SAFETY INFORMATION

---

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or product damage.

- **Anti-Tipping Device:** Always install the included anti-tipping device to secure the dresser to the wall. This is crucial to prevent the dresser from tipping over, especially in households with children or pets.
- **Weight Limits:** The wooden tabletop can support up to 110 lbs (50 kg). Each drawer can hold up to 22 lbs (10 kg). Do not exceed these weight limits.
- **Even Distribution:** Distribute weight evenly across the drawers and on the tabletop to maintain stability.
- **Assembly:** Assemble the dresser on a soft, clean surface to prevent scratches. Ensure all fasteners are tightened securely before use.
- **Supervision:** Do not allow children to climb on or play with the dresser.

## 3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts and hardware are present and undamaged. Refer to the assembly instructions video for a visual guide to all components.

### Hardware (Example, refer to video for full list):

- A: Screws (various sizes)
- B: Cam Locks
- C: Wooden Dowels
- D: Drawer Glides (Left & Right)
- E: Handles
- Anti-Tipping Kit

### Wooden Panels (Example, refer to video for full list):

- Top Panel
- Bottom Panel
- Side Panels (Left & Right)

- Back Panel
- Drawer Fronts (x5)
- Drawer Sides (x10)
- Drawer Backs (x5)
- Drawer Bottoms (x5)
- Legs (x4)

## 4. ASSEMBLY INSTRUCTIONS

Assembly typically requires two people. Follow the steps carefully. An Allen wrench is usually included for assembly.

### Video Guide: Installation Steps for Dresser

*Video 4.1: Official WLIVE video demonstrating the complete assembly process for the dresser.*

### Step-by-Step Assembly:

1. **Prepare the Base:** Attach the four legs to the bottom panel of the dresser using the provided screws. Ensure they are securely fastened.
2. **Assemble Side Panels:** Connect the side panels to the bottom panel using cam locks and wooden dowels. Ensure the pre-drilled holes align correctly.
3. **Install Drawer Glides:** Attach the drawer glides to the inner sides of the dresser frame. Pay attention to the left (CL) and right (CR) labels on the glides to ensure correct orientation.
4. **Attach Top Panel:** Secure the top panel to the assembled frame using cam locks and screws.
5. **Assemble Drawers:** For each of the five drawers, connect the front, back, and side panels. Slide the drawer bottom into the grooves. Attach the drawer handles to the front panels.
6. **Install Drawer Glides on Drawers:** Attach the corresponding drawer glides to the sides of each assembled drawer.
7. **Insert Drawers:** Carefully slide each assembled drawer into its designated slot in the dresser frame, ensuring the glides engage smoothly.
8. **Install Anti-Tipping Device:** Follow the instructions provided with the anti-tipping kit to secure the dresser to a wall stud. This is a critical safety step.

## 5. OPERATING INSTRUCTIONS

Your WLIVE Fluted 5-Drawer Dresser is designed for ease of use and durability.

- **Drawer Operation:** The drawers are equipped with smooth metal slides for easy opening and closing. Pull and push the drawers gently using the golden metal handles.
- **Loading Drawers:** While each drawer can hold up to 22 lbs, avoid overloading them, especially with very heavy or dense items, to ensure smooth operation and longevity of the drawer bottoms.
- **Top Surface Use:** The tabletop can support up to 110 lbs. It is suitable for lamps, decorative items, or a television up to 55 inches. Avoid placing excessively hot or wet items directly on the surface without protection.

## 6. MAINTENANCE

Proper care will extend the life and appearance of your dresser.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the polished finish. The wooden board surface is water-resistant, making it easy to clean.

- **Dusting:** Regularly dust the dresser with a dry, soft cloth. The fluted panels are designed to ingeniously hide fingerprints and fine scratches, but regular dusting is still recommended.
- **Spills:** Clean spills immediately to prevent staining or damage to the finish.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration.

## 7. TROUBLESHOOTING

If you encounter any issues with your dresser, refer to the following common solutions:

- **Drawers Not Closing Smoothly:**
  - Check for obstructions within the drawer or along the glides.
  - Ensure the drawer glides are properly aligned and securely fastened to both the drawer and the dresser frame.
  - Verify that the drawer is not overloaded beyond its weight capacity.
- **Dresser Wobbles:**
  - Ensure the dresser is placed on a flat, level surface.
  - Check all assembly fasteners and tighten any that are loose.
  - Confirm the anti-tipping device is correctly installed and secured to the wall.
- **Damaged or Missing Parts:**
  - If any parts are damaged or missing upon arrival, do not proceed with assembly. Contact WLIVE customer support immediately for assistance.

## 8. SPECIFICATIONS

<b>Brand</b>	WLIVE
<b>Model Name</b>	ASNG136 Wood dresser/BL
<b>Material</b>	Wood (Engineered Wood)
<b>Finish Type</b>	Polished
