MEETION K9880

MEETION K9880 Ergonomic Foldable Bluetooth Keyboard User Manual

Model: K9880

INTRODUCTION

The MEETION K9880 is an ultra-thin, portable, and rechargeable Bluetooth keyboard designed for business travel and mobile productivity. Its ergonomic split-key layout promotes a natural typing posture, reducing strain during extended use. This manual provides detailed instructions for setting up, operating, maintaining, and troubleshooting your keyboard to ensure a seamless experience across various devices.

PRODUCT FEATURES

- **Ergonomic Split Design:** Features a V-shaped 166° angle and split-key layout to minimize hand and wrist strain.
- **Multi-Device Connectivity:** Supports simultaneous connection to up to 3 devices via Bluetooth channels, allowing one-click switching.
- **Wide Compatibility:** Compatible with iOS, Android, Windows, and Mac OS systems.
- **Silent Scissor-Switch Keys:** Provides quiet, precise, and responsive typing with a laptop-like feel.
- **Enhanced Stability:** Magnetic adsorption for secure folding and a metal support wire on the back for stable typing on uneven surfaces.
- **Long-Lasting Battery:** Equipped with a 140mAh lithium battery, offering up to 60 hours of standby time on a single charge.
- **Optimized Key Layout:** 6-row key layout with a dedicated number key row and shortcut keys for efficient workflow.
- **Compact and Portable:** Ultra-slim and foldable design for easy storage and transport.

Setup Guide

1. Charging the Keyboard

Before first use, fully charge the keyboard. Connect the provided USB Type-C cable to the keyboard's charging port and the other end to a USB power source (e.g., computer USB port, wall adapter). The power indicator light will show charging status.

- Battery Capacity: 140mAh Lithium Battery
- Charging Time: Approximately 2 hours for a full charge.
- Standby Time: Up to 60 hours.

2. Bluetooth Pairing

1. Locate the power switch on the side of the keyboard and slide it to the "ON" position.

2. Press the **Fn** key simultaneously with one of the Bluetooth channel keys (***1**, ***2**, or ***3**) to select a channel and initiate pairing mode. The corresponding Bluetooth indicator light will begin to blink, indicating it is ready for pairing.

3. On your device (smartphone, tablet, laptop), navigate to the Bluetooth settings and ensure Bluetooth is enabled.

4. Search for available devices. You should see "Meetion-KB-BT1", "Meetion-KB-BT2", or "Meetion-KB-BT3" appear in the list, corresponding to the channel you selected.

5. Select the keyboard from the list to connect. Once connected, the indicator light will stop blinking and remain solid for a few seconds before turning off.

3. System Switching

The keyboard supports multiple operating systems. Use the following key combinations to switch between system modes for optimal compatibility:

- **Fn + Q:** For iOS devices
- **Fn + W:** For Android devices
- **Fn + E:** For Windows devices
- **Fn + R:** For Mac OS devices

OPERATING INSTRUCTIONS

Key Functions

The K9880 keyboard features a comprehensive set of keys for enhanced productivity:

- **Standard Keys:** Full QWERTY layout with a dedicated number row.
- **Function (Fn) Keys:** Access various multimedia and system functions. Note that on this keyboard, the function keys (F1-F12) are the default action, and you may need to press the **Fn** key to access the secondary white-labeled

functions (e.g., brightness, volume control).

- **Emoji Shortcut Key:** A dedicated key to quickly access emoji input (supports Windows, MacBook (macOS), iPad (iPadOS), and Android Samsung devices; does not support iPhone (iOS)).
- **Additional Shortcut Keys:** Includes keys for app switching, search, screenshot, play/pause, mute, and virtual keyboard access.

Typing Stability

The keyboard is designed for stable typing in various environments:

- **Magnetic Adsorption:** The folding mechanism uses magnetic adsorption to prevent accidental opening when stored.
- **Metal Support Wire:** A built-in metal support wire on the back of the keyboard can be deployed to securely fix the keyboard in an open state, providing stability even on uneven surfaces like your lap.

Maintenance

Cleaning

The keyboard's high-quality PU leather exterior is designed to be scratch-resistant and easy to clean. Use a soft, damp cloth to wipe down the surface. Avoid using harsh chemicals or abrasive materials that could damage the finish.

Battery Care

To prolong battery life:

- The keyboard automatically enters sleep mode after 20 minutes of inactivity to conserve power. Press any key to wake it up.
- Turn off the keyboard using the side power switch when not in use for extended periods.
- Avoid exposing the keyboard to extreme temperatures.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Keyboard does not connect via Bluetooth.	Low battery; Bluetooth off on keyboard or device; incorrect channel selected; interference.	Ensure keyboard is charged. Turn keyboard ON. Verify Bluetooth is enabled on your device. Select the correct Bluetooth channel (*1, *2, or *3) on the keyboard. Move closer to the device.
Keys are unresponsive or typing is delayed.	Low battery; connection issue; system mode mismatch.	Recharge the keyboard. Re-pair the keyboard with your device. Ensure the correct system mode (Fn+Q/W/E/R) is selected for your device.
Function (F1-F12) keys do not perform expected multimedia actions.	Function keys are set to default F-key behavior.	Press the **Fn** key simultaneously with the desired function key to activate its secondary multimedia action.
Emoji key does not work.	Incompatible operating system.	The emoji key function supports Windows, MacBook (macOS), iPad (iPadOS), and Android Samsung devices. It does not support iPhone (iOS).

SPECIFICATIONS

- **Model Number:** K9880
- **Dimensions (Folded):** Approximately 7.72 x 6.1 x 1.14 inches
- **Dimensions (Unfolded):** Approximately 14.06 x 5.7 x 0.74 inches
- **Item Weight:** 12 ounces
- **Connectivity:** Bluetooth
- **Battery:** 140mAh Lithium Battery (Rechargeable via USB Type-C)
- **Number of Keys:** 80
- **Key Type:** Scissor-Switch
- **Material:** Plastic with PU Leather exterior
- **Color:** Black
- **Compatible Devices:** Laptop, PC, Smartphone, Tablet (iOS, Android, Windows, Mac OS)
