Bettdow GFS008

BETTODW Desk Fan GFS008 Instruction Manual

Model: GFS008

INTRODUCTION

Thank you for choosing the BETTDOW Desk Fan GFS008. This portable fan is designed to provide powerful and quiet airflow with versatile features for various environments. Please read this manual carefully before use to ensure proper operation and maintenance.

PRODUCT FEATURES

- **Powerful & Ultra Quiet:** Equipped with a 2300 RPM high-speed brushless motor, delivering strong airflow while maintaining noise levels below 35 decibels.
- **100 Speeds & LED Display:** Offers 100 customizable speed settings, easily adjustable with '+' and '-' buttons. A built-in LED screen clearly shows the current speed and battery level.
- **2-in-1 Design:** Functions as both a stable desktop fan and a wall-mounted fan, thanks to its pre-installed keyhole design.
- **Dynamic Ambient Lighting:** Features 6 colorful light modes (5 monochrome scrolling + five-color mixed light show) to create a personalized atmosphere. Double-click the switch to turn the ambient light on or off, single-click to cycle modes.
- **Ultra-portable & Long Battery Life:** Weighs only 676g (1.5 lbs) and includes a 4000mAh high-capacity battery. Type-C fast charging provides 2-12 hours of cooling depending on speed settings.

MAINTENANCE

Cleaning

To clean the fan, ensure it is powered off and unplugged. Use a soft, dry cloth to wipe down the exterior surfaces. For the fan blades, use a soft brush or compressed air to remove dust. Do not use abrasive cleaners or immerse the fan in water.

Storage

When not in use for extended periods, store the fan in a cool, dry place away from direct sunlight and extreme temperatures. Ensure the battery is partially charged before storage to prolong its lifespan.

TROUBLESHOOTING

- **Fan not turning on:** Ensure the fan is charged. Connect it to a power source using the Type-C cable and check the battery level on the display. Long press the power button to turn it on.
- **Weak airflow:** Check the current speed setting on the LED display and increase it using the '+' button. Ensure the fan grille is not obstructed by dust or debris.
- **Lights not working:** Double-click the power button to toggle the ambient lights. If they still do not work, ensure the fan is powered on.
- **Unusual noise:** Turn off the fan and inspect the blades and grilles for any foreign objects. If the noise persists, contact customer support.

SPECIFICATIONS

Brand	Bettdow
Model Name	GFS008
Color	Grey
Electric Fan Design	Table Fan
Power Source	AC (via USB-C charging)
Product Dimensions	4.53"D x 6.29"W x 6.89"H

Special Feature	LED Light, Digital Display, Rechargeable, Cordless
Noise Level	35 Decibels
Speed	Up to 2300 RPM (100 adjustable speeds)
Included Components	USB-C Charging Cord
Control Method	Push Button
Batteries	1 Lithium Metal battery (included)
Item Weight	1.72 pounds (676g)
Mounting Type	Desk, Wall Mount (Keyhole)
