Dowinx LS-6657D

This brilliant office chair will help you improve your posture as well. It is durable and will last you a long time, allowing you to work while being comfortable.

Dowinx Gaming Chair LS-6657D

USER MANUAL

Introduction

This manual provides comprehensive instructions for the assembly, operation, maintenance, and troubleshooting of your Dowinx Gaming Chair LS-6657D. Please read this manual carefully before use to ensure proper function and longevity of your chair. Keep this manual for future reference.

Setup and Assembly

The Dowinx Gaming Chair LS-6657D is designed for straightforward assembly. It is recommended to assemble the chair on a soft, clean surface to prevent damage to the chair or your flooring. Ensure all components are present before beginning assembly.

General Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out. Verify against the parts list provided in your packaging.
2. **Attach Wheels to Base:** Insert the five caster wheels into the holes on the chair's star base.
3. **Install Gas Lift:** Place the gas lift cylinder into the center hole of the star base.
4. **Assemble Seat Mechanism:** Attach the multi-functional tilt mechanism to the underside of the seat cushion using the provided screws.
5. **Connect Backrest to Seat:** Secure the backrest to the seat cushion using the side brackets and screws.
6. **Mount Seat onto Gas Lift:** Carefully place the assembled seat and backrest onto the gas lift cylinder.
7. **Attach Armrests and Accessories:** Secure the armrests to the chair. Attach the headrest pillow and lumbar support pillow as desired.

For detailed, step-by-step visual instructions, please refer to the assembly guide included in your product packaging.

Operating Instructions

Your Dowinx Gaming Chair LS-6657D offers multiple adjustment features to customize your seating experience for optimal comfort and support.

Chair Adjustments:

- **Height Adjustment:** To adjust the chair height, locate the lever on the right side beneath the seat. Pull the lever up while seated to lower the chair, or pull it up while standing to raise it. Release the lever at the desired height.
- **Recline Function:** The backrest can recline from 90 to 135 degrees. Pull the recline lever on the left side of the chair to adjust the angle. Release the lever to lock the backrest in place.
- **Footrest Operation:** The retractable footrest can be pulled out from beneath the seat for leg support. Push it back in when not in use.
- **Lumbar Support (Massage):** The lumbar pillow provides adjustable support and includes a massage function. Connect the USB cable from the lumbar pillow to a power source (e.g., power bank, USB adapter) to activate the massage feature. Adjust the pillow's position for personalized comfort.
- **Armrest Adjustment:** The armrests are designed for comfort. While not height-adjustable, their padded design provides stable support.

Maintenance

Regular maintenance helps preserve the appearance and functionality of your Dowinx Gaming Chair.

Cleaning and Care:

- **Fabric Surfaces:** For general cleaning, use a soft, damp cloth with mild soap and water. Avoid harsh chemicals or abrasive cleaners, which can damage the fabric. Spot clean spills immediately.
- **Gel Pad:** The detachable gel pad can be wiped clean with a damp cloth. Ensure it is completely dry before reattaching or storing.
- **Base and Wheels:** Periodically wipe down the chair base and wheels to remove dust and debris. Check wheels for hair or lint buildup that could impede smooth movement.
- **Moving Parts:** Occasionally check all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain stability.

Troubleshooting

If you encounter any issues with your Dowinx Gaming Chair, refer to the common problems and solutions below. If the problem persists, please contact customer support.

Common Issues:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Chair Squeaks	Loose bolts; friction between parts.	Tighten all assembly bolts. Apply a small amount of lubricant to moving parts if necessary.
Height Adjustment Not Working	Gas lift malfunction; lever mechanism issue.	Ensure the lever is fully engaged. If the issue persists, the gas lift may need replacement. Contact support.
Backrest Does Not Recline/Lock	Recline mechanism jammed or damaged.	Check for obstructions. Ensure the recline lever is functioning correctly. Avoid forcing the recline.
Footrest is Unstable/Stuck	Bent frame; debris in sliding mechanism.	Inspect the footrest frame for damage. Clear any debris from the sliding rails.

Specifications
