

Lamshaw IDW28

Lamshaw 22mm Jewelry Chain Metal Wristband with Leather for IDW28 Smartwatch - Instruction Manual

1. PRODUCT OVERVIEW

The Lamshaw 22mm Jewelry Chain Metal Wristband with Leather is designed to enhance the appearance and comfort of your compatible smartwatch. It features a classic interwoven design, combining premium leather with polished metal chain links for a sophisticated and elegant look. This wristband offers both durability and comfort for daily wear.

Key Features:

- **Classic Interwoven Design:** Premium leather threaded through polished metal chain links.
- **Premium Material:** Constructed from superior metal and genuine leather.
- **Comfort & Durability:** Soft genuine leather and lightweight, hypoallergenic metal for long-lasting wear.
- **Secure & Adjustable Fit:** Designed with a sturdy fold-over clasp mechanism.

2. COMPATIBILITY

This wristband is designed for smartwatches with a **22mm lug width**. Before ordering or installing, please measure your

smartwatch's lug width to ensure compatibility.

Compatible Smartwatch Models:

- IDW28 Smartwatch
- SOUYIE IDW28 Smartwatch
- SAIKATI IDW28 Smartwatch
- YMZ TGW01 Smartwatch

3. PACKAGE CONTENTS

Your package should contain the following items:

- 1 x Lamshaw 22mm Jewelry Chain Metal Wristband with Leather
- Adjustment tools (needles for link removal/installation)

4. SETUP AND INSTALLATION

Follow these steps to attach the wristband to your smartwatch:

1. Identify the spring bars on your smartwatch and the corresponding holes on the wristband.
2. Insert one end of the spring bar into the lug hole of your smartwatch.
3. Using the quick-release lever or a spring bar tool, compress the other end of the spring bar and align it with the opposite lug hole.
4. Release the spring bar, ensuring both ends are securely seated in the lug holes. Gently pull on the band to confirm it is locked in place.
5. Repeat the process for the other half of the wristband.

5. ADJUSTMENT

The wristband is designed to fit wrist sizes from 5.9 inches to 8.2 inches (140-208mm). You can adjust the length by removing or adding links using the provided tools.

- 1. Identify Adjustable Links:** The band includes fixed buckles and flexible buckles for length adjustment.
- 2. Open the Clasp:** Locate the fold-over clasp. It may have a button release or require gentle prying to open.
- 3. Remove/Add Links:** Use the provided needle tool to press the link point to detach or reattach links. Exercise caution to avoid injury.
- 4. Secure the Clasp:** Once the desired length is achieved, ensure all links are securely reassembled and the clasp closes firmly.

7. MAINTENANCE AND CARE

To maintain the quality and appearance of your Lamshaw wristband, follow these care instructions:

- **Cleaning:** Wipe the metal parts with a soft, dry cloth. For the leather, use a slightly damp cloth and mild soap if necessary, then dry immediately. Avoid harsh chemicals.
- **Avoid Moisture:** While durable, prolonged exposure to water, sweat, or humidity can affect the leather and metal finish. Remove the band before swimming or showering.
- **Storage:** Store the band in a dry place away from direct sunlight and extreme temperatures when not in use.
- **Avoid Scratches:** Protect the band from abrasive surfaces to prevent scratches on the metal components.

8. TROUBLESHOOTING

If you encounter any issues with your wristband, consider the following:

- **Band Does Not Fit:** Double-check your smartwatch's lug width. This band is specifically for 22mm lugs. If the lug width is correct, ensure you have properly adjusted the links for your wrist size.
- **Clasp Issues:** If the clasp is difficult to open or close, ensure no debris is obstructing the mechanism. Clean gently if needed. Ensure it is aligned correctly.
- **Band Detaches Easily:** Verify that the spring bars are fully seated and locked into the smartwatch's lug holes. Gently tug on the band after installation to confirm security.
