RuenTech S68

RuenTech Silicone Replacement Strap for STECEi/Qecnato S68 1.95" Smartwatch

Model: S68 | Brand: RuenTech

INTRODUCTION

This manual provides instructions for the installation, usage, and maintenance of your RuenTech Silicone Replacement Strap for STECEi/Qecnato S68 1.95" Smartwatches. Please read these instructions carefully to ensure proper use and longevity of your product.

COMPATIBILITY

This replacement strap is compatible with the following smartwatch models:

- STECEi S68 1.95" Smartwatch
- Qecnato S68 1.95" Smartwatch

PRODUCT FEATURES AND SPECIFICATIONS

- **Material:** High-quality silicone, lightweight, soft, and comfortable.
- **Clasp:** Durable metal buckle for secure fastening.
- **Strap Length:** Fits wrists measuring 14.0 cm to 20.3 cm (88 mm + 120 mm).
- **Adjustability:** Multiple precise alternative holes for size adjustment.
- **Installation:** Features improved quick-release pins for easy installation and removal.
- **Package Contents:** 4 or 10 replacement straps (Smartwatch not included).

SETUP AND INSTALLATION

Installing your RuenTech replacement strap is a straightforward process thanks to its quick-release pin design.

1. **Prepare the Smartwatch:** Ensure your smartwatch is powered off. If replacing an existing strap, carefully remove it by locating the quick-release pin on the underside of the strap and sliding it inwards to detach.

2. **Attach the New Strap (First Half):** Take one half of the new silicone strap. Locate the quick-release pin. Insert one end of the pin into the lug hole on one side of the smartwatch casing.
3. **Secure the Strap:** While holding the first end in place, slide the quick-release pin lever inwards. Align the other end of the pin with the opposite lug hole on the smartwatch casing. Release the lever to secure the pin into the hole. Gently tug on the strap to ensure it is firmly attached.
4. **Attach the Second Half:** Repeat the process for the second half of the strap.

OPERATING AND ADJUSTMENT

Once installed, the strap can be easily adjusted to fit your wrist comfortably.

1. **Wearing the Smartwatch:** Place the smartwatch on your wrist.
2. **Fastening the Strap:** Thread the longer end of the strap through the metal buckle.
3. **Adjusting the Fit:** Select a hole on the strap that provides a snug yet comfortable fit. Insert the buckle pin into the chosen hole.
4. **Securing the Excess:** Use the two silicone loops to secure any excess strap length, preventing it from flapping.

MAINTENANCE

To ensure the longevity and appearance of your silicone strap, follow these maintenance guidelines:

- **Cleaning:** Wipe the strap regularly with a soft, damp cloth. For deeper cleaning, use mild soap and water, then rinse thoroughly and dry completely before reattaching to your smartwatch.
- **Avoid Harsh Chemicals:** Do not expose the strap to strong chemicals, solvents, or abrasive cleaners, as these can damage the silicone material.
- **Storage:** Store the strap in a cool, dry place away from direct sunlight when not in use.
- **Avoid Extreme Temperatures:** Prolonged exposure to extreme heat or cold can affect the material's integrity.

TROUBLESHOOTING

If you encounter any issues with your RuenTech replacement strap, consider the following:

- **Strap Not Attaching Securely:**
 - Ensure the quick-release pins are fully retracted and properly aligned with the smartwatch lug holes.
 - Verify that both ends of the pin are seated correctly in the holes before releasing the lever.
 - Check for any obstructions in the lug holes of the smartwatch.
- **Discomfort or Skin Irritation:**
 - Ensure the strap is not too tight. Adjust to a comfortable fit that allows for some movement.
 - Clean the strap regularly to prevent buildup of sweat, dirt, or lotions that could cause irritation.
 - If irritation persists, discontinue use and consult a healthcare professional.

WARRANTY AND SUPPORT

RuenTech is committed to providing quality products. If this replacement strap does not meet your expectations or if you experience any issues, please contact us.

- **Return Policy:** You have a 30-day return right for many products. Please refer to Amazon's return policy for specific conditions and exceptions.
- **Customer Support:** For any problems or inquiries, please contact RuenTech customer service via the Amazon platform. We aim to resolve all issues promptly to ensure a satisfactory shopping experience.
