1. INTRODUCTION

Thank you for purchasing the Generic Full Size Bed Frame with 8 Storage Drawers and LED Headboard. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure safe and efficient use of your new bed frame. Please read this manual thoroughly before assembly and retain it for future reference.

2. SAFETY INSTRUCTIONS

- Always follow assembly instructions carefully. Do not skip steps or use unauthorized parts.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not exceed the maximum weight capacity of the bed frame.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Place the bed frame on a level and stable surface.
- Do not stand or jump on the bed frame.
- For electrical components (LEDs, charging station), ensure proper power connection and avoid exposing them to moisture.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

Components List:

- Headboard sections (with LED and charging station)
- Side rails and footboard
- Metal slat frame

- 8 storage drawers with wheels
- Assembly hardware (screws, bolts, Allen wrench)
- Power adapter for LED and charging station
- Remote control for LED lights

4. ASSEMBLY INSTRUCTIONS

Assembly typically takes approximately 45 minutes with two people. Ensure you have enough space and all tools provided.

Step 4.1: Unpack and Identify Parts

Carefully unpack all components from the box. Lay them out on a clean, soft surface to prevent scratches. Refer to the parts list to identify each piece.

Step 4.2: Assemble the Headboard

Attach the headboard sections together, ensuring the LED strip and charging station are correctly oriented. Secure with the provided bolts.

Image: Close-up of the headboard with integrated charging station, showing two standard outlets and two USB ports. This unit provides convenient power access.

Step 4.3: Attach Side Rails and Footboard

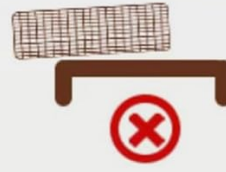

Connect the side rails to the headboard and footboard using the designated hardware. Do not fully tighten bolts until the entire frame is assembled.

Step 4.4: Install the Metal Slat Frame

Place the metal slat frame onto the assembled bed frame. Secure it to the side rails as per the instructions. Ensure the slats are evenly spaced and firmly attached to provide stable mattress support.

No Sliding

Easy To Slide

Step 4.5: Assemble and Insert Storage Drawers

Assemble the 8 storage drawers according to the separate drawer assembly instructions. Once assembled, insert them into the designated slots under the bed frame. The drawers are equipped with pulleys for smooth operation.

Image: Close-up of the storage drawers, highlighting the internal wire basket structure and smooth-rolling wheels for convenient access to stored items.

Step 4.6: Final Tightening

Once all components are in place, go back and fully tighten all bolts and screws. Ensure the frame is sturdy and level.

5. OPERATING INSTRUCTIONS

5.1: LED Headboard Operation

Connect the power adapter to the LED strip on the headboard and plug it into a wall outlet. Use the provided remote control or the associated mobile application to manage the LED lights.

- **Power On/Off:** Press the power button on the remote or in the app.
- **Color Selection:** Choose from over 60,000 colors via the app or 16 preset colors with the remote.
- **Brightness Adjustment:** Adjust the light intensity to your preference.
- **Mode Selection:** Cycle through various lighting modes (e.g., static, flash, fade, music sync, mic mode).
- **Timing Function:** Set a timer for the lights to automatically turn off.

5.2: Using the Charging Station

The headboard includes 2 standard plug outlets and 2 USB ports. Connect the 7.9ft long power supply cord to a wall outlet. You can then charge your electronic devices conveniently from your bedside.

- Plug in your phone, tablet, or other devices into the USB ports.
- Use the standard outlets for larger electronics like lamps or laptops.

5.3: Utilizing Storage Drawers

The 8 storage drawers are designed for easy access. Simply pull the handles to slide them out. They are ideal for storing clothing, bedding, books, and other personal items.

Image: A view of the bed frame's side, illustrating the integrated storage drawers in their closed position, maintaining a clean aesthetic.

6. CARE AND MAINTENANCE

- **Cleaning:** Wipe the bed frame surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Drawer Maintenance:** Keep the drawer tracks clean to ensure smooth operation.
- **Electrical Components:** Ensure the power cord for the LED and charging station is not pinched or damaged. Unplug from the wall outlet before cleaning or if not in use for extended periods.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed frame is wobbly or noisy.	Loose hardware. Uneven floor.	Ensure all bolts and screws are fully tightened. Place shims under legs if the floor is uneven.
LED lights are not working.	Power cord disconnected. Remote battery dead. App not connected.	Check power connection. Replace remote battery. Ensure Bluetooth connection for app control.
Charging station not providing power.	Power cord disconnected. Wall outlet not working.	Verify the power cord is securely plugged into both the headboard and a working wall outlet. Test the wall outlet with another device.

Problem	Possible Cause	Solution
Storage drawers are difficult to open/close.	Obstruction in track. Drawer overloaded.	Check for any items blocking the drawer wheels or tracks. Reduce the weight in the drawer. Clean tracks if necessary.

8. PRODUCT SPECIFICATIONS

- **Product Dimensions (L x W x H):** 81.49" x 54.13" x 39.17"
- **Material:** Engineered Wood, Metal
- **Style:** Modern
- **Storage:** 8 integrated drawers
- **Headboard Features:** LED lighting (16 RGB colors, 60000+ app colors, various modes, timing), Charging Station (2 Standard Plug Outlets, 2 USB Ports)
- **Power Cord Length:** 7.9 ft
- **Box Spring Required:** No
- **Noise Level:** Noise-free design
