## MEETION C9770

# MEETION Wireless Keyboard and Mouse User Manual

Model: C9770

Brand: MEETION

## INTRODUCTION

This user manual provides comprehensive instructions for the MEETION Wireless Keyboard and Mouse combo (Model C9770). This ultra-slim, multi-device Bluetooth keyboard and mouse set offers versatile connectivity and comfortable use across various operating systems. Please read this manual carefully before using the product to ensure optimal performance and longevity.

Image: The MEETION C9770 wireless keyboard and mouse combo, showcasing its sleek design and compact form factor. The keyboard features a full-size layout with a numeric keypad, and the mouse is ergonomically designed.

## WHAT'S IN THE BOX

- MEETION Wireless Keyboard (Model C9770)
- MEETION Wireless Mouse (Model C9770)

- USB 2.4G Receiver
- User Manual

Note: AAA batteries for the keyboard (2x) and AA battery for the mouse (1x) are not included and must be purchased separately.

## SETUP GUIDE

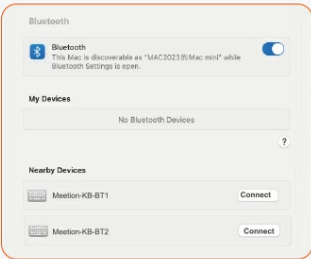

### 1. Battery Installation

1. **Keyboard:** Locate the battery compartment on the underside of the keyboard. Insert two (2) AAA batteries, ensuring correct polarity.
2. **Mouse:** Locate the battery compartment on the underside of the mouse. Insert one (1) AA battery, ensuring correct polarity.

### Bluetooth Instructions

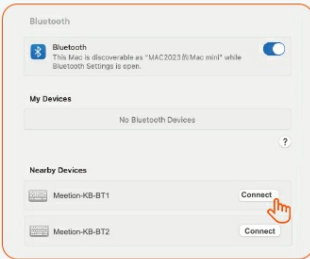

1. Press the  $\text{Fn}/\text{F2}$  key to switch to BT1/BT2 mode; the corresponding BT1/Bluetooth indicator light will turn blue and begin to blink.

2. Locate the device named 'Meetion-KB-BT1/Meetion-KB-BT2' in your computer's Bluetooth settings and connect to it to prepare for use.

3. Click the "Mode Switching Button" to switch to Bluetooth 1 mode, the corresponding Bluetooth 1 indicator will light up blue and start blinking.

4. Find the device named "Meetion\_MS\_BT1/Meetion\_MS\_BT2" in your computer's Bluetooth settings and connect it, get ready!

Image: Visual guide for inserting batteries into the keyboard and mouse, and locating the power switch.

### 2. Power On/Off

After installing batteries, push the power switch on the underside of both the keyboard and mouse to the "ON" position to power them on.

### 3. System Compatibility Switch

The keyboard supports both Windows and Mac operating systems. Switch to the appropriate system mode for optimal functionality:

- For **Windows** system: Press **FN + N**.
- For **Mac** system: Press **FN + M**.

### 4. Connecting Your Devices

The combo offers three connectivity channels: one 2.4G wireless mode and two Bluetooth modes (BT1, BT2).

#### 4.1. 2.4G Wireless Mode Instructions

1. Take out the USB receiver from the mouse's battery compartment.
2. Insert the USB receiver into an available USB port on your computer.
3. On the keyboard, press the **2.4G indicator button** (often labeled with a wireless icon). The 2.4G indicator light will illuminate.

4. On the mouse, click the "Mode Switching Button" (usually on the bottom or top near the scroll wheel) until the 2.4G indicator light turns green. The mouse is now ready for use.

Image: Step-by-step visual guide for connecting the keyboard and mouse using the 2.4G wireless mode.

## 4.2. Bluetooth Mode Instructions (BT1 / BT2)

You can connect up to two devices via Bluetooth.

1. **Keyboard:** Press the **BT1** or **BT2** key to switch to the desired Bluetooth mode. The corresponding indicator light will turn blue and begin to blink, indicating it's in pairing mode.
2. **Mouse:** Click the "Mode Switching Button" on the mouse until the Bluetooth 1 or Bluetooth 2 indicator light turns blue and starts blinking.
3. On your computer or device, open Bluetooth settings.
4. Search for available devices. For the keyboard, look for "Meetion-KB-BT1" or "Meetion-KB-BT2". For the mouse, look for "Meetion\_MS\_BT1" or "Meetion\_MS\_BT2".
5. Select the device and click "Connect". Once connected, the indicator light will stop blinking and remain solid blue.

## OPERATING INSTRUCTIONS

### Keyboard Features

- **Ultra-Slim Design:** The keyboard features a 0.19-inch ultra-thin profile, designed for portability and space-saving.
- **Comfortable Scissor Switch Keys:** Low-profile keys with scissor switches provide enhanced stability, quiet operation, swift rebound, and distinct tactile feedback.
- **Full-Size Layout with Numeric Keypad:** Offers a complete typing experience with a dedicated numeric pad for efficiency.
- **Multi-Function Keys:** By default, media keys (e.g., volume, brightness) are active. To use standard F1-F12 functions, hold **FN** and the corresponding F key.
- **FN Function Key Mode:** Press **FN + ESC** to switch to F function key mode, allowing direct use of F1-F12 without holding FN.

## POWER MANAGEMENT

---

The keyboard and mouse feature an intelligent power-saving design to extend battery life.

- **Auto-Sleep:** After 20 minutes of inactivity, the devices will enter a deep sleep mode.
- **Wake-Up:** To wake the devices, simply press any button or key.
- **Battery Life:** Expected battery life is 1-2 months, but may vary based on individual usage habits and frequency.

## TROUBLESHOOTING

---

If you encounter issues with your MEETION Wireless Keyboard and Mouse, please refer to the following common solutions:

- **No Connection / Intermittent Connection:**

- Ensure batteries are correctly installed and have sufficient charge. Replace if necessary.
- Make sure both keyboard and mouse are powered on.
- For 2.4G mode, ensure the USB receiver is securely plugged into a working USB port. Try a different USB port.
- For Bluetooth mode, ensure Bluetooth is enabled on your device. Try unpairing and re-pairing the devices.
- Switch between 2.4G and Bluetooth modes on both the keyboard and mouse to reset the connection.
- Move the devices closer to your computer/device to rule out range issues.
- Restart your computer/device.

- **Keys Not Responding / Mouse Not Tracking:**

- Check battery levels.
- Ensure the correct system mode (Windows/Mac) is selected on the keyboard.
- Clean the optical sensor of the mouse if tracking is erratic.

- **Bluetooth Switching Issues (as noted in some reviews):**

- If switching between Bluetooth sources is inconsistent, try disabling and re-enabling Bluetooth on your host device.
- Ensure the keyboard and mouse are fully disconnected from the previous device before attempting to connect to a new one.

## MAINTENANCE

---

- Keep the devices clean by wiping them with a soft, dry cloth.
- Avoid exposing the devices to extreme temperatures, humidity, or direct sunlight.
- Do not disassemble the devices, as this may void the warranty.
- Store the USB receiver inside the mouse when not in use to prevent loss.

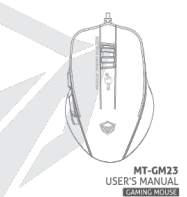

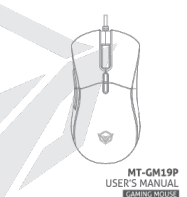

# WARRANTY AND SUPPORT

MEETION products are designed for reliability and performance. For warranty information and technical support, please refer to the warranty card included with your product or visit the official MEETION website. You can also contact MEETION customer service directly for assistance with product inquiries, troubleshooting, or replacement parts.
