4. MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your Furologee computer desk.

- **Cleaning the Surface:** Wipe the desk surfaces with a damp cloth to remove dust and spills. For stubborn marks, use a mild cleaner and then wipe dry immediately with a clean, dry cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Power Outlets:** Keep the power outlets and USB ports free from dust and debris. Ensure they remain dry at all times.
- **LED Lights:** The LED lights are designed for long-term use and generally require no maintenance. If issues arise, refer to the troubleshooting section.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary to maintain stability.

5. TROUBLESHOOTING

If you encounter any issues with your Furologee computer desk, please refer to the following common solutions:

- **Desk Wobbles:** Ensure all assembly screws are securely tightened. Verify the desk is on a level surface; use the adjustable feet to stabilize if the floor is uneven.
- **Power Outlets Not Working:** Check if the desk's main power cord is firmly plugged into a functional wall outlet. Test the wall outlet with another device. Ensure no circuit breakers have tripped.
- **LED Lights Not Functioning:** Confirm the LED light strip is properly connected to its power source. Check the remote control battery if applicable. Try unplugging and replugging the LED power connection.
- **Missing or Damaged Parts:** If you find any parts missing or damaged during assembly, do not proceed with assembly. Contact Furologee customer support immediately for assistance.
