AWQM Foldable Dining Table Set with 4 Chairs and Storage

MODEL: W368-394

1. Important Safety Information

Please read and understand all safety instructions before assembling or using this product. Failure to follow these instructions may result in injury or product damage.

- Do not load more than 200 pounds per chair. Exceeding this weight limit may cause the chair to collapse.
- Exercise caution around sharp edges during assembly and use to prevent cuts or scrapes.
- Avoid placing hot objects directly on the table surface. Use coasters or protective mats to prevent heat damage.
- Unfold and fold the table with care to avoid pinching fingers or other body parts. Ensure all locking mechanisms are engaged when the table is in use.
- Keep the product away from children when not in use or during assembly to prevent accidents.

2. Product Overview

The AWQM Foldable Dining Table Set is a versatile furniture solution designed for small spaces. It includes a foldable dining table with integrated storage and four matching leather chairs. The table features drop-leaf extensions and universal wheels for easy mobility and flexible configuration.

3. Setup and Assembly

The AWQM Foldable Dining Table Set requires assembly. All necessary accessories and detailed instructions are included in the package. Please ensure all components are present before beginning assembly.

3.1 Unpacking and Component Check

1. Carefully remove all parts from the packaging.
2. Refer to the included parts list to verify that all components and hardware are present.
3. Place components on a soft, clean surface to prevent scratches during assembly.

3.2 Assembly Steps

Follow the step-by-step instructions provided in the separate assembly manual. Generally, assembly involves:

1. Attaching the universal wheels to the base of the table.
2. Assembling the main table frame and internal storage shelves.
3. Attaching the drop-leaf panels using the flexible clips/hinges.
4. Assembling the four chairs.
5. Storing the assembled chairs within the table's designated compartments.

It is recommended to have two people for assembly to ensure stability and ease of handling larger components.

4. Operating Instructions

The AWQM Foldable Dining Table Set offers multiple configurations to suit various needs.

4.1 Folding and Unfolding the Table

- **Fully Folded (Storage Cabinet):** When fully folded, the table serves as a compact cabinet. The chairs are stored inside, and the unit can be easily moved using its universal wheels.
- **Half Unfolded (Desk/Workstation):** To use as a desk, gently lift one drop-leaf panel until it is horizontal and supported by its mechanism. Ensure it is securely locked in place. This configuration provides a spacious work surface.
- **Fully Unfolded (Dining Table):** For a full dining experience, unfold both drop-leaf panels. Ensure both panels are securely supported and locked. This provides a wide tabletop suitable for 4-6 people.

Space Saving

5. Maintenance and Care

Proper maintenance will ensure the longevity and appearance of your AWQM Foldable Dining Table Set.

5.1 Cleaning Instructions

- **Tabletop:** The wooden tabletop has a waterproof and rustproof coating. Wipe clean with a damp cloth and mild detergent. Dry immediately with a clean, soft cloth. Avoid abrasive cleaners.
- **Leather Seats:** The leather cushions can be wiped clean with a damp cloth. For tougher stains, use a specialized leather cleaner according to its instructions. Avoid excessive moisture.
- **Frame:** Wipe the frame with a soft, dry or slightly damp cloth.

5.2 General Care

- Regularly check and tighten all screws and fasteners to ensure stability.
- Avoid exposing the product to direct sunlight or extreme temperature changes, which can cause material degradation.
- Do not drag the table or chairs; lift them when moving to prevent damage to legs or wheels.

6. Troubleshooting

This section addresses common issues you might encounter with your dining set.

6.1 Table Does Not Fold/Unfold Smoothly

- **Check for Obstructions:** Ensure no items are blocking the folding mechanism or the path of the drop-leaf panels.
- **Lubrication:** If hinges feel stiff, apply a small amount of silicone-based lubricant to the moving parts.
- **Alignment:** Verify that all parts are correctly aligned as per the assembly instructions. Loose screws can affect

alignment.

6.2 Chairs Do Not Store Properly

- **Orientation:** Ensure chairs are oriented correctly before attempting to slide them into the storage compartments.
- **Obstructions:** Check for any debris or objects inside the storage compartments that might prevent the chairs from fitting.

6.3 Wheels Not Rolling Smoothly

- **Clean Wheels:** Remove any hair, dust, or debris that may be caught in the wheel casters.
- **Check for Damage:** Inspect wheels for any damage or bending. If a wheel is damaged, contact customer support for replacement options.
