5. OPERATING INSTRUCTIONS

The AWQM Foldable Dining Table Set offers multiple configurations to adapt to your space and needs.

5.1. Unfolding the Table

- **Fully Unfolded (Dining Mode):** To use the table at its full size (51.97L x 31.5W inches), gently lift both drop leaves until they are horizontal. Ensure the support mechanisms underneath each leaf are fully extended and locked into place. This configuration comfortably seats 4-6 people.
- **Half Unfolded (Desk/Console Mode):** For a compact workspace or console, lift only one drop leaf. Ensure its support mechanism is locked. The other leaf remains folded down. This mode is ideal for individual use or as a temporary surface.
