Wodeer WD-HLG022-PK

Wodeer Pink Makeup Vanity Desk with Mirror & Lights

MODEL: WD-HLG022-PK

Brand: Wodeer

INTRODUCTION

This manual provides essential information for the assembly, operation, maintenance, and troubleshooting of your Wodeer Pink Makeup Vanity Desk with Mirror & Lights. Please read these instructions carefully before assembly and use to ensure proper function and longevity of your product.

SETUP INSTRUCTIONS

Unpacking

- Carefully open the packaging and remove all components.
- Verify that all parts listed in the included parts list are present and undamaged.
- Keep packaging materials until assembly is complete to prevent loss of small parts.

Assembly

Assembly of the Wodeer Pink Makeup Vanity Desk requires following the detailed, numbered instructions provided in the separate assembly guide. It is recommended to have two people for certain steps, especially when handling larger components like the mirror section.

- Ensure you have adequate space for assembly.
- Use the provided hardware and tools as specified in the assembly guide.
- Do not overtighten screws to avoid damaging the engineered wood.
- Connect all electrical components (mirror lights, charging station) as instructed.

OPERATING INSTRUCTIONS

LED Mirror Lights

The large mirror features integrated LED lights with adjustable brightness and three color modes to suit various lighting needs.

- **Changing Color Modes:** Touch the power button icon on the mirror to cycle through Cool White, Warm White, and Warm Yellow light modes.
- **Adjusting Brightness:** Long-press the power button icon to increase or decrease the brightness of the selected light mode.

3 Lighting Modes & Large Mirror

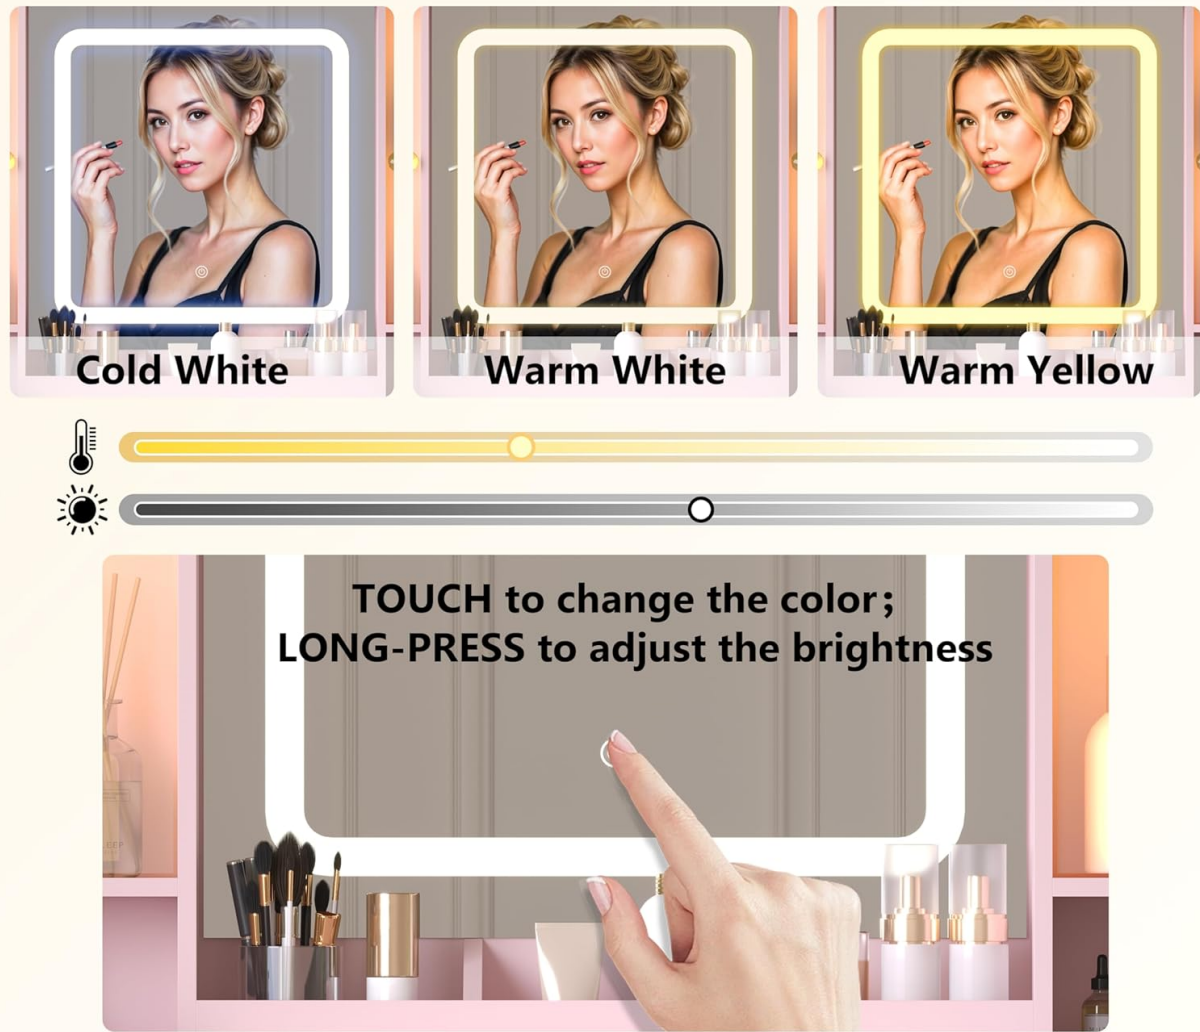

Image: Illustration of the LED mirror displaying three distinct lighting modes: Cold White, Warm White, and Warm Yellow, with instructions for touch control.

RGB Cabinet Lighting

The glass display cabinets are equipped with colorful RGB LED strips, allowing for customizable ambient lighting.

- **Control:** Use the dedicated mobile application or the included remote control to manage the RGB lighting.
- **Features:** Adjust colors, brightness, and select from various lighting effects, including music and mic modes, and set timing functions.

Adjustable LED Light

Image: The vanity desk featuring adjustable RGB LED lighting in the glass cabinets, highlighting control options via app or remote, and various modes like color change, brightness, music, mic, and timing functions.

Integrated Charging Station

The vanity desk includes a convenient charging station for your electronic devices.

- **Outlets:** Features 2 AC outlets (125V/12A) and 2 USB ports (5V/2A).
- **Usage:** Ideal for powering hair dryers, curling irons, smartphones, and other beauty or personal electronic devices.
- **Hair Dryer Holder:** A dedicated holder is provided to keep your hair tools organized and accessible.

STORAGE AND DESIGN FEATURES

Ample Storage Capacity

This vanity desk is designed with extensive storage options to keep your cosmetics, skincare, jewelry, and accessories organized.

- **Drawers:** Seven spacious drawers for various items.
- **Glass Cabinets:** Two glass-front cabinets for display and storage.
- **Open Shelves:** Four open shelves for easy access to frequently used items.
- **Removable Dividers:** Three removable dividers for customizable organization within drawers.
- **Stool Storage:** The cushioned stool includes hidden storage space.

Plenty of Storage Space

Image: The vanity desk with multiple drawers and cabinets open, illustrating the extensive storage capacity for various beauty products and accessories.

Adjustable Glass Shelves

The glass shelves within the cabinets can be adjusted to accommodate items of different heights.

- To adjust, carefully remove the shelf and reposition the support pins to the desired height.

MAINTENANCE

- **Cleaning Surfaces:** Wipe all surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Mirror Care:** Use a glass cleaner specifically designed for mirrors. Spray cleaner onto a cloth, not directly onto the mirror, to prevent liquid from seeping into the edges.
- **Electrical Components:** Ensure the vanity is unplugged before cleaning near electrical outlets or the mirror lights.
- **Drawer Slides:** Periodically check and clean drawer slides to ensure smooth operation.

TROUBLESHOOTING

LED Mirror Lights Not Working

- Check if the power cord is securely plugged into a functional wall outlet.
- Ensure the mirror's power button is pressed.
- Verify that the power adapter for the lights is correctly connected.

Charging Station Not Providing Power

- Confirm the main power cord for the vanity is plugged in.
- Test the outlets with another device to ensure they are functional.
- Check for any tripped circuit breakers in your home.

Drawers Sticking or Not Sliding Smoothly

- Ensure drawers are not overloaded.
- Check for any obstructions in the drawer slides.
- Verify that the drawer slides were installed correctly during assembly.

For issues not covered here, please contact customer support.
