# Hipicute 10x10FT Outdoor Pergola with Retractable Canopy Instruction Manual

Brand: Hipicute | Model: QY-MuWenHuaJia-10x10-Hui-ibZ

## 1. SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Do not use the canopy in extreme weather conditions such as heavy wind, rain, or snow.
- For added stability, place weights inside the base of the pergola posts.
- Do not use the canopy to support heavy loads or for activities that may cause excessive stress on the structure.
- Always follow the provided instructions for safe installation and use.
- Ensure all connections are secure before and during use.

## 2. PRODUCT OVERVIEW

The Hipicute 10x10FT Outdoor Pergola with Retractable Canopy is designed to enhance your outdoor living space, providing adjustable shade and a stylish aesthetic. It features a robust aluminum frame with a faux wood finish and a durable polyester canopy.

Image 2.1: The Hipicute 10x10FT Outdoor Pergola with its retractable canopy fully extended.

### Key Features:

- **Exceptional Quality:** Crafted with a 3.55-inch powder-coated aluminum frame for unmatched stability and durability.
- **Retractable Canopy:** Features a retractable design with built-in sliding tracks and spring locks, allowing easy adjustment of the shade area.
- **Durable Canopy Material:** Made of thickened polyester with a 5+ PA coating, ensuring excellent waterproofing, UV resistance, and anti-fading performance.
- **Modern Wood-Look Design:** The wood-grain finish seamlessly blends into various outdoor settings.
- **Functional Design:** Equipped with drainage holes to prevent water buildup and can serve as a sturdy support for climbing plants.

### 3. PACKAGE CONTENTS

Before beginning assembly, ensure all parts listed in the included instruction booklet are present and undamaged. All hardware components are individually packaged and labeled for easy identification.

## 4. ASSEMBLY INSTRUCTIONS

Assembly is designed to be straightforward with clear, concise instructions provided in the manual. It is recommended to have at least two people for assembly.

### Step-by-Step Assembly:

1. **Unpack and Organize:** Carefully unpack all components and lay them out. Refer to the parts list in your manual to ensure all pieces are accounted for.
2. **Assemble Posts:** Follow the detailed diagrams in the instruction booklet to assemble the vertical

posts. Ensure all screws are tightened securely.

Image 4.1: Close-up of the sturdy aluminum frame construction with faux wood finish.

- 3. Install Base Plates:** Attach the upgraded base plates to the bottom of each post. These bases are designed for enhanced stability.

## Upgraded Base

Four side reinforcement improves stability by 50%

Image 4.2: The upgraded base design provides increased stability for the pergola posts.

4. **Assemble Horizontal Beams:** Connect the horizontal beams according to the manual's diagrams. Pay attention to the orientation of the beams for proper canopy track installation.
5. **Attach Canopy Tracks:** Secure the canopy sliding tracks to the horizontal beams.
6. **Install Canopy Fabric:** Carefully slide the retractable canopy fabric onto the tracks. Ensure the spring locks are properly engaged to hold the canopy in place when extended or retracted.

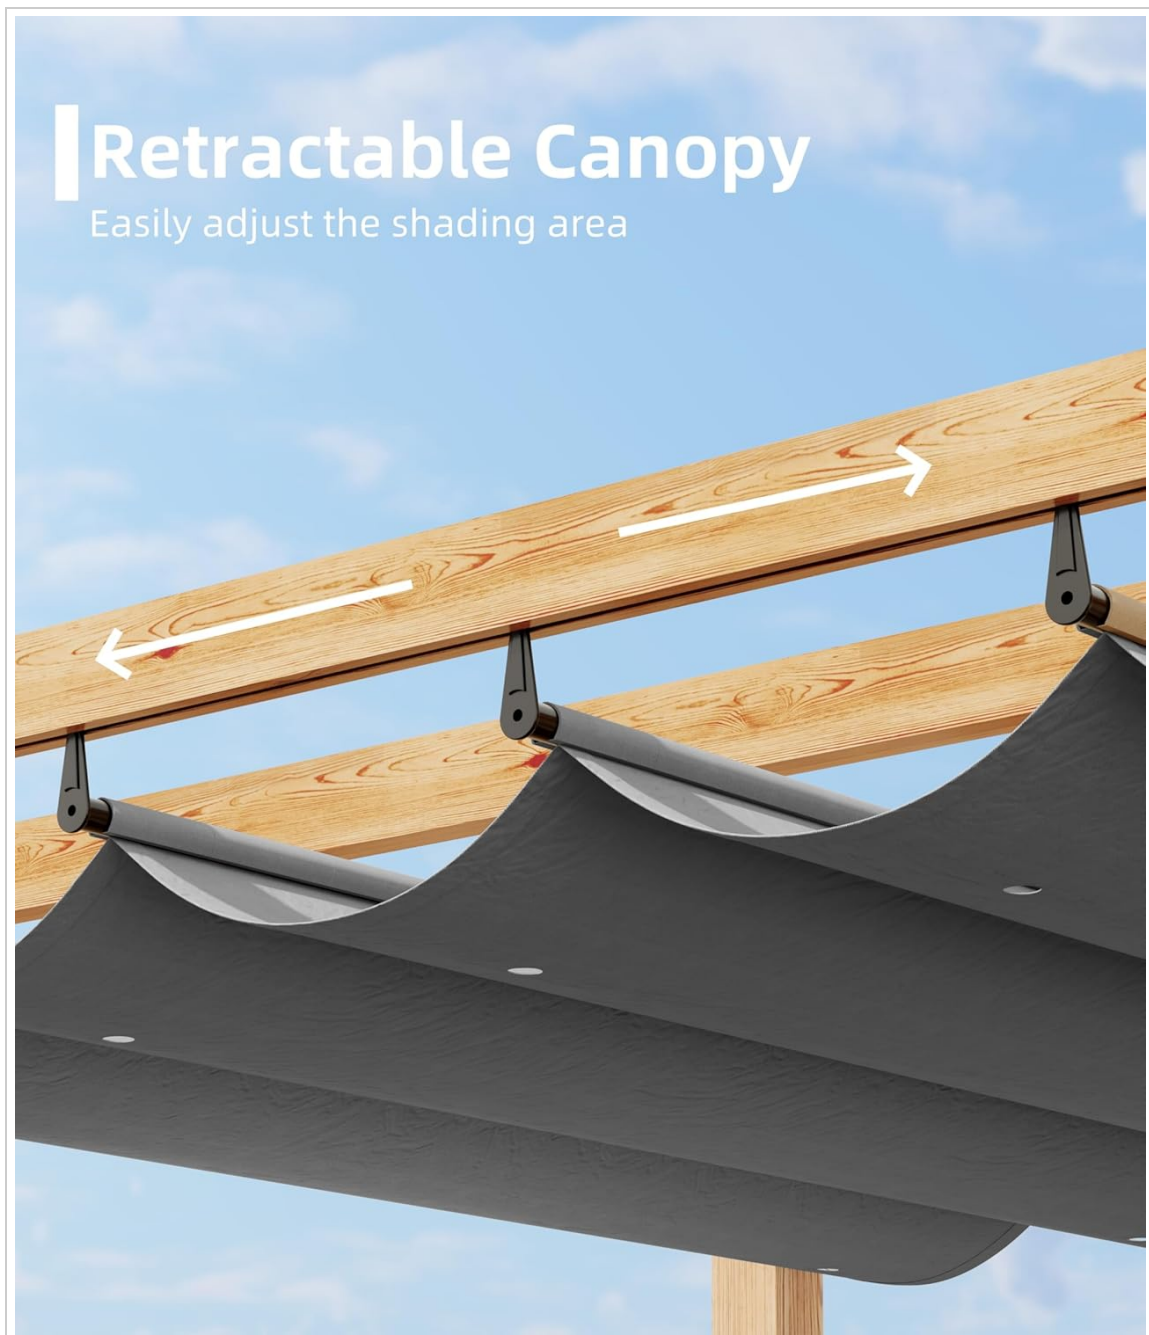

Image 4.3: The retractable canopy mechanism allows for easy adjustment of shade.

7. **Secure the Pergola:** For optimal stability, especially in windy conditions, it is recommended to secure the pergola. Options include drilling the base plates into a concrete patio or placing the posts into large pots filled with gravel or concrete.

## 5. OPERATING INSTRUCTIONS

---

The retractable canopy allows you to control the amount of sun and shade. To operate:

- **To Extend the Canopy:** Gently pull the canopy fabric along the sliding tracks until it reaches the desired extension. Secure it in place using the integrated spring locks.
- **To Retract the Canopy:** Release the spring locks and gently push the canopy fabric back along the tracks until it is fully retracted.

*Note:* Always retract the canopy during strong winds, heavy rain, or snow to prevent damage to the fabric and structure.

## 6. MAINTENANCE

---

Regular maintenance will prolong the life and appearance of your pergola.

- **Canopy Cleaning:** Clean the polyester canopy fabric periodically with mild soap and water. Rinse thoroughly and allow to air dry completely before retracting for storage.
- **Frame Cleaning:** Wipe down the aluminum frame with a damp cloth to remove dirt and debris. Avoid abrasive cleaners that could damage the powder-coated finish.
- **Water Drainage:** After rain, check the canopy for any pooled water. Gently push up on the underside of the canopy to release accumulated water and ensure proper drainage through the built-in holes.
- **Seasonal Storage:** For prolonged periods of non-use or during harsh weather seasons, it is recommended to fully retract and secure the canopy, or remove it for indoor storage.

## 7. TROUBLESHOOTING

---

### Common Issues and Solutions:

- **Canopy not retracting/extending smoothly:**
  - Check the sliding tracks for obstructions or debris. Clean if necessary.
  - Ensure the spring locks are fully disengaged/engaged.
- **Water pooling on canopy:**
  - This can occur after heavy rain. Gently push up on the underside of the canopy to release the water. Ensure the canopy is properly tensioned to minimize pooling.
- **Pergola feels unstable:**
  - Verify all bolts and screws are securely tightened.
  - Ensure the base is adequately weighted or anchored to the ground.

## 8. SPECIFICATIONS

---

<b>Brand</b>	Hipicute
<b>Model Number</b>	QY-MuWenHuaJia-10x10-Hui-ibZ
<b>Material</b>	Aluminum frame, Polyester canopy
