Moremore R11

Moremore Fitness Tracker R11 User Manual

Model: R11

1. INTRODUCTION

Thank you for choosing the Moremore Fitness Tracker R11. This device is designed to help you monitor your daily activities, track health metrics, and stay connected. Please read this manual carefully to understand how to set up and use your fitness tracker effectively.

Image 1.1: Moremore R11 Fitness Tracker Overview

2. SETUP AND PAIRING

2.1. App Installation

To utilize all features of your Moremore Fitness Tracker R11, you need to download the companion application, **GloryFit**, on your smartphone. The app is available for both Android and iOS devices.

1. Scan the QR code provided in the product packaging or search for "GloryFit" in your phone's app store (Google Play Store for Android, Apple App Store for iOS).
2. Download and install the GloryFit application.
3. Open the app and follow the on-screen instructions to create an account or proceed as a guest. Note: The app is free to use.

2.2. Device Pairing

Ensure your fitness tracker is charged and your phone's Bluetooth is enabled before pairing.

1. Open the GloryFit app on your smartphone.
2. Navigate to the "Device" section within the app.
3. Select "Add Device" or "Select device" to begin searching for your tracker.
4. Bring your fitness tracker close to your phone. The app will display a list of nearby devices.
5. Select "R11" from the list to initiate the connection.
6. Once connected, the app will prompt you to set up personal information such as gender, height, weight, and target steps. Providing accurate information helps the tracker deliver more precise data.

Your browser does not support the video tag.

3. OPERATING THE DEVICE

The Moremore Fitness Tracker R11 features a 1.47-inch curved high-definition color display with full touch capabilities for easy navigation.

3.1. Basic Navigation

- **Swipe Up/Down:** Scroll through menus and notifications.
- **Swipe Left/Right:** Access quick functions or different data screens.
- **Tap:** Select an item or confirm an action.
- **Side Button:** Press to return to the home screen or wake the device.

3.2. Customizing Watch Faces

You can personalize your tracker's display by choosing from various watch faces available in the GloryFit app. Navigate to the "Device" section in the app and select "Watch faces" to browse and apply new designs.

4. HEALTH TRACKING FEATURES

The Moremore Fitness Tracker R11 provides comprehensive health monitoring features to help you stay informed about your well-being. **Please note: The data provided by this device is for reference only and should not be used for medical diagnosis or treatment.**

4.1. Heart Rate Monitoring

The tracker continuously monitors your heart rate throughout the day. You can view real-time heart rate data on the watch or detailed historical data in the GloryFit app.

4.2. Blood Oxygen (SpO2) Monitoring

Measure your blood oxygen levels to gain insights into your respiratory health. Access this feature directly on the watch or through the app.

4.3. Sleep Tracking

The device automatically tracks your sleep patterns, including light sleep, deep sleep, and awake times. Review your sleep quality scores and detailed analysis in the GloryFit app to understand and improve your sleep habits.

5. ACTIVITY TRACKING AND SPORTS MODES

The R11 Fitness Tracker is designed to help you track your physical activity and achieve your fitness goals.

5.1. All-Day Activity Tracking

The tracker automatically records your daily steps, calories burned, distance traveled, and active time. This data is synchronized with the GloryFit app for detailed analysis and progress monitoring.

5.2. Sports Modes

The R11 supports over 100 professional sports modes, including walking, running, cycling, yoga, and more. You can select and customize your preferred workout routines within the GloryFit app. During a workout, the tracker will record specific data relevant to that activity, helping you track performance and make your exercise routines more scientific.

6. SMART FEATURES

Your Moremore Fitness Tracker R11 offers a range of smart features to enhance your daily convenience and connectivity.

6.1. Notifications and Calls

Receive real-time notifications for incoming calls and messages from social media applications (e.g., Facebook, Twitter, WhatsApp, Instagram) directly on your watch. You can view caller names, reject calls, and read full text messages without needing to access your phone.

MESSAGE NOTIFICATION

Never missing important messages and phone calls

6.2. Personal Assistant Functions

The tracker includes several practical features:

- **Weather Updates:** Get current weather forecasts.
- **Music Control:** Control music playback on your smartphone.
- **Menstrual Cycle Reminders:** Track and receive reminders for menstrual cycles.
- **Alarms:** Set silent alarms to wake you up or remind you of tasks.
- **Camera Controls:** Remotely control your phone's camera.
- **Stopwatch:** Use the built-in stopwatch function.
- **Hydration Reminders:** Receive alerts to drink water.
- **Sedentary Reminders:** Get prompts to move after periods of inactivity.
- **Phone Finder:** Locate your paired smartphone.

7. BATTERY AND CHARGING

The Moremore Fitness Tracker R11 is equipped with a long-lasting battery and supports magnetic fast charging.

- **Charging Time:** Approximately 1-2 hours for a full charge.
- **Battery Life:** Up to 7 days of regular use and 15 days on standby.

To charge, connect the magnetic charging cable to the charging points on the back of the tracker and plug the USB end into a compatible power source (e.g., computer USB port, USB wall adapter).

8. SPECIFICATIONS

9. TROUBLESHOOTING

If you encounter issues with your Moremore Fitness Tracker R11, please refer to the following common solutions:

- **Device Not Pairing:**

- Ensure Bluetooth is enabled on your phone.
- Make sure the tracker is charged.
- Restart both your phone and the tracker.
- Ensure the GloryFit app has necessary permissions (location, Bluetooth).

- **Inaccurate Health Data (e.g., Blood Pressure):**

- Remember that the tracker's health data is for reference only and not for medical use.
- Ensure the tracker is worn snugly on your wrist, about one finger's width from your wrist bone.
- Avoid excessive movement during measurements.

- **Notifications Not Appearing:**

- Check if the tracker is successfully paired with your phone.
- Verify that notification permissions are enabled for the GloryFit app in your phone's settings.
- Ensure specific app notifications are enabled within the GloryFit app settings.
- Confirm that "Do Not Disturb" mode is not active on either your phone or the tracker.

- **Short Battery Life:**

- Reduce screen brightness.
- Disable continuous heart rate monitoring if not needed 24/7.
- Limit the number of apps sending notifications to the tracker.
- Ensure the tracker is fully charged using the provided magnetic charger.

10. SAFETY INFORMATION

- Do not attempt to disassemble or modify the device.
- Keep the device away from extreme temperatures and direct sunlight.
- Clean the device with a soft, dry cloth. Avoid using harsh chemicals.
- This device is not a medical device. Do not use it for medical diagnosis or treatment. Consult a medical professional for any health concerns.
- If you experience skin irritation, discontinue use and consult a doctor.

11. WARRANTY AND SUPPORT

For warranty information and customer support, please refer to the documentation included with your product packaging or visit the official Moremore website. You may also contact the seller directly for assistance.
