WHAT'S IN THE BOX

Your Voistek 885DZ-US package includes the following items:

- Headset
- Charging Station
- User Manual (this document)
- USB Dongle (2.4GHz)
- USB A-C Adapter Cable

In the box

SETUP

Charging the Headset

Before initial use, fully charge your headset. The headset can be charged using the included charging station or directly via the USB-C port.

1. Connect the USB A-C Adapter Cable to a power source (e.g., computer USB port, wall adapter).
2. Connect the USB-C end of the cable to the charging station or directly to the headset's USB-C charging port.
3. Place the headset on the charging station, ensuring the charging contacts align. The indicator light on the charging station will show charging status.
4. A full charge takes approximately 2 hours. A quick 5-minute charge provides extra runtime for urgent calls.

Connecting via USB Dongle (2.4GHz)

For a stable and driver-free connection to your PC or laptop:

1. Insert the USB Dongle into an available USB port on your computer.
2. Power on the headset by sliding the ON/OFF switch.
3. The headset will automatically pair with the dongle. An indicator light on the headset will confirm successful connection.

Connecting via Bluetooth 5.3

To connect to smartphones, tablets, or other Bluetooth-enabled devices:

1. Ensure the headset is powered off.
2. Press and hold the Multi-Function Button (MFB) until the indicator light flashes blue and red, indicating pairing mode.
3. On your device, go to Bluetooth settings and search for "Voistek 885DZ-US" (or similar model name).
4. Select the headset to pair. The indicator light will turn solid blue upon successful connection.

Dual Wireless Modes

 2.4GHz USB Dongle	 Desktops	 Computer

OPERATING INSTRUCTIONS

Headset Controls

The headset features intuitive controls located on the earcup:

- **Power On/Off:** Slide the ON/OFF switch.
- **Volume Up/Down:** Use the dedicated volume buttons.
- **Mic Mute:** Press the Mic Mute button to quickly mute/unmute your microphone during calls.
- **Answer/Reject Call/Siri:** Use the Multi-Function Button (MFB) for call management and voice assistant activation.

Microphone Usage

The flexible, noise-cancelling microphone can be adjusted for optimal voice pickup:

- Rotate the microphone arm up or down to position it comfortably near your mouth.

- The microphone features precision beamforming technology to reduce ambient noise, ensuring your voice is clear during calls.
- When not in use, the microphone arm can be rotated upwards and out of the way.

Minimalist Design, Quiet Brilliance

FEATURES

- **Noise-Cancelling Microphone:** Equipped with a precision beamforming microphone that reduces ambient noise, ensuring your voice remains clear and natural.
- **Single-Ear Comfort:** Designed for one-ear use, allowing you to stay alert to your surroundings while maintaining hands-free communication.
- **High-Quality Audio:** Features a powerful 40mm driver with a custom-tuned diaphragm for clear sound during calls, meetings, or daily communication.
- **Wireless Convenience:** Instant pairing via Bluetooth or USB dongle. No drivers required. Seamlessly switch between PC, smartphone, tablet, or laptop.
- **Extended Battery Life:** Enjoy over 45 hours of talk time on a full charge (2 hours). Just 5 minutes of quick charge gives you extra runtime for urgent calls.

Model Number	885DZ-US
Connectivity Technology	Wireless (Bluetooth 5.3, 2.4GHz USB Dongle)
Bluetooth Range	10 Meters
Battery Life (Talk Time)	45+ Hours
Charging Time	2 Hours (full charge)
Audio Driver Size	40 Millimeters
Microphone	Noise-Cancelling, Precision Beamforming, Flexible (270° rotation)
Weight	150 Grams (approx. 5.3 ounces)
Ear Placement	On Ear (Single-Ear Design)
Compatible Devices	Cellphones, Desktops, Laptops, Tablets (Mac, Android, iOS, Teams, Zoom)

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the headset and charging station. Avoid liquid cleaners.
- **Storage:** Store the headset in a cool, dry place when not in use. Utilize the charging station for convenient and safe storage.
- **Battery Care:** To prolong battery life, avoid fully discharging the headset frequently. Charge regularly.
- **Avoid Extreme Conditions:** Do not expose the headset to extreme temperatures, humidity, or direct sunlight. It is not water resistant.

TROUBLESHOOTING

- **No Power:** Ensure the headset is fully charged. Check the charging cable and power source.
- **Cannot Pair:**
 - Ensure the headset is in pairing mode (flashing blue/red light).
 - Make sure Bluetooth is enabled on your device and it's within range (10 meters).
 - If using the USB dongle, ensure it's properly inserted and the headset is powered on.
 - Try restarting both the headset and your device.
- **Poor Audio Quality:**
 - Check the volume levels on both the headset and your connected device.
 - Ensure the microphone is positioned correctly and not obstructed.
 - Move closer to your connected device to improve signal strength.
 - Verify that the correct audio output device is selected in your computer's or phone's settings.
- **Microphone Not Working:**
 - Check if the microphone is muted (red indicator light on the mic mute button).
 - Ensure the microphone is enabled and selected as the input device in your application settings (e.g., Zoom,

Teams).

WARRANTY AND SUPPORT

Voistek provides the following support for your headset:

- **30-Day Return and Refund Policy:** If you are not satisfied with your purchase, you may return it within 30 days for a full refund.
- **Lifetime Support:** Our dedicated service team is available to help you resolve any issues swiftly and professionally. For assistance, please contact us via Amazon.
