KOTARBAU ZSY3948k

KOTARBAU Sandbox with Cover, 140 x 140 cm, Grey with Grey Roof - Instruction Manual

Model: ZSY3948k

1. INTRODUCTION AND PRODUCT OVERVIEW

This manual provides essential information for the assembly, operation, and maintenance of your KOTARBAU Sandbox. Designed for children aged 18 months and up, this sandbox offers a safe and engaging outdoor play area. It features a robust wooden construction, folding benches, and an adjustable roof for protection.

2. SAFETY INFORMATION

- **Outdoor Use Only:** This sandbox is designed exclusively for outdoor use.
- **Supervision:** Always supervise children while they are playing in the sandbox.
- **Injury Prevention:** The sandbox features smooth, planed, and sanded boards with rounded edges to minimize the risk of injury during play.
- **Material Safety:** The wood is impregnated with an ecological agent compliant with the EN71-3 standard, ensuring maximum safety for children.
- **Roof Safety:** The height-adjustable roof provides protection from sun and rain. Ensure the roof is securely positioned when in use or lowered.
- **Weight Limit:** The manufacturer recommended maximum load is 250 kg. Do not exceed this weight.

3. PACKAGE CONTENTS

Carefully unpack the box and ensure all components are present before beginning assembly. The package includes:

- Folding sandbox with benches
- Adjustable roof
- Protective sheet (ground sheet)
- Insulating cover sheet
- Screws and hinges
- Assembly instructions

4. SETUP AND ASSEMBLY

Assembly is required for this sandbox. The design features pre-drilled holes for straightforward construction. Follow the included assembly instructions carefully.

1. **Prepare the Area:** Choose a flat, level outdoor surface for the sandbox. Ensure adequate space around

the sandbox for safe play.

2. **Unpack Components:** Lay out all wooden boards, hardware (screws, hinges), and sheets. Refer to the package contents list to verify all parts are present.
3. **Assemble the Base:** Follow the step-by-step guide in the provided assembly instructions to construct the main sandbox frame using the pre-drilled holes and screws.
4. **Attach Benches:** Secure the folding benches to the sandbox frame using the provided hinges and screws. Ensure they fold smoothly.
5. **Install Roof Supports:** Attach the vertical supports for the adjustable roof to the sandbox frame.
6. **Mount the Roof:** Install the adjustable roof onto its supports. Test the height adjustment and lowering function to ensure it operates correctly.
7. **Place Protective Sheets:** Lay the protective ground sheet inside the sandbox area before adding sand. This helps prevent mixing with the ground and inhibits plant growth.

FACILE DA MONTARE E STRUTTURA ROBUSTA

Il semplice sistema di piegatura e l'accurato assemblaggio dei componenti consentono di montare rapidamente la sabbiera senza bisogno di attrezzi speciali. La struttura robusta garantisce durata e sicurezza, anche durante il gioco più vivace.

Image 4.1: The sandbox is designed for easy assembly and features a robust structure for durability.

5. OPERATING INSTRUCTIONS

The KOTARBAU Sandbox is designed for versatile use, offering both play and protection features.

- **Using the Benches:** The sandbox includes two folding benches. These can be opened for comfortable seating during play.
- **Closing the Sandbox:** When not in use, fold the benches inwards to create a protective cover over the sand. This helps shield the sand from dirt, leaves, debris, and animals.
- **Adjusting the Roof:** The roof is height-adjustable and can be lowered. Adjust its position to provide optimal shade from the sun or protection from light rain for children playing inside.

Image 5.1: The sandbox can be configured with the roof up and benches open for play, or with the benches folded to cover the sand.

Image 5.2: The integrated benches fold inwards to form a protective cover for the sandbox.

6. MAINTENANCE

- **Wood Care:** The sandbox is made from high-quality certified pine wood and is impregnated to resist atmospheric conditions. Periodically inspect the wood for any signs of wear or damage.
- **Cleaning:** Clean the wooden surfaces with a damp cloth. Avoid harsh chemicals that could damage the wood or its impregnation.
- **Sand Protection:** Always use the folding benches as a cover and the insulating cover sheet when the sandbox is not in use to keep the sand clean and dry. This prevents contamination from leaves, debris, and animals.
- **Hardware Check:** Regularly check all screws and hinges to ensure they are tight and secure. Tighten if necessary.
- **Winter Storage:** While the wood is treated, consider covering the sandbox with a waterproof tarp during prolonged periods of harsh weather or winter to extend its lifespan.

Image 6.1: The sandbox with its cover closed, protecting the sand from external elements.

7. TROUBLESHOOTING

No specific troubleshooting steps are provided for this product. If you encounter any issues during assembly or use, please review the assembly instructions and ensure all components are correctly installed and

secured.

- **Loose Parts:** If any parts feel loose after assembly, re-check the corresponding screws and tighten them.
- **Roof Adjustment Issues:** Ensure the roof mechanism is free of obstructions and that all fasteners are correctly installed if the roof is difficult to adjust.

8. SPECIFICATIONS

Feature	Detail
Brand	KOTARBAU
Model Number	ZSY3948k
Product Dimensions (L x W x H)	140 x 140 x 120 cm
Sandbox Height	22 cm
Height with Bench	50 cm
Board Thickness	18 mm
Item Weight	35 kg
Material	Certified Pine Wood
Color	Grey with Grey Roof
Recommended Age	18 months and up
Maximum Load Capacity	250 kg
Assembly Required	Yes
Required Sand Quantity	Approx. 250 kg
