## 3. SETUP AND PAIRING

To begin using your Smart Finder, you must pair it with your Apple device using the Find My app.

1. **Ensure Bluetooth is Enabled:** On your iPhone or iPad, go to Settings > Bluetooth and ensure Bluetooth is turned on.
2. **Open the Find My App:** Launch the Apple Find My app on your iOS device.
3. **Add a New Item:** Navigate to the 'Items' tab and tap the '+' icon. Select 'Add Other Item'.
4. **Activate Smart Finder:** Press and hold the button on your Fresh 'n Rebel Smart Finder until you hear a confirmation sound.
5. **Connect:** Your device will detect the 'FnR Smart Tag'. Tap 'Connect' to pair. Follow any on-screen prompts to name your Smart Finder and assign an emoji.

## 4. OPERATING INSTRUCTIONS

### 4.1 Locating Your Item

Once paired, you can locate your Smart Finder using the Apple Find My app.

- **View on Map:** Open the Find My app and select your Smart Finder from the 'Items' tab. Its current or last known location will be displayed on a map.
- **Play Sound:** If your Smart Finder is within Bluetooth range, you can tap 'Play Sound' in the Find My app. The Smart Finder will emit a distinctive sound, helping you pinpoint its exact location. Tap 'Stop Sound Playing' to silence it.

### 4.2 Lost Mode

If your item is lost, you can activate 'Lost Mode' in the Find My app. This feature allows you to:

- **Notify When Found:** Receive a notification when your Smart Finder is detected by another Apple device on the Find My network.
- **Notify When Left Behind:** Receive an alert if you leave your item behind at an unfamiliar location.
- **Display Contact Information:** You can set your Smart Finder to display a message and contact information to anyone who finds it and scans it with an NFC-enabled smartphone.

## 5. MAINTENANCE

### 5.1 Battery Replacement

The Fresh 'n Rebel Smart Finder is powered by a replaceable CR-2032 coin cell battery, offering approximately 16 months of battery life. When the battery is low, you will receive a notification in the Find My app.

1. **Open the Casing:** Carefully open the Smart Finder casing. Refer to the Quick Start Guide for specific instructions on how to open your model.
2. **Remove Old Battery:** Remove the depleted CR-2032 battery.
3. **Insert New Battery:** Insert a new CR-2032 battery with the positive (+) side facing up.
4. **Close Casing:** Securely close the Smart Finder casing.

## 5.2 Cleaning

Wipe the Smart Finder with a soft, damp cloth. Avoid using harsh chemicals or abrasive materials.

## 6. PRODUCT FEATURES

- **IP67 Dust and Water Resistance:** The Smart Finder is designed to withstand dust and water immersion up to 1 meter for 30 minutes, making it suitable for various environments.
- **Durable Casing:** Constructed with robust materials to protect against drops and impacts.
- **Integrated Speaker:** Emits an audible alert to help locate nearby items.
- **Global Coverage:** Leverages the extensive Apple Find My network for worldwide tracking capabilities.

## 7. TROUBLESHOOTING

### • Smart Finder Not Connecting:

- Ensure Bluetooth is enabled on your iOS device.
- Make sure the Smart Finder battery is not depleted. Replace if necessary.
- Try restarting your iOS device.
- Reset the Smart Finder (refer to the Quick Start Guide for reset instructions).

### • Sound Not Playing:

- Ensure the Smart Finder is within Bluetooth range of your iOS device.
- Check the battery level.

### • Location Not Updating:

- Ensure Location Services are enabled for the Find My app on your iOS device.
- The location updates when the Smart Finder is detected by an Apple device on the Find My network. If it's in a remote area, updates may be less frequent.
