4. Setup and Assembly

Assembly of the Coleshome LED Gaming Desk is designed to be straightforward. All necessary tools and detailed instructions are included in the package. Please follow the step-by-step guide provided with your desk for proper assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.

2. **Identify Parts:** Match each component with the corresponding labels in the assembly diagram.
3. **Assemble Frame:** Begin by assembling the main desk frame, ensuring all connections are secure but not overtightened initially.
4. **Install Storage Unit:** The storage unit, including the fabric drawer and shelves, features a **reversible design**. You can mount it on either the right or left side of the desk to suit your room layout and preferences. Follow the specific instructions for your desired configuration.
5. **Attach Desktop:** Securely fasten the carbon fiber desktop to the assembled frame.
6. **Install LED Lighting:** Attach the LED strip to the designated area on the desk. Connect it to the power source as instructed.
7. **Final Tightening:** Once all parts are in place, carefully tighten all screws and bolts to ensure the desk is stable and rigid.
8. **Attach Headphone Hook:** Mount the headphone hook to the desired location on the desk frame.

Reversible Design:

- The storage shelf and PC tower platform can be configured on either the right or left side of the desk during assembly. This allows for flexible placement within your room.

6. Maintenance

Proper care will ensure the longevity of your Coleshome LED Gaming Desk.

- **Cleaning the Desktop:** The carbon fiber textured desktop is water-resistant. Wipe surfaces with a soft, damp cloth. For tougher stains, use a mild, non-abrasive cleaner. Avoid harsh chemicals that may damage the finish.
- **Frame Care:** Clean the metal frame with a damp cloth. Dry immediately to prevent rust.
- **Electrical Components:** Ensure the LED strip and its connections remain dry. Do not immerse in water.
- **Regular Checks:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary to maintain stability.

7. Troubleshooting

If you encounter any issues with your desk, please refer to the following common solutions:

- **LED Lights Not Working:**
 - a. Check if the LED strip is properly connected to the power adapter.
 - b. Ensure the power adapter is securely plugged into a working electrical outlet.
 - c. Verify that the LED controller (if present) is functioning correctly.
- **Desk Instability/Wobbling:**
 - a. Ensure all assembly screws and bolts are fully tightened. Refer to the assembly manual to confirm all connections are made correctly.
 - b. Check if the desk is placed on an even surface. Adjust leveling feet if available.
- **Missing or Damaged Parts:**
 - a. If you discover any missing or damaged parts during unpacking or assembly, please contact Coleshome customer support immediately for assistance.
