

onerbl YA70

onerbl AC-DC Adapter for YaberAuto YA70 Car Jump Starter User Manual

1. INTRODUCTION

This manual provides instructions for the safe and efficient use of your onerbl AC-DC Adapter, designed specifically for the YaberAuto YA70 21800mAh 80.66Wh portable car jump starter. This adapter converts alternating current (AC) power from a standard electrical outlet into the direct current (DC) power required to charge or operate your YaberAuto YA70 device.

Please read this manual thoroughly before using the product and retain it for future reference.

2. SAFETY INFORMATION

To prevent injury or damage to your device, always follow these basic safety precautions:

- Read all instructions before use. Keep this manual for future reference.
- Do not expose the adapter to rain, moisture, or extreme temperatures.
- Do not disassemble, modify, or attempt to repair the adapter. Refer servicing to qualified personnel.
- Ensure the adapter is used only with compatible devices, specifically the YaberAuto YA70.
- Unplug the adapter from the power outlet when not in use or during electrical storms.
- Keep the adapter out of reach of children.
- Avoid placing the adapter in direct sunlight or near heat sources.
- Do not operate the adapter with a damaged cord or plug.

3. SETUP

Follow these steps to set up your onerbl AC-DC Adapter:

1. Connect the adapter's output cable (USB Connector) to the designated charging input port on your YaberAuto YA70 device.
2. Plug the adapter's AC input plug into a standard 110V AC electrical wall outlet.
3. Ensure all connections are secure and firm.

Image: The onerbl AC-DC Adapter, showing its compact design and USB connector. This adapter is designed to provide power to compatible devices like the YaberAuto YA70 car jump starter.

4. OPERATING INSTRUCTIONS

Once properly connected, the onerbl AC-DC Adapter will begin to supply power to your YaberAuto YA70 device. The adapter is designed for continuous power supply or charging the internal battery of your device.

- Refer to your YaberAuto YA70 user manual for specific charging indicators, battery status, and recommended charging times.
- The adapter features built-in protections against over voltage, over heat, and short circuits to ensure safe operation.
- Disconnect the adapter from the wall outlet and the device once charging is complete or if the device is not in use for an extended period.

5. MAINTENANCE

Proper maintenance ensures the longevity and reliable performance of your adapter:

- **Cleaning:** Clean the adapter with a dry, soft cloth. Do not use liquid cleaners, solvents, or abrasive materials, as these can damage the casing or internal components.
- **Storage:** Store the adapter in a cool, dry place away from direct sunlight and extreme temperatures

when not in use.

- **Cable Care:** Avoid bending, twisting, or kinking the power cord excessively. Do not place heavy objects on the cord.
- **Inspection:** Periodically inspect the adapter and its cables for any signs of damage, such as cuts, fraying, or exposed wires. If damage is found, discontinue use immediately and replace the adapter.

6. TROUBLESHOOTING

If you encounter issues with your onerbl AC-DC Adapter, refer to the following common problems and solutions:

- **Adapter not supplying power:**
 - Check if the adapter is securely plugged into both the wall outlet and the YaberAuto YA70 device.
 - Verify the wall outlet is functional by testing it with another electrical device.
 - Ensure the YaberAuto YA70 device is compatible with this specific adapter.
- **Device not charging:**
 - Confirm the device's charging port is clean and free of debris.
 - Refer to the YaberAuto YA70 manual for device-specific charging indicators or issues.
 - If the device's battery is completely depleted, it might take a few minutes for charging indicators to appear.

- **Adapter feels warm during use:**

It is normal for power adapters to become warm during operation. If the adapter becomes excessively hot or emits a burning smell, unplug it immediately and discontinue use.

7. SPECIFICATIONS

| | |
|----------------------------------|---|
| Brand | onerbl |
| Model (Compatible Device) | YaberAuto YA70 |
| Connector Type | USB Connector |
| Compatible Devices | YaberAuto YA70 21800mAh 80.66Wh Portable Car Jump Starter |
| Input Voltage | 110 Volts (AC) |
| Power Source | Corded Electric |
| Special Features | Short Circuit Protection, Over Voltage Protection, Over Heat Protection |
| Color | Black |
| Manufacturer | Shenzhen Waweis Technology Co., Ltd |

8. WARRANTY AND SUPPORT

This onerbl AC-DC Adapter is manufactured with high-quality materials and undergoes rigorous testing to ensure reliability. For specific warranty details, including coverage period and terms, please refer to the

documentation provided at the time of purchase or contact your retailer.

For technical support, troubleshooting assistance beyond what is covered in this manual, or to inquire about warranty claims, please contact the manufacturer or the authorized retailer from whom you purchased the product. Please have your purchase receipt or proof of purchase available when contacting support.
