STILLCOVE Extra Large Bird Cage Instruction Manual

Model: B0F5MPVR22

1. Product Overview

This manual provides detailed instructions for the assembly, operation, and maintenance of your STILLCOVE Extra Large Bird Cage. Designed for various bird species including parakeets, parrots, cockatiels, conures, budgies, canaries, finches, and lovebirds, this cage offers a spacious and secure environment for your feathered companion.
The cage features a durable metal construction, a pull-out tray for easy cleaning, and rolling wheels for convenient mobility. It also includes accessories for customization.

2. Safety Instructions

- Ensure all parts are securely fastened during assembly to prevent instability.
- Regularly inspect the cage for any damaged or loose components that could harm your bird.
- Keep small children and pets away from the assembly area.
- Do not place the cage in direct sunlight or near heating/cooling vents.
- Always engage the wheel brakes when the cage is in a stationary position to prevent accidental movement.
- Ensure the bar spacing (0.59 inches) is appropriate for your bird's size to prevent escape or injury.

3. Included Components

Before beginning assembly, verify that all components are present:

6. Maintenance and Cleaning

- **Daily Cleaning:** Remove and clean food/water bowls daily.

- **Tray Cleaning:** The pull-out tray at the bottom can be easily removed for cleaning. Dispose of waste and rinse the tray with water and a mild, bird-safe disinfectant. Ensure it is completely dry before returning it to the cage.
- **Cage Cleaning:** Periodically wipe down the cage bars and surfaces with a damp cloth and bird-safe cleaner. Avoid harsh chemicals.
- **Accessory Cleaning:** Clean perches, ladders, and swings regularly to prevent bacterial buildup.

7. Troubleshooting

Issue	Possible Cause	Solution
Cage feels unstable or flimsy.	Connectors not fully engaged; insufficient use of clips/ties.	Ensure all panel connectors are fully clicked into place. Use the provided wooden mallet to gently tap connections. Apply all plastic clips and cable zips as instructed to reinforce the structure.
Missing components upon arrival.	Packaging error or transit damage.	Refer to the "Included Components" section and contact customer support with your purchase details for assistance.
Wheels do not roll smoothly or lock.	Improper installation or debris in wheel mechanism.	Check that wheels are correctly attached to the base. Clean any debris from the wheel casters. Ensure the brake lever is fully engaged/disengaged.
