Mobile Functionality (Casters)

The island is equipped with 4 industrial casters, two of which are lockable. To move the island, ensure both lockable casters are in the unlocked position. To secure the island in place, push down the levers on the two lockable casters until they click into the

locked position.

Storage Features

The island offers diverse storage options:

- **Hidden Cabinet:** A spacious cabinet with an adjustable shelf provides flexible storage for larger items. The shelf has 3 height options.
- **Drawer:** A smooth-gliding drawer is ideal for utensils, cutlery, or smaller accessories.
- **3-Tier Spice Rack:** Located on the side, this rack offers convenient access and secure storage for spice bottles and condiments.
- **Towel Bar:** A side-mounted bar for hanging kitchen towels.

MAINTENANCE

To ensure the longevity and appearance of your RALGEND Kitchen Island, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining, especially on the countertop.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary.
- **Casters:** Keep casters free of debris to ensure smooth movement. Lubricate if they become stiff.
- **Avoid Excessive Heat/Moisture:** Do not place hot items directly on the surface without protection. Keep the island away from areas with high humidity.

TROUBLESHOOTING

If you encounter any issues with your kitchen island, refer to the following common troubleshooting tips:

- **Wobbly Island:** Ensure all assembly screws are securely tightened. Check that the casters are properly installed and locked if stationary.
- **Drawer Not Sliding Smoothly:** Verify that the drawer slides are correctly aligned and free of obstructions. Ensure the drawer is not overloaded.
- **Power Outlets Not Working:** Check that the island's main power cord is securely plugged into a functional wall outlet. Test the wall outlet with another device. Ensure no circuit breakers have tripped.
- **Drop-Leaf Not Stable:** Confirm that the support brackets are fully extended and locked into position.

For persistent issues, please contact customer support.
