RORRY 3-in-1 5000mAh Foldable Portable Wireless Charging Station - User Manual

Model: D17

1. INTRODUCTION

The RORRY 3-in-1 5000mAh Foldable Portable Wireless Charging Station is designed to provide convenient and efficient charging for your Apple devices. This compact device integrates a MagSafe-compatible wireless charger for iPhone, a dedicated charging area for Apple Watch, and a wireless charging pad for AirPods, all powered by a built-in 5000mAh power bank. Its foldable design makes it ideal for travel and daily use, ensuring your devices remain powered wherever you are.

Figure 1: RORRY 3-in-1 Charging Station in use, charging multiple Apple devices.

2. WHAT'S IN THE BOX

- RORRY 3-in-1 Charging Station (5000mAh) x 1
- USB-C to USB-C cable x 1
- Magnetic metal ring x 1 (for non-MagSafe compatible phone cases)
- User Manual x 1

Note: A power adapter is not included and must be purchased separately. For optimal performance, a PD 20W USB-C adapter is recommended.

3. SETUP

1. **Unfold the Charging Station:** Gently unfold the device to reveal the three charging areas. The main MagSafe-compatible pad for your iPhone will stand upright, the Apple Watch charger will

extend from the top, and the AirPods charging pad will be at the base.

2. **Connect to Power:** Use the provided USB-C to USB-C cable to connect the charging station to a compatible power adapter (not included). Plug the adapter into a wall outlet.
3. **Power Indicators:** The LED indicator lights on the base will illuminate to show the power bank's charge level and active charging zones.

Figure 2: The charging station can be folded for portability or unfolded for use.

Using the Magnetic Metal Ring (Optional)

If your iPhone case is not MagSafe-compatible, you can attach the included magnetic metal ring to the back of your phone case to enable magnetic attachment to the charging station. Ensure proper alignment for optimal charging.

4. OPERATING INSTRUCTIONS

1. **Charging iPhone:** Place your MagSafe-compatible iPhone (or iPhone with magnetic ring) onto the upright magnetic charging pad. The phone will snap into place, and charging will begin automatically.
2. **Charging Apple Watch:** Extend the Apple Watch charging module and place your Apple Watch onto it. Press the power button on the side of the charging station once to activate the Apple Watch charging area.
3. **Charging AirPods:** Place your wireless charging-compatible AirPods case onto the flat charging pad at the base. Press the power button on the side of the charging station once to activate the AirPods charging area.
4. **Power Bank Functionality:** The built-in 5000mAh power bank allows for portable charging without being connected to a wall outlet. Ensure the power bank is charged before use.
5. **Pass-Through Charging:** You can charge your devices while the power bank itself is being recharged. For optimal performance during pass-through charging, use a PD 20W adapter.

Figure 3: iPhone charging vertically on the magnetic pad.

Figure 4: Apple Watch charging on its dedicated module.

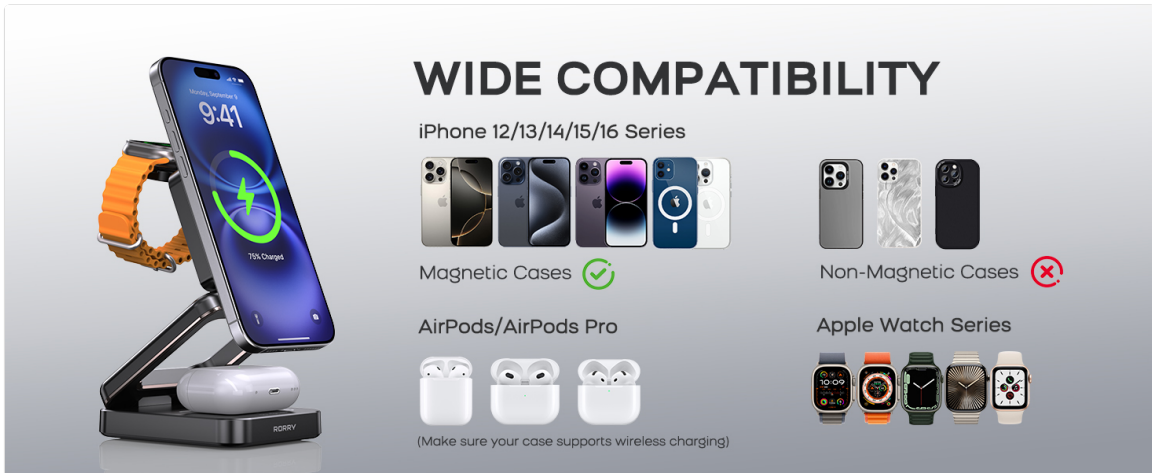

Figure 5: AirPods charging on the base pad.

Charging Speed

- iPhone: Up to 15W wireless charging.
- Apple Watch: Up to 2.5W wireless charging.
- AirPods: Up to 5W wireless charging.
- Power Bank Recharge: Approximately 1.5 hours with a PD 20W USB-C adapter.

5. COMPATIBILITY

- **iPhone:** Compatible with iPhone 17/16/15/14/13/12 series (MagSafe compatible).
- **Apple Watch:** Compatible with Apple Watch Ultra/10/9/8/7/6/SE.
- **AirPods:** Compatible with AirPods/AirPods Pro models that support wireless charging.

WIDE COMPATIBILITY

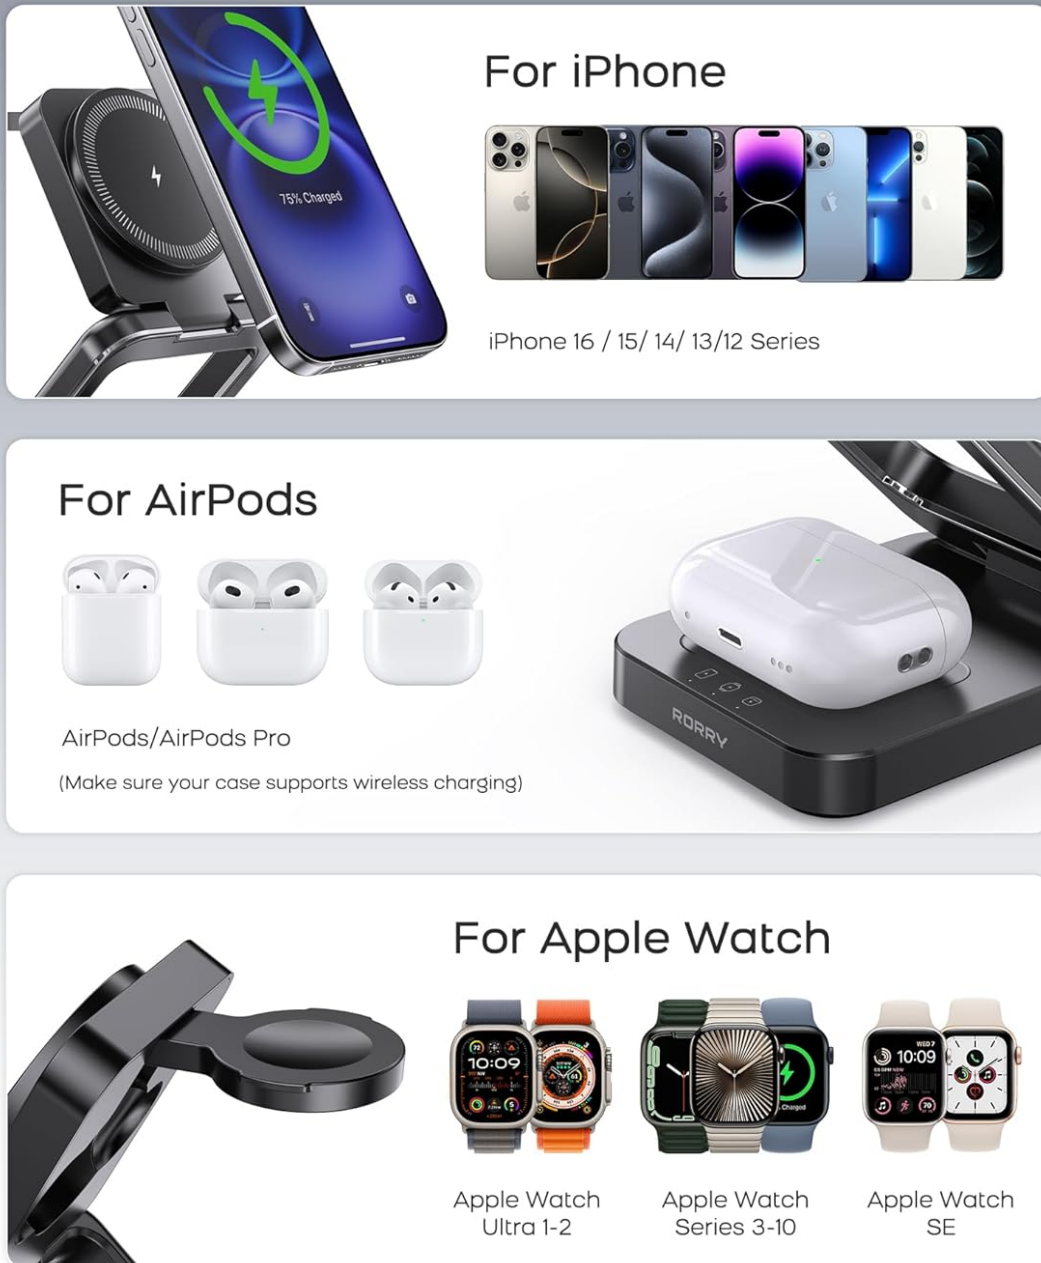

Figure 6: Visual representation of device compatibility.

6. SAFETY FEATURES

The RORRY 3-in-1 Charging Station is equipped with a smart chip that provides multi-layer protection

to ensure safe and reliable charging:

- Over-current protection
- Over-voltage protection
- Short-circuit protection
- Temperature control
- Foreign object detection

Figure 7: Advanced safety features for secure charging.

7. MAINTENANCE

- Keep the device dry and away from moisture.
- Clean the charging surfaces gently with a soft, dry cloth.
- Avoid dropping or subjecting the device to strong impacts.
- Do not attempt to disassemble, repair, or modify the device.

8. TROUBLESHOOTING

Problem	Possible Solution
Device not charging	Ensure the charging station is properly connected to a power source. Verify that the power adapter is functional and provides sufficient power (PD 20W recommended). Check if the power button has been pressed to activate Apple Watch/AirPods charging.
Slow charging	Use a PD 20W USB-C power adapter for optimal charging speeds. Ensure your device is correctly aligned on the charging pad. Remove any thick or non-magnetic phone cases.
Intermittent charging	Check for foreign objects between the device and the charging pad. Ensure stable power connection. Realign the device on the charging pad.
LED indicators not working	Ensure the charging station is powered on. If the issue persists, contact customer service.

9. SPECIFICATIONS

- **Model:** D17
- **Product Dimensions:** 3.82 x 2.95 x 1.26 inches
- **Item Weight:** 8.5 ounces
- **Battery Capacity:** 5000 Milliamp Hours (Lithium Polymer)
- **Connectivity:** USB Type C
- **Special Features:** Foldable Design, LED Indicator Lights, MagSafe Compatible, Multi-Security Protection, Travel-Friendly
- **Manufacturer:** Shenzhen Xianyang Innovation Technology Co., Ltd

10. WARRANTY AND SUPPORT

The RORRY 3-in-1 Charging Station comes with a 12-month worry-free warranty. For any questions,

concerns, or technical support, please contact our friendly customer service team. Refer to the contact information provided in the product packaging or on the official RORRY website.
