Aecooly PB02-A

Aecooly PB02-A 3-in-1 Portable Fan Instruction Manual

Brand: Aecooly | Model: PB02-A

1. INTRODUCTION

Thank you for choosing the Aecooly PB02-A 3-in-1 Portable Fan. This versatile device is designed to provide personal cooling in various situations, functioning as a handheld fan, a desktop fan, or a neck-hanging fan. Featuring a dual-ring turbo airflow system, 5 adjustable speeds, and a long-lasting 5000mAh battery, it ensures efficient and consistent airflow for extended periods. This manual provides essential information for safe and optimal use of your fan.

2. PACKAGE CONTENTS

Please verify that all items are present in the package:

- 1 x Aecooly PB02-A 3-in-1 Portable Fan
- 1 x USB Type-C Charging Cable
- 1 x Lanyard
- 1 x User Guide (this manual)

Package Includes

Image: The Aeecoily PB02-A portable fan, USB Type-C charging cable, and lanyard, as included in the package.

3. PRODUCT FEATURES

3.1. Versatile 3-in-1 Design

The Aeecoily PB02-A fan offers three modes of use to adapt to your needs:

- **Handheld Mode:** Hold the fan comfortably in your hand for direct cooling.
- **Desktop Mode:** Fold the handle to create a stable base, allowing the fan to stand on a flat surface.
- **Neck-Hanging Mode:** Attach the included lanyard to wear the fan around your neck for hands-free cooling.

3-IN-1

Cooling Solution Made for Life

3.2. Dual-Ring Turbo Airflow

Equipped with a powerful turbo fan and a dual-ring system, the fan channels air through two synchronized outlets. This design compresses more air, delivering a stronger and more consistent breeze for enhanced cooling.

Turbo-Driven Jet Wind

Compress more air to deliver powerful wind

Maximum Wind Speed

23 ft/s

Image: An exploded view of the Aeecooly PB02-A fan's internal mechanism, highlighting the dual-ring design and powerful airflow reaching up to 23 ft/s.

3.3. 5-Speed Adjustable Airflow

Customize your cooling experience with 5 distinct speed settings, ranging from a gentle breeze to a powerful gust. The fan's intelligent design ensures optimal performance at each level.

3.4. Extended Battery Life

The fan is equipped with a high-capacity 5000mAh battery, providing up to 22 hours of continuous cooling on the lowest speed setting. This ensures prolonged use for outdoor activities, travel, or daily routines.

3.5. Smart LED Digital Display

An integrated LED display shows the current fan speed (P1-P5) and the remaining battery percentage, allowing you to monitor usage and charge status easily.

3.6. 160° Adjustable Angle

The fan head can be adjusted up to 160 degrees, allowing you to direct the airflow precisely where needed, whether you're holding it, wearing it, or using it on a desk.

4. SETUP

4.1. Charging the Fan

1. Locate the USB Type-C charging port on the side of the fan's handle.
2. Connect the provided USB Type-C cable to the fan's charging port.
3. Connect the other end of the USB cable to a compatible USB power source (e.g., wall adapter, computer USB port, power bank).

4. The LED display will show the charging status. Ensure the fan is fully charged before first use for optimal battery performance.

4.2. Attaching the Lanyard

1. Identify the lanyard hole located near the top of the fan's handle.
2. Thread the thin loop of the lanyard through the lanyard hole.
3. Pass the larger part of the lanyard through the threaded loop and pull gently to secure it.
4. Ensure the lanyard is firmly attached before wearing the fan around your neck.

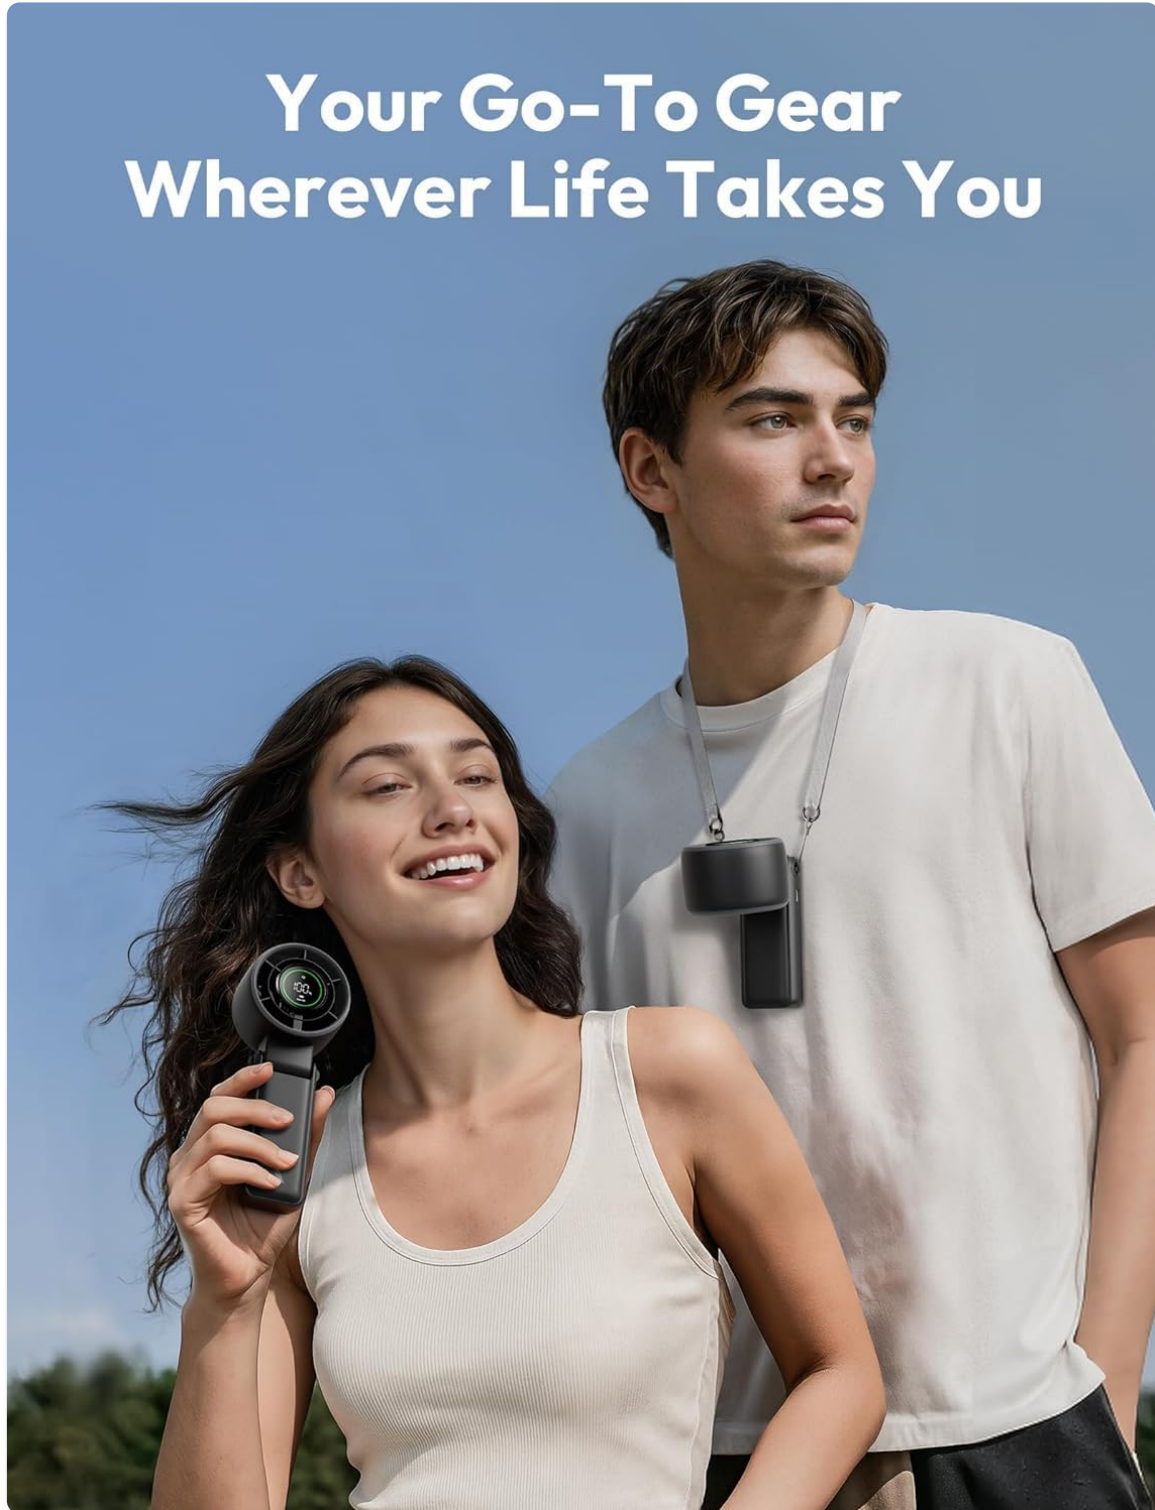

Image: A step-by-step guide demonstrating how to attach the lanyard to the Aeecooly PB02-A fan using its open-loop design, and how to remove it.

5. OPERATING INSTRUCTIONS

5.1. Power On/Off

- To turn on the fan: Press and hold the power button (located on the side of the handle) for 2 seconds. The LED display will light up, showing the battery percentage and then the current speed setting (P1).
- To turn off the fan: Press and hold the power button for 2 seconds.

5.2. Adjusting Fan Speed

- While the fan is on, short press the power button to cycle through the 5 speed settings (P1, P2, P3, P4, P5).
- Each press will increase the fan speed. After P5, the next press will return to P1.

5.3. Using Different Modes

- **Handheld:** Hold the fan by its handle. Adjust the fan head to your desired angle (up to 160°).
- **Desktop:** Fold the handle back until it forms a stable base, allowing the fan to stand upright on a flat surface. Adjust the fan head angle as needed.
- **Neck-Hanging:** With the lanyard attached, wear the fan around your neck. Adjust the fan head to direct airflow towards your face or body.

6. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to wipe the exterior of the fan. Do not use harsh chemicals or abrasive materials. Ensure the fan is turned off before cleaning.
- **Storage:** When not in use for extended periods, store the fan in a cool, dry place, away from direct sunlight and extreme temperatures. It is recommended to charge the fan every 3 months to maintain battery health.

7. TROUBLESHOOTING

- **Fan not turning on:** Ensure the battery is charged. Connect the fan to a power source using the USB Type-C cable.
- **Weak airflow:** Check the current speed setting on the LED display. Increase the speed if necessary.
- **Unusual noise:** Turn off the fan and check for any obstructions in the fan blades. If the issue persists, contact customer support.
- **Charging issue:** Ensure the USB Type-C cable is properly connected to both the fan and the power source. Try a different cable or power adapter.

8. SPECIFICATIONS

Feature	Detail
Brand	Aecoooly
Model Name	PB02-A
Color	Black
Product Dimensions	2"D x 2.9"W x 7.4"H
Item Weight	10.8 ounces (0.31 Kilograms)
Battery Capacity	5000mAh Lithium Ion (included)
Max Cooling Time	Up to 22 hours
Number of Speed Levels	5
Charging Port	USB Type-C
Control Method	Push Button
Certifications	FCC, CE, ROHS, UN38.3, KC

9. SAFETY INFORMATION

- Do not immerse the fan in water or expose it to excessive moisture.
- Keep the fan away from open flames or high temperatures.
- Do not disassemble, repair, or modify the fan yourself. Contact qualified personnel for service.
- Keep out of reach of children. Ensure children do not insert fingers or objects into the fan blades.
- Use only the provided charging cable or a certified USB Type-C cable.
- Avoid dropping or subjecting the fan to strong impacts.

10. WARRANTY AND SUPPORT

The Aecoooly PB02-A Portable Fan comes with a standard manufacturer's warranty. For detailed warranty information, product support, or service inquiries, please refer to the contact information provided on the product packaging or visit the official Aecoooly website.
