Lvifur HTX-85064-25NEW

Lvifur 3-in-1 Vanity Desk User Manual

Model: HTX-85064-25NEW

1. Safety Information

Please read and understand all safety instructions before assembly, operation, or maintenance of the Lvifur 3-in-1 Vanity Desk. Failure to follow these instructions may result in injury or damage to the product.

- Always unplug the vanity desk from the power source before performing any assembly, disassembly, cleaning, or maintenance.
- Exercise caution with sharp edges and potential pinch points during the assembly process.
- Keep all electrical components, including the charging station and mirror lights, dry and away from heat sources.
- Do not overload the USB, Type-C ports, or wireless charger. Use only compatible devices and power ratings.
- Follow the assembly instructions carefully and ensure all fasteners are securely tightened.
- The mirror component is heavy. Two people are recommended for safe handling and installation of the mirror to prevent injury or damage.
- Consider securing the vanity to a wall using an anti-tip mechanism (if provided) to prevent accidental tipping, especially in households with children or pets.

2. Product Overview

The Lvifur 3-in-1 Vanity Desk is designed to provide a compact and functional space for makeup application and storage. It features an integrated mirror with adjustable LED lighting, a versatile charging station, and a storage stool with wheels.

Figure 1: Product Dimensions. This diagram illustrates the overall dimensions of the vanity desk and the accompanying stool, including height, width, and depth measurements.

3. Setup and Assembly

Assembly of the Lvifur 3-in-1 Vanity Desk is required. Please follow the detailed instructions provided in the separate assembly guide included with your product. Ensure all components are present before beginning assembly.

3.1. Pre-Assembly Checklist

- Verify all parts and hardware are accounted for against the packing list.
- Gather necessary tools, which may include a screwdriver and potentially a drill for certain steps.
- Clear a spacious and well-lit area for assembly.

3.2. Important Assembly Notes

- **Mirror Installation:** The mirror component is substantial in weight. It is strongly recommended that two individuals handle and secure the mirror to the main desk frame to ensure stability and prevent injury.
- **Pre-drilled Holes:** In some instances, certain screw holes, particularly for the mirror attachment, may not be pre-drilled. If encountered, a power drill with an appropriate drill bit may be necessary to create pilot holes before inserting screws. Exercise caution to avoid over-drilling.
- **Component Orientation:** Pay close attention to the diagrams in the assembly guide to ensure components are oriented correctly. Incorrect orientation can affect functionality and stability.

Figure 2: Stool with Wheels. The stool is equipped with universal wheels for easy movement.

4. Operating Instructions

4.1. Mirror and LED Lights

The vanity mirror features integrated LED lighting with adjustable settings.

- **Color Adjustment:** Short press the touch sensor on the mirror to cycle through three light colors: natural light, warm light, and cold light.
- **Brightness Adjustment:** Long press the touch sensor to adjust the brightness level of the selected light color. Release when the desired brightness is achieved.
- **Human Sensor:** The mirror lights are equipped with a human body induction function. The lights will automatically switch on when motion is detected within 1-2 meters of the vanity.

Figure 3: 3-Color LED Lights. Short press to switch light color, long press to adjust brightness.

Figure 4: Human Sensor Function. Lights activate automatically upon detecting movement.

4.2. Charging Station

The vanity desk includes a convenient charging station for your electronic devices.

- **USB Port:** Connect devices requiring a standard USB-A connection (5V/2.1A output).
- **Type-C Port:** Connect devices compatible with a USB-C connection (5V/2.1A output).
- **Wireless Charging:** Place compatible devices on the designated wireless charging pad to initiate charging. Ensure the device is centered on the pad for optimal performance.

Figure 5: 3-in-1 Charging Station. Provides USB, Type-C, and wireless charging capabilities.

4.3. Storage Features

- **Jewelry Cabinet:** Behind the mirror, a dedicated jewelry storage space offers 108 ring/earring slots and 30 necklace/bracelet hooks. This keeps jewelry organized and protected from dust.
- **Visible Glass Top Drawer:** A drawer located under the glass tabletop allows for easy visibility and access to frequently used cosmetics.
- **Storage Stool:** The cushioned stool features a flip-top design revealing a hidden storage compartment. Additionally, a large pull-out drawer is located under the stool for extra storage. The stool is equipped with 4 wheels for flexible movement.

Figure 6: Jewelry Storage Cabinet. Organized storage for rings, earrings, and necklaces behind the mirror.

Figure 7: Storage Stool. Features a flip-top compartment and a pull-out drawer for additional storage.

5. Maintenance and Care

Proper care will extend the life and appearance of your vanity desk.

- **Cleaning Surfaces:** Wipe engineered wood surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that can damage the finish. For glass surfaces, use a glass cleaner and a lint-free cloth.
- **Electrical Components:** Keep the charging station and mirror light components free from dust and moisture. Do not spray liquids directly onto electrical parts.
- **Moving the Desk:** When moving the entire vanity desk, always lift it rather than dragging to prevent damage to the legs or floor. The stool can be easily moved using its wheels.
- **Tightening Fasteners:** Periodically check and tighten all screws and fasteners to ensure the desk remains stable.

6. Troubleshooting

If you encounter issues with your vanity desk, refer to the following common solutions:

Problem	Possible Cause	Solution
Mirror lights or charging station not working.	Power cable disconnected; faulty power adapter; device incompatibility.	Ensure the power cable is securely plugged into both the vanity and a working wall outlet. Check the power adapter for damage. Test with a different compatible device for charging. If issues persist, contact customer support.
Mirror appears crooked or unstable.	Improper installation; loose fasteners; heavy mirror weight.	Review assembly instructions for mirror installation. Ensure all screws are tightened. If possible, have two people re-secure the mirror. Consider using the anti-tip mechanism if not already installed.

Problem	Possible Cause	Solution
Stool drawers or hidden compartment not opening/closing smoothly.	Obstruction; misaligned rails; overloaded compartment.	Check for any items obstructing the drawer or lid. Ensure the stool is on a level surface. Verify drawer rails are properly aligned and free of debris. Do not overload storage compartments.
Human sensor for lights not activating.	Obstruction; sensor dirty; out of range.	Ensure the sensor area is clear of obstructions and clean. Verify you are within the 1-2 meter detection range.

7. Specifications

Feature	Detail
Model Number	HTX-85064-25NEW
Brand	Lvifur
Color	Cream White
Material	Engineered Wood
Product Dimensions (D x W x H)	16"D x 20"W x 58"H
Number of Drawers	3 (including stool drawer)
Mirror Features	Frameless, 3-Color Dimmable LED Light, Human Sensor
Charging Station	1x USB (5V/2.1A), 1x Type-C (5V/2.1A), Wireless Charger
Stool Features	Cushioned, Flip-top Storage, Pull-out Drawer, 4 Wheels
Jewelry Storage	108 Ring/Earring Slots, 30 Necklace/Bracelet Hooks (behind mirror)
