6. MAINTENANCE

Proper care and maintenance will help preserve the appearance and longevity of your sofa.

6.1 Fabric Care (Chenille)

- **Regular Cleaning:** Vacuum the fabric regularly using a soft brush attachment to remove dust and loose debris.

- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain. For stubborn stains, use a mild fabric cleaner specifically designed for chenille, testing on an inconspicuous area first.
- **Avoid Harsh Chemicals:** Do not use harsh detergents, bleach, or abrasive cleaners, as these can damage the fabric.
- **Removable Cushion Covers:** The seat cushion covers are removable. Refer to the care label on the cushion for specific washing instructions.

6.2 Wood Leg Care

- **Cleaning:** Wipe wooden legs with a soft, damp cloth. Dry immediately with a clean, dry cloth.
- **Avoid Scratches:** Consider placing felt pads under the legs if the sofa will be on hard flooring to prevent scratches.
