3. Setup Guide

Follow these steps to set up your IPTV H96 Max TV Stick:

1. **Connect the TV Stick:** Plug the H96 Max TV Stick directly into an available HDMI port on your television. If space is limited, use the provided HDMI extension cable.
2. **Connect Power:** Connect the power cable to the TV Stick and then to the power adapter. Plug the adapter into a power outlet.
3. **Select HDMI Input:** Turn on your television and select the correct HDMI input source using your TV remote.
4. **Pair Remote Control:** Follow the on-screen instructions to pair your remote control. Typically, this involves pressing and holding specific buttons (e.g., 'OK' and 'Volume Down') simultaneously until the indicator light flashes.

5. **Connect to Wi-Fi:** Once the remote is paired, navigate through the on-screen setup to connect your TV Stick to your home Wi-Fi network. Enter your Wi-Fi password when prompted.
6. **Google Account Sign-in:** Sign in with your Google account to access the Google Play Store and personalize your experience.

4. Operating Instructions

The H96 Max TV Stick runs on Android 14, offering a user-friendly interface.

4.1 Navigation

Use the directional pad and 'OK' button on your remote to navigate through menus and select items. The 'Home' button returns you to the main Android TV interface.

4.2 Voice Control (Google Assistant)

Press the dedicated Google Assistant button on your remote to activate voice commands. You can search for content, open applications, control playback, and get information by speaking into the remote.

Attribute	Value
Brand	IPTV
Model Name	H96 MAX
Product Type	TV Decoder / Media Streamer
Operating System	Android 14
Resolution	3840 x 2160 pixels (4K UHD)
RAM	2 GB
ROM	16 GB
Connectivity Technology	HDMI, Wi-Fi (Wi-Fi 6)

Special Features	Android 14, Chromecast Built-in, Netflix, Google Voice Assistant
Compatible Devices	Smart Television
Controller Type	Remote Control
Weight	1 Grams

6. Maintenance

To ensure optimal performance and longevity of your H96 Max TV Stick, consider the following maintenance tips:

- **Keep Clean:** Gently wipe the device and remote with a soft, dry cloth. Avoid liquid cleaners.
- **Avoid Obstructions:** Ensure the TV Stick has adequate ventilation and is not covered, to prevent overheating.
- **Software Updates:** Regularly check for and install system updates to benefit from new features, performance improvements, and security patches. You can usually find this option in the 'Settings' menu under 'Device Preferences' or 'About'.
- **Power Cycle:** If the device becomes unresponsive, disconnect it from the power source for a few seconds, then plug it back in.

7. Troubleshooting

If you encounter issues with your H96 Max TV Stick, refer to the following common solutions:

- **No Power/No Display:**
 - Ensure the power cable is securely connected to both the TV Stick and the power adapter, and the adapter is plugged into a working outlet.
 - Verify that the TV Stick is fully inserted into the HDMI port on your television.
 - Check that your TV is set to the correct HDMI input source.
- **Remote Control Not Responding:**
 - Ensure the batteries in the remote are correctly inserted and have sufficient charge.
 - Try re-pairing the remote control by following the setup instructions (Section 3.4).
- **Wi-Fi Connectivity Issues:**
 - Restart your Wi-Fi router and modem.
 - Go to 'Settings' > 'Network & Internet' on the TV Stick to check available networks and reconnect.
 - Ensure the TV Stick is within range of your Wi-Fi router.
- **App Freezing or Slow Performance:**
 - Close and reopen the application.
 - Clear the cache of the problematic app via 'Settings' > 'Apps'.
 - Restart the TV Stick.

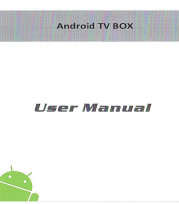

8. Warranty and Support

The IPTV H96 Max TV Stick comes with a **2-year manufacturer's warranty**. For any technical assistance, product inquiries, or warranty claims, please contact our customer service. Our support team is available **7**

days a week to assist you.

Please refer to your purchase documentation for specific contact details or visit the official IPTV support website.
