2. Safety Information

Your safety is paramount. Please adhere to the following guidelines:

- Always use appropriate safety gear, such as gloves, when assembling.
- Be cautious of pinch points during assembly and use, especially when handling doors and hinges.
- Do not exceed the weight limit of the shelves. Distribute weight evenly to prevent tipping or damage.
- Always follow the instructions provided in this manual for proper assembly and use.
- Secure the unit to a wall using the provided anti-tipping hardware to prevent accidental falls, especially in households with children or pets.

3. Package Contents

The VOWNER SG-003 bookshelf and storage cabinet system is delivered in multiple packages, which may arrive separately. Please verify that all components and hardware are present before beginning assembly. Refer to the

included parts list in your physical instruction booklet.

5. Assembly Instructions

Assembly is required for this product. Please follow the step-by-step instructions provided in the physical manual included with your purchase. Ensure you have all necessary tools and components before starting.

5.1. Before You Begin

- Clear a spacious, clean area for assembly.
- Unpack all boxes and identify all numbered parts and hardware.
- Gather necessary tools (e.g., screwdriver, hammer).

5.2. General Assembly Steps (Refer to detailed manual for specific order)

1. **Assemble the Base:** Attach the bottom panels and support legs.
2. **Attach Side Panels:** Secure the vertical side panels to the base.
3. **Install Shelves:** Insert fixed shelves into the designated slots.
4. **Attach Back Panel:** Secure the back panel to the unit.
5. **Install Doors:** Attach hinges to the doors and then to the cabinet frame. Adjust hinges for proper door alignment.
6. **Attach Handles:** Secure the door handles.
7. **Secure to Wall:** Use the provided anti-tipping hardware to anchor the unit to a wall. This is a critical safety step.

6. Usage and Care

6.1. Operating the Unit

- **Loading Shelves:** Distribute items evenly across shelves. Place heavier items on lower shelves for stability.
- **Door Operation:** Open and close doors gently. The glass doors are designed to display items while keeping dust out, and solid doors conceal items for a tidy appearance.
- **Placement:** Position the unit on a level surface to prevent wobbling. Avoid placing in areas with excessive moisture or direct sunlight to preserve the wood finish.

Image 6.1: Individual cabinet features and storage areas.

6.2. Maintenance

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Dusting:** Regularly dust the unit to maintain its appearance.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary.

7. Troubleshooting

- **Unit is Wobbly:** Ensure the unit is on a level surface. Check all connections and tighten screws. Verify that the anti-tipping hardware is securely installed.
- **Doors Not Aligning:** Adjust the hinges as needed. Most hinges allow for minor adjustments to align doors horizontally and vertically.
- **Missing Parts:** If you find any parts missing or damaged upon unpacking, please contact VOWNER customer support immediately.

8. Warranty and Support

VOWNER stands behind the quality of its products. For specific warranty information, please refer to the documentation included with your purchase or visit the official VOWNER website. If you have any questions, require assistance with assembly, or need to report missing/damaged parts, please contact VOWNER customer support:

Customer Support: Refer to your purchase documentation for contact details or visit the VOWNER brand store on Amazon: VOWNER Store

Ask a question about this manual
