RUMDS X3i

RUMDS X3i Earbuds Protective Case User Manual

Model: X3i (ASIN: B0F5WVBXFX)

PRODUCT OVERVIEW

The RUMDS X3i Earbuds Protective Case is designed to provide superior protection for your X3i earbuds. Crafted from high-quality silicone, this case offers a skin-friendly feel, is washable, and features oil spray coating for anti-fingerprint and non-staining properties. Its high elasticity and shock absorption capabilities protect your earbuds from impacts and falls.

This protective sleeve is precisely molded to fit the X3i earbuds, ensuring a tight fit without affecting charging. It is removable and designed for long-term use without fading or yellowing.

PACKAGE CONTENTS

- 1x Earphone Protective Sleeve (Red)

SETUP

1. **Preparation:** Ensure your X3i earbuds charging case is clean and free of dust or debris.
2. **Inserting the Earbuds Case:** Gently slide your X3i earbuds charging case into the silicone protective sleeve. Ensure the case is fully seated and aligned with the precise cutouts for the charging port and indicator light.
3. **Secure Fit:** The sleeve is designed for a tight fit. Apply gentle pressure to ensure it completely encases the earbuds charging case.
4. **Carabiner Attachment (Optional):** If desired, attach the included carabiner clip to the designated loop on the protective sleeve for convenient carrying.

OPERATING INSTRUCTIONS

The RUMDS X3i protective case is designed for seamless daily use with your earbuds. Once installed, you can continue to use your earbuds as normal.

- **Charging:** The precise hole opening ensures that you do not need to remove the headphone sleeve for charging. Simply connect your charging cable to the earbuds case while it is inside the protective sleeve.
- **Portability:** Use the attached carabiner to clip your earbuds case to a bag, belt loop, or keys for easy and secure transport.
- **Protection:** The high elasticity and shock-absorbing properties of the silicone material provide protection against accidental drops and impacts.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your RUMDS X3i protective case, follow these simple maintenance guidelines:

- **Cleaning:** The case is washable. If stained, wipe it with a damp cloth. For more thorough cleaning, you can remove the case from your earbuds and wash it gently with mild soap and water. Rinse thoroughly and allow it to air dry completely before re-installing.
- **Stain Resistance:** The oil spray coating helps prevent fingerprints and staining. Most common stains can be easily wiped away.
- **Long-term Use:** The skin-friendly material is designed to be durable and resist fading or yellowing over time, maintaining its new appearance with proper care.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Case does not fit properly.	Incorrect alignment or not fully seated.	Ensure the earbuds charging case is correctly oriented and gently push it fully into the protective sleeve until it is snug.
Charging port is obstructed.	Case not aligned correctly.	Adjust the position of the earbuds case within the sleeve to ensure the charging port cutout is perfectly aligned.
Case appears dirty or stained.	Accumulation of dirt or oils.	Wipe with a damp cloth. For stubborn stains, remove the case and wash with mild soap and water, then air dry.
