KEEPOW Reusable Microfiber Mop Pads and Ironing Cloths Instruction Manual

Model: 14001M | Brand: KEEPOW

1. PRODUCT OVERVIEW

The KEEPOW Reusable Microfiber Mop Pads and Ironing Cloths are designed as replacement accessories for compatible steam cleaners. This package includes microfiber mop pads for floor cleaning and ironing cloths for steaming various surfaces. These accessories are intended to enhance the cleaning capabilities of your steam cleaner.

Compatibility: These pads are compatible with Waitbird steam cleaner models CB-03A and STC-EU168. They are also compatible with TVD steam cleaners. Use with other brands is not recommended.

2. PRODUCT FEATURES

- **Microfiber Fabric:** Constructed from microfiber material for effective cleaning and absorption.
- **Dual-Sided Mop Pads:** Mop pads are designed for double-sided use, extending their lifespan between washes.
- **Easy Installation:** Features a no-fold, slide-on design for quick and hassle-free attachment to the steam mop head.
- **Reusability:** Both mop pads and ironing cloths are reusable and machine washable, promoting sustainability and cost-effectiveness. A laundry bag is included for convenience during washing.
- **Wide Application:** Suitable for various hard floor types including hardwood, tile, laminate, vinyl, bamboo, marble, stone, and cement. Ironing cloths can be used for steaming garments, upholstery, and other fabric surfaces.

3. SETUP AND INSTALLATION

Follow these steps to install the microfiber mop pads onto your compatible steam cleaner:

1. Ensure your steam cleaner is turned off and cooled down before handling.
2. Align the microfiber mop pad with the steam mop head.
3. Slide the mop head into the pockets of the pad until it is securely fitted. The pre-shaped pocket design ensures a snug fit without folding or creases.
4. Verify the pad is firmly attached to prevent it from slipping during use.

4. OPERATING INSTRUCTIONS

Once the mop pad is installed, operate your steam cleaner according to its manufacturer's instructions. The microfiber pads are designed to effectively clean stubborn stains and absorb spills.

- **Floor Cleaning:** Use the microfiber mop pads for steam cleaning hardwood, tile, laminate, vinyl, bamboo, marble, stone, and cement floors. The microfiber material is effective at picking up dirt, dust, and pet hair.
- **Surface Steaming (Ironing Cloths):** The ironing cloths can be used with the handheld attachment of your steam cleaner for steaming garments, upholstery, and other fabric items.

The advertisement features a large, stylized text graphic at the top that reads "SUITABLE FOR ALL SURFACES" in a bold, blue, bubbly font with a yellow outline. Below this, a grid of eight square images displays different floor textures: Vinyl (beige carpet-like), Bamboo (light wood grain), Laminate (medium wood grain), Hardwood (dark wood grain), Marble (white with grey veining), Stone (grey rectangular tiles), Tile (orange-brown square tiles), and Cement (dark grey with white speckles). To the right of the grid, a circular inset provides a magnified view of the blue microfiber mop pad's texture, showing its dense, looped fibers. In the background, a black steam mop is shown in use on a light-colored wooden floor. The bottom of the advertisement features a blue and yellow curved banner with the "keepow" logo in a stylized, lowercase font.

5. MAINTENANCE

To maintain the effectiveness and longevity of your KEEPOW microfiber mop pads and ironing cloths, follow these cleaning instructions:

- **Machine Washable:** The pads and cloths are machine washable. Place them in the included laundry bag before washing to protect the fibers and prevent tangling with other laundry items.
- **Washing Cycle:** Use a cold wash cycle. Avoid using bleach or fabric softeners, as these can degrade the microfiber material and

reduce its cleaning efficiency.

- **Drying:** Air dry or tumble dry on a low heat setting. High heat can damage the microfiber.
- **Replacement Recommendation:** For optimal performance, it is recommended to replace the mop pads every 1 to 3 months, depending on usage frequency and cleaning intensity.

6. TROUBLESHOOTING

If you encounter issues while using the KEEPOW microfiber mop pads or ironing cloths, consider the following:

- **Pads not staying on:** Ensure the mop pad is correctly aligned and fully slid onto the steam mop head's gripping mechanism. The elastic edges should securely hold the pad in place.
- **Reduced cleaning effectiveness:** The pads may be saturated with dirt or have reached the end of their effective lifespan. Wash the pads thoroughly or replace them if necessary. Ensure your steam cleaner is producing adequate steam.
- **Streaking on floors:** This can occur if the pads are too dirty, or if too much cleaning solution (if used with the steam cleaner) is applied. Ensure pads are clean and only use water or recommended cleaning solutions with your steam cleaner.

For further assistance, refer to your steam cleaner's instruction manual or contact KEEPOW customer support.
