› COMHOMA Big and Tall Office Chair 400lbs High Back Computer Gaming Chair with Ergonomic Lumbar Support & Pocket Spring Cushion for Lower Back Pain Relief, Leather Executive Chair with Foot Rest, Black

## COMHOMA L-CH215

# COMHOMA Big and Tall Office Chair Instruction Manual

Model: L-CH215

## INTRODUCTION

---

Thank you for choosing the COMHOMA Big and Tall Office Chair, Model L-CH215. This chair is engineered to provide exceptional comfort and robust support for extended periods, ideal for office work, gaming, or relaxation. With a 400lbs weight capacity, ergonomic design, and premium materials, it ensures a comfortable and durable seating experience. Key features include:

- **400LBS Weight Capacity:** Designed for larger individuals, offering enhanced stability and support.
- **Ergonomic Lumbar Support:** Features a thicken and enlarged headrest and prominent backrest sides for optimal spinal alignment and pain relief.
- **Individual Pocket Springs:** Dual-layer high-density sponge with independent pocket springs in the seat cushion for superior comfort and pressure distribution.
- **Deluxe PU Leather:** Scratch-resistant, spill-resistant, breathable, and easy-to-clean material for lasting performance and comfort.
- **Adjustable Recline:** Backrest reclines from 90° to 150° for versatile use.
- **Retractable Footrest:** Provides additional comfort for relaxation.
- **Adjustable Armrests:** Outward-flared padded armrests with one-touch height adjustment.

# SAFETY INFORMATION

---

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Ensure all screws and bolts are tightened securely before use. Periodically check and re-tighten as necessary.
- Do not stand on the chair. Use only for seating purposes.
- Use the chair on a level, stable surface to prevent tipping.
- Keep hands and fingers clear of moving parts during adjustment.
- Do not exceed the maximum weight capacity of 400 lbs.
- Keep packaging materials away from children to prevent choking hazards.

# PACKAGE CONTENTS

---

Before beginning assembly, ensure all components listed below are present and undamaged:

- Chair Backrest
- Seat Cushion with Mechanism
- Armrests (2)
- Footrest Assembly
- Star Base
- Casters (5)
- Gas Lift
- Gas Lift Cover
- Lumbar Pillow
- Hardware Pack (screws, washers, Allen wrench)

## SETUP AND ASSEMBLY

Assembly typically takes 15-30 minutes. Follow these steps carefully:

1. **Install the Base:** Attach the five metal legs to the central hub of the star base using the provided screws and Allen wrench.
2. **Insert the Casters:** Firmly push each of the five casters into the holes at the end of each leg on the star base until they click into place.
3. **Install Gas Lift:** Place the gas lift into the center hole of the assembled star base. Cover it with the gas lift cover.
4. **Install the Mechanism:** Attach the seat mechanism to the underside of the seat cushion using the designated screws. Ensure the 'FRONT' label on the mechanism faces the front of the seat.

5. **Install Footrest Rails:** Secure the footrest rails to the underside of the seat cushion, near the front, using the provided screws.
6. **Install Armrests:** Attach the armrests to the sides of the seat cushion using the appropriate screws. Ensure they are securely fastened.
7. **Install Connector on Chair Back:** Secure the metal connector bracket to the lower back of the chair backrest using screws.
8. **Attach Seat to Gas Lift:** Carefully align the center hole of the seat mechanism with the top of the gas lift and firmly press down until the seat is securely seated.
9. **Attach Chair Back to Seat:** Slide the connector bracket on the chair back into the rear end of the seat mechanism. Secure with screws.
10. **Install Lumbar Pillow:** Attach the lumbar pillow to the chair back using its adjustable straps.

## OPERATING INSTRUCTIONS

---

Your COMHOMA office chair offers several adjustable features for personalized comfort:

- **Height Adjustment:** Locate the lever on the right side under the seat. Pull the lever up to raise the chair. To lower the chair, remain seated and pull the lever up. Release the lever at your desired height.
- **Backrest Recline (90°-150°):** Use the recline lever on the left side under the seat. Pull the lever up to unlock the backrest, then lean back to your desired angle. Push the lever down to lock the backrest in place.
- **Retractable Footrest:** Pull the footrest out from under the seat. Extend it fully for leg support. Push it back in when not in use.
- **Armrest Adjustment:** The armrests can be adjusted in height. Locate the button or lever on the side of each armrest. Press it to unlock and move the armrest up or down. Release to lock.

## MAINTENANCE AND CARE

To ensure the longevity and appearance of your COMHOMA office chair, follow these maintenance guidelines:

- **Cleaning PU Leather:** Wipe the leather surface with a soft, damp cloth. For tougher stains, use a mild soap solution and immediately wipe dry. Avoid abrasive cleaners, solvents, or harsh chemicals.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the PU leather to fade or crack.
- **Check Fasteners:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain stability and safety.

- **Caster Care:** Keep casters free of debris (hair, dust, etc.) to ensure smooth rolling. Clean them regularly.

# Breathable & Soft PU Leather

Enhanced Breathable Leather, keeps you cool  
and comfortable even on hot days

Waterproof

Scratch-resistant

Easy care

Skin friendly

## TROUBLESHOOTING

If you encounter any issues with your chair, please refer to the following common solutions:

- **Chair Sinks or Won't Stay Up:** Ensure the gas lift is properly inserted into the base and mechanism. If the issue persists, the gas lift may need replacement.
- **Chair Wobbles:** Check that all screws and bolts are securely tightened, especially those connecting the base, mechanism, and armrests. Ensure the chair is on a flat, even surface.
- **Casters Not Rolling Smoothly:** Remove any hair or debris wrapped around the caster wheels. Lubricate if necessary.

- **Difficulty Reclining/Adjusting:** Ensure no obstructions are preventing movement. Check that the levers are fully engaged or disengaged.

If these steps do not resolve the issue, please contact customer support.
