## 6. MAINTENANCE

---

To ensure the longevity and appearance of your BLOKEES Leo Aiolia figure, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the figure with a soft, dry cloth to remove dust. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the paint or material.
- **Storage:** Store the figure away from direct sunlight, extreme temperatures, and high humidity to prevent discoloration or material degradation. Keep it in a cool, dry place.
- **Handling:** Handle the figure by its main body parts rather than delicate accessories or joints to prevent accidental breakage.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your figure, consider the following common solutions:

- **Loose Joints:** If a joint feels too loose, carefully remove the part and re-insert it, ensuring it snaps firmly into place. Avoid excessive force.
- **Parts Not Fitting:** Ensure you are using the correct parts for each step. Some parts may require a gentle but firm push to connect. Refer to the assembly diagrams if available.
- **Missing Parts:** If you believe a part is genuinely missing, please refer to the warranty and support section for assistance.
