

HK10 Ultra 3 Z

Generic HK10 Ultra 3 Z Smart Watch User Manual

INTRODUCTION

This manual provides essential information and instructions for the proper use and maintenance of your Generic HK10 Ultra 3 Z Smart Watch. Please read this manual thoroughly before using the device to ensure optimal performance and longevity. Keep this manual for future reference.

PACKAGE CONTENTS

Upon opening the product packaging, verify that all items listed below are present and in good condition.

Image Description: The image displays the open product box for the HK10 Ultra 3 Z Smart Watch. Inside, the smartwatch unit is visible on the left, along with two different watch straps (one black silicone, one grey fabric), and a white magnetic charging cable. The box lid features product branding and key features.

- HK10 Ultra 3 Z Smart Watch
- Silicone Watch Strap
- Additional Fabric Watch Strap
- Magnetic Charging Cable
- User Manual (this document)

1. Charging the Smart Watch

Before initial use, fully charge your smart watch. Connect the magnetic charging cable to the charging contacts on the back of the watch and plug the USB end into a standard USB power adapter (not included) or a computer's USB port. The watch display will indicate charging status.

2. App Installation

To unlock the full functionality of your smart watch, download and install the companion application on your smartphone. Scan the QR code provided on the product packaging or visit the official download link:

Image Description: This image shows the back of the HK10 Ultra 3 Z Smart Watch packaging. It features a QR code labeled 'Download APP' and text indicating compatibility with Android devices. Regulatory marks like FC, CE, and RoHS are also visible.

3. Pairing with Your Smartphone

1. Ensure Bluetooth is enabled on your smartphone.
2. Open the installed companion app on your smartphone.

3. Follow the in-app instructions to search for and connect to your HK10 Ultra 3 Z Smart Watch.
4. Confirm the pairing request on both your watch and smartphone if prompted.

OPERATING THE SMART WATCH

Basic Navigation

The HK10 Ultra 3 Z Smart Watch features a digital display and typically uses touch gestures (swipes, taps) and physical buttons for navigation. Refer to the on-screen prompts and the companion app for detailed interaction methods.

Key Features

The smart watch integrates several functions to enhance your daily experience:

- **WearFit GPT:** Advanced AI features for enhanced interaction.
- **Real-Time Baidu Navigation:** Provides navigation assistance directly on your wrist.
- **Barrage Assistant:** Functionality for managing notifications or messages.
- **3D Stereoscopic Menu Style:** Offers a visually engaging user interface.
- **Heart Rate Monitoring:** Tracks your heart rate throughout the day.
- **NFC:** Supports Near Field Communication for various applications.

MAINTENANCE

Cleaning

To keep your smart watch clean, gently wipe the screen and body with a soft, lint-free cloth. For the silicone band, you may use a slightly damp cloth. Avoid using harsh chemicals or abrasive materials, as these can damage the device.

Water Resistance

Important: This device is NOT Water Resistant. Avoid exposure to water, moisture, rain, or submersion. Water damage is not covered under warranty.

TROUBLESHOOTING

If you encounter issues with your HK10 Ultra 3 Z Smart Watch, try the following steps:

- **Watch Not Turning On:** Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
- **Cannot Pair with Phone:** Make sure Bluetooth is enabled on your phone and the watch is within range. Restart both the watch and your phone, then attempt pairing again through the app.
- **App Not Syncing Data:** Check your phone's internet connection. Ensure the companion app has all necessary permissions enabled in your phone's settings.
- **Inaccurate Readings:** Ensure the watch is worn snugly on your wrist, but not too tight. Clean the sensor on the back of the watch.
- **Screen Unresponsive:** Try restarting the watch. If the issue persists, ensure it is charged.

For persistent issues, consult the companion app's help section or contact customer support.
