JOUGE Portable Foldable Travel Toothbrush Set with Mini Toothpaste (Model: QG-ZDYS610) - Instruction Manual

Your compact solution for oral hygiene on the go.

1. PRODUCT OVERVIEW

The JOUGE Portable Foldable Travel Toothbrush Set is designed for convenience and portability, making it ideal for travel, camping, business trips, or daily use outside the home. Each set includes a foldable toothbrush and a mini toothpaste, ensuring complete oral care in a compact form factor.

Key Features:

- **Foldable Design:** The toothbrush folds into a compact size for easy storage and transport.
- **Integrated Toothpaste:** Each toothbrush comes with a mini toothpaste for immediate use.
- **Soft Bristles:** Designed with soft bristles for a comfortable and effective cleaning experience.
- **Protective Case:** The foldable design acts as a protective case, keeping bristles clean and hygienic.

2. PACKAGE CONTENTS

Each JOUGE Portable Foldable Travel Toothbrush Set contains the following items:

- Foldable Travel Toothbrush
- Mini Toothpaste (3g)

3. SETUP AND ASSEMBLY

Follow these steps to prepare your JOUGE Travel Toothbrush for use:

1. **Unfolding the Toothbrush:** To extend the toothbrush, gently pull the brush head away from the handle until it locks into place. The handle serves as a protective cover when folded.
2. **Accessing Toothpaste:** The mini toothpaste is typically stored within the toothbrush case or provided separately. Remove the cap from the toothpaste tube.

4. OPERATING INSTRUCTIONS

To effectively clean your teeth with the JOUGE Travel Toothbrush:

1. **Apply Toothpaste:** Squeeze a small, pea-sized amount of the provided mini toothpaste onto the bristles of the extended toothbrush.
2. **Brushing Technique:** Brush your teeth using gentle, circular motions, ensuring all surfaces are cleaned. The soft bristles are designed to be gentle on gums while effectively removing plaque.
3. **Rinsing:** After brushing, rinse your mouth thoroughly with water.

5. MAINTENANCE AND CARE

Proper maintenance ensures the longevity and hygiene of your travel toothbrush:

1. **Rinse After Use:** Thoroughly rinse the toothbrush bristles under running water after each use to remove any remaining toothpaste or food particles.
2. **Air Dry:** Allow the toothbrush bristles to air dry completely before folding it back into its case. This helps prevent bacterial growth. The case features ventilation and drainage holes to facilitate drying.
3. **Storage:** Once dry, fold the toothbrush back into its compact form for hygienic storage.

6. STORAGE AND PORTABILITY

The JOUGE Travel Toothbrush is designed for maximum portability:

- **Compact Size:** When folded, the toothbrush measures approximately 11.5cm (4.52in), making it easy to fit into small bags, purses, or toiletry kits.
- **Secure Folding:** The toothbrush securely folds to protect the bristles from damage and contamination during transport.

8. TROUBLESHOOTING

If you encounter any issues with your JOUGE Travel Toothbrush, consider the following:

- **Toothbrush Head Feels Loose:** Ensure the toothbrush head is fully extended and locked into place. Some designs may allow the brush to be pushed too far into the handle; ensure it is seated correctly for stable use.
- **Insufficient Toothpaste:** The included toothpaste is a mini size (3g) for single or limited use. For extended trips, consider carrying additional travel-sized toothpaste or refilling a compatible dispenser.
- **Bristles Not Cleaning Effectively:** While the bristles are soft, ensure you are using proper brushing technique (gentle circular motions) and replacing the toothbrush regularly, especially after extended use or illness.

9. IMPORTANT SAFETY INFORMATION

Please observe the following safety guidelines:

- Keep out of reach of small children to prevent choking hazards from small parts.
- Do not ingest the toothpaste. If swallowed, seek medical attention.
- Replace the toothbrush every 3-4 months, or sooner if bristles become frayed.
- Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition.
