

OttLite CSY53CPC-SHPR

OttLite Ultimate LED 3-in-1 Creative Station

Model: CSY53CPC-SHPR
Instruction Manual

PRODUCT OVERVIEW

The OttLite Ultimate LED 3-in-1 Creative Station is engineered to provide optimal lighting for various tasks, from intricate crafting to reading. Its unique design allows it to transform into a floor lamp, a table lamp, or a clamp-on lamp, adapting to your specific workspace needs. Featuring OttLite's exclusive ClearSun LED technology, this lamp significantly reduces eyestrain by matching the spectrum of natural sunlight, ensuring comfortable and accurate vision for extended periods. It also includes a powerful magnifier, a hands-free clip, and an integrated power outlet for added convenience.

SETUP AND CONFIGURATION

Your OttLite Ultimate LED 3-in-1 Creative Station is designed for versatile use and can be configured in three ways: as a floor lamp, a table lamp, or a clamp-on lamp. A conversion kit is included to facilitate these transformations.

Assembly Instructions:

- Floor Lamp Configuration:** Assemble the pole sections and attach them to the sturdy base. Secure the lamp head and accessory arms to the top pole section. The height can be adjusted from 46 3/4 inches to 59 1/2 inches.
- Table Lamp Configuration:** Use the provided conversion kit to attach the lamp head and accessory arms directly to the smaller table base. The height can be adjusted from 13 3/4 inches to 25 inches.
- Clamp-on Lamp Configuration:** Utilize the clamp attachment from the conversion kit to secure the lamp head and accessory arms to the edge of a table or workbench. Ensure the clamp is firmly tightened for stability.

OPERATING INSTRUCTIONS

The OttLite Creative Station is designed for ease of use, providing adjustable lighting and convenient features for your tasks.

Power and Brightness Control:

- Connect the lamp to a standard electrical outlet.
- Use the touch controls located on the lamp to power it on/off and cycle through the 3 brightness settings.

Magnifier and Clip Usage:

- The lamp features a 2x optical-grade LED-illuminated magnifier with a 4x spot viewer. Position the flexible arm to bring

the magnifier over your work area for detailed viewing.

- The sturdy, hands-free clip is ideal for holding patterns, charts, or instructions. Adjust its flexible arm to position your documents at an optimal viewing angle.

Accessory Power Outlet:

- A convenient accessory power outlet is integrated into the lamp's base. Use this outlet to charge smartphones, tablets, or power small craft tools directly from the lamp.

KEY FEATURES AND BENEFITS

ClearSun LED Technology:

OttLite's exclusive ClearSun LED technology is designed to closely match the spectral output of natural sunlight. This innovative lighting solution significantly reduces eyestrain by up to 51%, allowing you to work or read for longer periods with greater comfort. ClearSun LEDs boast a 95+ Color Rendering Index (CRI), ensuring that colors are displayed with exceptional accuracy and vibrancy, unlike standard LEDs which often have a lower CRI (average 83).

Reduces eyestrain up to 51%

Exclusive ClearSun® LED technology matches the spectral output of natural daylight.

Designed to Deliver Natural Daylight Indoors

- Helps reduce eyestrain
- Helps you see fine print clearly and comfortably
- Low glare

Image: A user benefiting from the natural daylight provided by the OttLite lamp, illustrating how it helps reduce eyestrain, allows clear viewing of fine print, and offers low glare.

A Healthier Way to See

Since 1989, OttLite has focused on developing healthy, natural lighting that helps people **see everything more clearly.**

 OttLite®

Image: A visual comparison demonstrating how ClearSun LEDs with a CRI of 95+ provide smooth, uniform light that shows colors with unmatched accuracy, as seen with spools of thread.

Integrated Magnification:

The lamp includes a 2x optical-grade LED-illuminated magnifier, complemented by a 4x spot viewer. This feature is invaluable for tasks requiring precision, such as needlework, model building, or reading small print.

With a **CRI of 95+**, ClearSun LEDs provide smooth, uniform light that shows colors with **unmatched accuracy**

MAINTENANCE

To ensure the longevity and optimal performance of your OttLite Ultimate LED 3-in-1 Creative Station, follow these simple maintenance guidelines:

- **Cleaning:** Disconnect the lamp from the power source before cleaning. Use a soft, dry cloth to wipe down the lamp's surfaces. For stubborn marks, a slightly damp cloth can be used, followed by a dry cloth. Avoid abrasive cleaners or solvents, as they may damage the finish.
- **LED Longevity:** The integrated LEDs are designed for long-lasting performance and do not require replacement.
- **Storage:** If storing the lamp for an extended period, ensure it is clean and dry. Store it in a cool, dry place, ideally in its original packaging to protect it from dust and damage.

TROUBLESHOOTING

If you encounter any issues with your OttLite Ultimate LED 3-in-1 Creative Station, please refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Lamp does not turn on.	No power connection.	Ensure the power cord is securely plugged into both the lamp and a working electrical outlet. Test the outlet with another device.
Light flickers or is dim.	Loose connection or power fluctuation.	Check all connections. If the issue persists, try plugging the lamp into a different outlet.
Magnifier light not working.	Separate power control for magnifier.	Ensure the main lamp is on and check if the magnifier has its own power switch or touch control.
Lamp is unstable in floor lamp configuration.	Base not fully secured or uneven surface.	Ensure all pole sections are tightly screwed into the base. Place the lamp on a flat, stable surface.

If these steps do not resolve the issue, please contact OttLite Customer Service for further assistance.

TECHNICAL SPECIFICATIONS

Feature	Detail
Product Dimensions (Floor Lamp)	14.5"D x 9.25"W x 70"H (adjustable height)
Product Dimensions (Table Lamp)	13 3/4" to 25" in height (adjustable)
