## Poliman Ravena

# Poliman Ravena 80cm 2-Door Wall Cabinet Instruction Manual

Model: Ravena | Brand: Poliman

## 1. INTRODUCTION

---

Thank you for choosing the Poliman Ravena 80cm 2-Door Wall Cabinet. This manual provides essential information for the safe and correct assembly, installation, and maintenance of your new cabinet. Please read all instructions thoroughly before proceeding to ensure proper setup and to maximize the lifespan of your product. Keep this manual for future reference.

## 2. SAFETY INFORMATION

---

- Always assemble the cabinet on a soft, clean surface to prevent scratches.
- Ensure all hardware is securely tightened before use. Periodically check and re-tighten fasteners as needed.
- Do not overload the cabinet or its shelves. Refer to the specifications for weight limits.
- For wall-mounted installation, ensure the wall is structurally sound and use appropriate mounting hardware for your wall type (e.g., concrete, drywall, wood studs). Professional installation is recommended if you are unsure.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Avoid using abrasive cleaners or harsh chemicals, which can damage the finish.

## 3. PACKAGE CONTENTS

---

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- 1 x Poliman Ravena 80cm 2-Door Wall Cabinet (disassembled components)
- 1 x Hardware Pack (screws, dowels, hinges, handles, shelf supports)
- 1 x Assembly Instructions (this manual)

## 4. SETUP AND ASSEMBLY

---

### 4.1 Tools Required (Not Included)

- Phillips Head Screwdriver
- Hammer (for dowels)
- Measuring Tape
- Pencil
- Drill (for wall mounting)
- Level

### 4.2 Assembly Steps

1. **Unpack and Identify:** Carefully unpack all components and lay them out on a protected surface. Identify each part using the included parts list (if provided separately).
2. **Assemble the Cabinet Frame:** Attach the side panels to the top and bottom panels using the provided dowels and screws. Ensure all connections are tight and the frame is square.
3. **Install the Back Panel:** Slide or nail the back panel into the grooves or onto the back of the assembled frame.
4. **Install Shelf Supports and Shelf:** Insert the shelf supports into the pre-drilled holes at your desired height. Place the internal shelf onto the supports.
5. **Attach Hinges to Doors:** Secure the 26mm reinforced hinges to the two cabinet doors using the appropriate screws.
6. **Attach Doors to Cabinet Frame:** Mount the doors to the cabinet frame by attaching the hinges to the pre-drilled holes on the side panels. Adjust hinges as necessary to ensure proper door alignment and smooth operation.
7. **Install Handles:** Attach the black polymer handles to the doors.
8. **Wall Mounting:**
  - Determine the desired height and location for your cabinet on the wall. Use a level and pencil to mark the mounting points.
  - Drill pilot holes at the marked locations. Use appropriate wall anchors if drilling into drywall without studs.
  - Secure the cabinet to the wall using suitable screws and washers. Ensure the cabinet is level and firmly attached before placing items inside.

## 5. OPERATING AND USAGE

---

The Poliman Ravena wall cabinet is designed for organized storage in various rooms, such as kitchens, laundry rooms, or offices. Its two hinged doors provide easy access to the interior, which includes a fixed shelf for efficient space utilization.

- **Opening/Closing Doors:** Gently pull the black polymer handles to open the doors. Push them closed until they latch securely. The reinforced hinges ensure smooth and quiet operation.
- **Organizing Contents:** Utilize the internal shelf to separate and organize items. Place heavier items on the bottom shelf or closer to the cabinet sides for stability.
- **Weight Distribution:** Distribute weight evenly across the shelf and within the cabinet to prevent tipping or damage.

## 6. MAINTENANCE

Proper care and maintenance will help preserve the appearance and functionality of your Poliman Ravena cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner specifically designed for furniture. Dry immediately with a clean cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or ammonia-based products, as these can damage the UV paint finish.
- **Spills:** Clean up spills immediately to prevent moisture damage to the MDP material.
- **Hardware Check:** Periodically check all screws and fasteners, especially those for hinges and wall mounting, and tighten them if they have loosened.
- **Sunlight Exposure:** Avoid prolonged direct exposure to sunlight to prevent fading or discoloration of the finish.

## 7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Cabinet feels wobbly or unstable.	Loose fasteners; uneven assembly; improper wall mounting.	Ensure all screws are tightened. Recheck assembly steps. Verify secure wall mounting and use a level.
Doors do not align or close properly.	Hinges are not adjusted correctly; cabinet frame is not square.	Adjust the hinge screws to align the doors. Ensure the cabinet frame is square during assembly.

Problem	Possible Cause	Solution
Scratches or marks on the surface.	Impact during assembly or use; abrasive cleaning.	Use furniture touch-up pens or repair kits for minor damage. Avoid abrasive materials.
